Mossberg 500/590 Armorer

The only factory authorized Mossberg Certified Armorer Course

ACADEMI's course covers the Mossberg 500/590/590DA shotgun systems and provides instruction on how to diagnose and repair malfunctions, rebuild and return shotguns to factory specifications, perform function inspections, check headspace and more. Armorer training classes are a mixture of classroom instruction and hands-on exercises, enabling each student to achieve a high degree of familiarity with the topics covered. Students successfully completing the course will be able to repair and maintain Mossberg 500 series shotguns to factory standards. Graduates will be issued a three-year certification and receive one-on-one Mossberg and ACADEMI support.
