Take *one day* to learn skills you will use *every day*! C.R.I.M.E 123 is an easy *bulletproof* approach to **criminal interviewing & interrogation**.

With the growing conflict between interview and interrogation companies and concerns with using their **specific multi-step** method or **structured technique**, we deliver the solution with **C.R.I.M.E. 123**. Our main objective is to provide today's professional interviewers with a simple, proven and effective "*approach*" to the ever-changing and complex world of truth seeking and custodial interrogation.

Today's professional interviewers must be able to perform at the top of their game and get the truth from a diverse range of dangerous and elusive suspects while respectfully following their agencies policies and procedures. Get trained in the *bulletproof approach* that **bulletproofs the interviewer, the agency and the confession!**

C.R.I.M.E 1-2-3 is here. So get in, get it and get out!
