King County Stakeholders,

The CIT-King County (CIT-King CO) Program has been actively bringing virtual training to your personnel. We have also begun to work on returning to in-person training. Please find below the CIT-King CO program update.

**Training Offerings**

**1. CIT 8-HR In-Service training classes will continue to be offered online via virtual instructor-led format.**

All fully commissioned law enforcement required to have completed at least 8-HRs of CIT In-Service training by **June 30, 2021**. Reserves are encouraged, but not required to attend.

The CIT 8-HR In-service classes can be found on the website below (one class is #8071 King Co and the other is #5509 Statewide but they are currently the same as they are being held virtually). Please note, registration can be completed in LMS for these classes.
