Police Applicant Background Investigations Training

May 17, 2024

Hosted by

Auburn Police Department

$199

Standardized Procedures
Standardized Interviews
Standardized Reports

The PACE Investigation Method allows you to compare applicants equally, fairly and in a standardized manner. **Complete and standardized documentation** for each applicant provides your hiring team with a thorough assessment of applicants' strengths, weaknesses and character to help select the **best candidates.**

Students are given access to the PACE Police Training online document library. This includes all the forms they need to **organize and streamline** their background investigation process to maintain standardized investigations.
