

Critical Incident Training for Jails and Corrections

Hosted by the Snohomish County Sheriff's Office Corrections Bureau

COURSE DESCRIPTION

Maximizing results while minimizing force usage is an absolute requirement in the modern correctional setting. Corrections professionals need to be ready for anything, and they must respond while keeping inmates and themselves safe without resorting to deadly use of force. This 16-hour training course from PepperBall focuses on mental discipline, professionalism, de-escalation, and teamwork. PepperBall has recruited the best instructors from across the country to teach this course. These instructors bring combined total of over 100 years of experience as tactical operators, team leaders and jail administrators. In this class, tactical operators will learn to utilize proven techniques and equipment to support jail management, supervision, and line staff with sound tactical operations to resolve a variety of critical incidents. Students will learn the skills to make informed decisions for situations that require safe inmate control.
