Hi CJTC,

Please rescind my prior comments for brevity sake and include this comment and only this comment in your June 11th packet for commissioners.

Though my prior public comment in your march meeting was submitted as a public comment, it was also a formal complaint of a potential violation of expectations outlined in your bylaws. I understand not providing responses to routine public comment, but not providing a response to a concern of a potential violation by a commissioner would be really gross optically and I care enough still to say that to y'all explicitly. I recognize most members of this commission will need to take some time in their busy lives to do enough research into my prior comments and the larger journey leading to them to begin to understand exactly what I am referencing and I sincerely hope you will do that.

I will respectfully ask this commission to consider a formal reply to my prior bylaw concern which falls within the commission's purview. Human to human: please don't leave something like that on the record with no reply.

Thanks,

Kyle Wheeler

I want this thread including prior attachments included as public comment at the next CJTC meeting as I think yalls systems have denied complainants the due process they deserve and that should be on the record somewhere so maybe one day it improves things.

I've watched WSCJTC spend years telling me an extremist affiliate should still be a cop with the power of life and death over me, while having my face canvassed and communities attacked repeatedly by similar extremists. That I should sit tight and respect the process, for literal years now, only for Snaza to spit in the face of it all at the last minute because he doesnt like Doctor Commissioner Lindsey Pollock.

With all due respect to their own experiences - Scott and Lindsey Pollock should have never had to deal with Erin Willey as due process for your complainants should have decertified Willey prior to the interactions which led to the Pollock complaint. The WSCJTC spent more time writing memos on how to mitigate the circumstances of CJTC Commissioner Snaza hiring Willey, fully knowing her prior affiliations, than simply proceeding with the pending charges a year and a half ago.

The Johns family should have never had to deal with Roger Morningstar either if we want to get into it more of the journey.

Delaying accountability, for Snaza's role in this too, while my community is literally being

attacked in the streets by extremists and being expected to call prior affiliates for help after is gross. Mitigating the circumstances of your own CJTC commissioner's terrible hiring decisions and how those may have contributed to that broken trust and may reflect upon the entire profession is absolutely atrocious systems at this point yall.

I do not recommend anyone try to come to WSCJTC with anything less than a pile of bodies and expect any help in a expeditious manner.

I know there's are good people there - I feel like I've come to know some of you on a personal level over the years now. Human to human though - this is the most diminished the WSCJTC has ever made me feel in all that time.

Enjoy your retirement award that was ordered for you as you ride off into the sunset and none of this is ever resolved, Mr. Snaza.

.

I think that about sums up what I wanted to say as public comment to the WSCJTC regarding my experiences with your agency since 2021.

Thanks,

Kyle

Derek,

Please also search for any and all internal memos regarding "mitigating circumstances" for any complaint concerning allegations of extremism since 2020 such as the attached declination memo. I'm glad y'all changed your mind about this eventually, but it doesnt change that this memo exists and yall have done a lot to "mitigate" this situation for years now while I had my windows busted and face canvassed by some of these extremists.

I'm still failing to understand why due process took another 10 months to move forward with charges after this memo.

Please also provide reference to anywhere where "mitigating circumstances" as is being invoked in this memo actually exist for extremist affiliation under current law.

Thanks,

Kyle

Thanks Valerie. Everyone certainly has a right to due process but complainants also have a right to have their concerns addressed swiftly and not wait literal years for these things to even be considered. Due process is not a means to delay accountability, particularly when it comes to extremist affiliates and those who chose to hire them anyways.

Derek, please provide a report or other data showing all tags added, including the date and time they were added and the user who added them, for all currently submitted or active complaints against former Commissioner Snaza.

Mr. Wheeler.

I am responding on behalf of Lauren and Kayla regarding the implementation of "tags," priority policy, and panel members—specifically, commissioners on the panel.

- "Tags" are a feature in our new case management system. They are not used for priority; they are informational in nature and used to gather specific data for generating reports.
- The Priority policy was created with feedback from community members and approved by the Commission. Cases are evaluated per the prioritization policy, but a "tag" is not used in this process.
- All officers with an open investigation, including panel members and commissioners, have the right to due process. The Hearing Coordinator makes the final decision on who is available to attend a hearing. There are several reasons for a panel member to be excused from a hearing.

If you would like a copy of our policies, please submit a PRR at <u>Washington State Criminal</u> <u>Justice Training Commission</u>. (scroll to the middle of the page). We have addressed all of your questions; we now consider this matter resolved.

Lauren will continue to be your point of contact regarding any open cases related to complaints you have initiated.

It's 2024-0012887 - the complaint referenced in my comments in March. I wasn't aware there were more beyond my own.

Kayla - can you help me understand your prior statement I referenced here and the concern related to it? Was/is there no formal WSCJTC policy, at either department, that excludes commissioners tagged with active complaints from participating in

hearings or other CJTC procedures?

Thanks,

Thanks.

I won't dig in on what Garcia said to me previously because its water under the bridge of where we are now and what the current systems are.

Section 3A of that priority policy says that complaints of affiliation with extremists receive priority. Are you allowed to answer whether Snazas October 2024 complaint was tagged at intake for the extremism concerns involved and is indeed being prioritized? I understand that still doesn't mean it won't take years but it would be nice to know.

