Real World De-Escalation

Our De-escalation Tactics course is a must-attend. Decades of police training have focused on using force to overcome resistance, but mastering de-escalation is just as important. Our training program will provide you with practical and workable tactics to help de-escalate encounters.

Duty to Intervene

If we are to police others, we must also police ourselves. The law requires real-time intervention when a fellow officer, from any agency, goes down the wrong path and violates the law. Failing to intervene may result in termination, criminal charges, and civil rights lawsuits.

Wednesday, May 8, 2024 | Time: 1:30 PM - 5:00 PM | Cost: \$125

Real World De-Escalation Instructor Course

De-Escalation skills are a tool, just like your handcuffs, flashlight, Taser, and firearm. Of these tools, you will likely be called upon to use your de-escalation abilities more than any other. As with anything on your duty belt, you need both training and practice to improve your competence. By becoming proficient in de-escalation skills, your fellow officers and the citizens you serve can rely on you to perform with a high level of effectiveness when it matters.
