

WSCJTC in Partnership with PEER WA

This 2-hour presentation will be conducted by Peer WA and will include a panel of subject matter experts who have been engaged in co-response teams in Washington State. It will cover the following:

- I. Overview of Co-Response Models**
- II. Importance of Peer Support in Co-Response**
- III. Challenges and Considerations**

Peer Washington cultivates powerful, healthy lives by providing peer emotional support and development services to disparately impacted communities throughout Washington state.

**January 15th 2025
1300-1500 (2-hr)
