PUYALLUP POLICE DEPARTMENT

Mental Performance and Leadership Training

1-Day Training: November 15, 2022

Register for a full day of training that is specially designed for supervisors and leadership. Learn how to continue to grow and display command presence and assertiveness. This course provides leaders with tools to increase self awareness, improved work-life balance and create a healthier culture. This training will also cover emotional intelligence that includes tips and tricks to improve emotional regulation and how to identify disruptive thoughts.
