

RDS Instructor Development

Date: May 9-10, 2024

Cost: \$300

Day 1: 0800-1700

Day 2: 1400-2200

This course is designed for existing firearms instructors to gain skills and knowledge on pistol mounted optics. RDS are a growing trend among LE and it is imperative that firearms instructors know how to properly transition their agency from iron sights to pistol mounted optics. This 16 hour course will give the instructor a working knowledge of the RDS system and certify them as a red dot pistol instructor.

Topics Covered:

- ◆ History of RDS and proper use
- ◆ Optic designs, features, pros and cons
- ◆ Implementing RDS into your agency policy
- ◆ Proper mounting and care instructions
- ◆ How to teach RDS shooting
- ◆ Baseline skills assessment
- ◆ Instructor skill development
- ◆ Advanced drill application

Gear Requirements:

- ◆ Duty grade pistol with optic
- ◆ Reputable and secure holster attached to belt.
- ◆ At least 3 pistol magazines and a pouch to carry them
- ◆ Minimum 800 rounds of ammunition
- ◆ Eye protection and hearing protection
- ◆ Ball cap
- ◆ Sharpie Marker
- ◆ Proof of LEO/MIL firearms instructor certification REQUIRED.

Training Location:

Cowlitz County Sheriff's Office Shooting Range
1000 Toutle Park Rd
Castle Rock, Wa 98611

Registration:

Point of Contact: Officer David Kerney– dkerney@kalamapolice.com

Instructor Bio

Jordan is the owner of Stratagem Firearms Training. He is a full time LEO in SW Washington where he has served as a state certified firearms instructor for over 12 years of his career. Jordan instituted his agencies RDS pistol program and has exclusively been running optics on his pistols since 2014. Jordan has held positions as Rangemaster, lead pistol, rifle, shotgun, sub gun instructor, tactics instructor, NFDD, and chemical agent instructor for his agency and his SWAT team. He is also a nationally recognized firearms staff instructor and firearms subject matter expert with the National Law Enforcement Firearms Instructor Association.
