3701 S. Pine
Tacoma, WA 98409

The FBI-LEEDA Executive Leadership Institute (ELI) is an innovative 4 1/2-day program designed for executive-level law enforcement leaders and those leaders aspiring to executive-level leadership positions. ELI focuses on the emerging challenges facing 21st century police leaders, as well as planning and navigating the political waters of executive leadership. This highly interactive program follows the FBI-LEEDA "cops talking to cops" model of professional development where students will engage in guided leadership discussions with instructors and other students. The course first looks inward to identify the forces of change and emerging trends within law enforcement, such as the challenges of recruiting, hiring and leading different social generational cohorts and different cultural groups within the workforce. The ELI also presents leadership strategies that emphasize the importance of public trust and legitimacy, officer wellness, social and emotional intelligence.
