

*This course will be administered to those seeking to gain entry into the Patrol Rifle Instructor course # 2014 and for those instructors attending the Patrol Rifle Portion of Firearms Instructor Update or Recertification.*

**Instructions:**

1. This course must be completed using an agency issued and or approved patrol rifle and sights/optics.
2. The target to be used is the BLEA Tactical silhouette. Participants will be given two opportunities to achieve a passing score.
3. A passing score shall be 90% (450pts) of the 500pts possible. A miss off the silhouette will result in zero points **AND** a 10 point penalty. A hit on the silhouette but outside the scoring rings will also result in zero points but **NO** penalty. The head shots called for in Sequence #6 below must be within the shaded portion of the target and above the dotted line. All hits breaking a **scoring line** will be awarded the higher point value.
4. Malfunctions are not an excuse or alibi to stop the qualification procedure. If a malfunction occurs during sequence 1-4, the shooter must correctly clear the malfunction and continue. If the shooter experiences a malfunction during sequence 5 & 6 the shooter may not have sufficient time to correctly clear the malfunction and fire the required number of rounds, therefore may re-shot that sequence. For the purpose of this examination a malfunction is an unforeseen mechanical breakage or defect related to the weapon or ammunition and cannot be shooter induced such as failure to properly seat magazine, load, or disengage the safety.