Last little concern on this note at the moment - in the attached Kayla Wold mentions "I know there was a complaint at one point so I have refrained from using him for future hearings." and just want to confirm - there is currently no formal policy that excludes commissioners with active complaints from participating in hearings or CJTC procedures and the refrain Kayla mentions is just a personal decision because of personal knowledge? I've also asked Derek what the complaint being referenced actually is.

Since I don't like complaining without offering a thought on solutions, I'd personally like to see complaints against commissioners on the priority policy and some guardrails to suspend them from serving on hearings at least until any outstanding complaint is resolved. I understand that likely doesn't matter in this case, but moving forward it would be the smart move optically in my opinion. I also understand you spend your day running around stomping out flaming bags of dog doo, but optically these priorities should really be considered.

Appreciate you still.

Hi Kyle,

Again, that is incorrect. We follow our prioritization policy (see: <u>7-04---prioritization-for-certification-investigations.pdf</u>). I'm not aware of the "flags" you are referring to that existed prior to Kaseware, and whether or not those flags indicated a case had a higher priority. I apologize I cannot provide further insight on that.

Just because a case has a tag in Kaseware doesn't mean the case is a higher priority other cases without tags. There are multiple factors at play that determine the priority level of a case (e.g., is the officer still employed, does it fall under the mandatory revocation criteria, etc.).

As with all of our policies, we routinely review the policies and make adjustments as needed. With the number of cases in our backlog, prioritization policy will certainly be among the policies we review in the near future.

Prior to kaseware this was referred to as the flagged or priority list or something similar though, right?

I recall Garcia discussed some of this with me regarding the 2023 pride complaints and the neonazis disruptors. Basically what I remember is because there wasn't actually blood spilled or a SA involved it wasn't really a priority.

Prior to tags being implemented in May 2024 and commissioner specific tags being added in February 2025 the tracking system for this was generally referred to as the priority list(s)?

Again, not a dig - I understand the necessity, just want to make sure I understand it all as I've had a front seat to yalls growth the last five years.

Hi Kyle,

Tags are a new feature in our cases since we got Kaseware in May 2024. I don't think it would have been possible for us to have "tags" during the Morningstar case, at least not in the way they are being used now. The purpose of the tag is to make cases against people who meet the tagged criteria easily searchable and to generate an automatic notification to certain managers when a tag is added. We have created multiple new tags this year to help us better utilize the Kaseware system.

I know something similar occurred with Morningstar about halfway through once the Rupp Freece incident made it more pressing, but the tags are essentially related to y'alls internal priority systems? This is not a dig - I understand your workload. But prior to February complaints against commissioners were not considered priority by default but they now receive a

tag to at least standout in the spreadsheet?

INTEROFFICE COMMUNICATION

WASHINGTON STATE CRIMINAL JUSTICE TRAINING COMMISSION

TO: Kim Bliss, Assistant Director

FROM: Mike Devine, Certification Division Manager

SUBJECT: C22-131

DATE: January 4, 2024

The WSCJTC Certification division received a complaint regarding Deputy Erin Wiley LCSO concerning an allegation that Deputy Wiley had an affiliation with an extremist organization in violation of RCW 43.101.105 3 (h)(i).

The WSCJTC initiated an investigation based on an inquiry from media, to review the allegations for potential violations.

Investigator Michelle Pham was assigned to the case. Based on a review of the completed investigation and the following mitigating circumstances I am recommending a decline.

- Erin Wiley admitted she was an associate of the Proud Boy Girls organization; however, this
 was in 2017.
- Wiley said her ex-boyfriend was a member of the Proud Boys group, but this was before she
 was hired as a deputy.
- Wiley admitted to viewing and filming a Proud Boy initiation ceremony; however, stated she
 was unaware at the time it was an initiation.
- In 2018, after the initiation Wiley was present at in 2017, the FBI in Portland was the first government entity to label the Proud Boys as an extremist group.
 https://www.usatoday.com/story/news/nation-now/2018/11/19/fbi-categorizes-proud-boys-extremist-documents-reveal/2063099002/
- The Proud boys are an admitted misogynistic organization. Wiley would have had a very limited or restricted role even if she was granted membership.
- Wiley acknowledged being a member of the Proud Boy Girls, but no known entity has labelled the Proud Boy Girls as an extremist group, including the Southern Poverty Law Center.
- A prior investigation into Wiley regarding this incident noted investigators "found no direct link to Erin actively participating – on or off-duty – in any overt forms of hate speech or discrimination."

Assistant Director Kim Bliss January 4, 2024 Page 2

- These events took place prior to employment with any LE organization. At the time she was a private citizen. (Approx. 2017)
- Wiley stated that when she discovered the meaning and context of the Proud Boy organization she quit and stopped associating with them.
- Wiley's relationship with her boyfriend ended soon after the initiation, however, he continued to harass and contact her. Wiley's ex-boyfriend threatened her and stated he would cost her, her job. Wiley filed a police report in 2018 concerning the ex-boyfriend and his harassment. A protection order was later issued. There appears to be significant documentation of the harassment Wiley received from her ex-boyfriend after she broke off the relationship, which was noted in the IA report of the Clark County SO.
- The Clark County Sheriff's office initiated an IA investigation based on the allegations while
 Wiley was still a probationary employee. She was later separated from the Clark County SO
 during her probation. Clark County's IA determined that Wiley's ex -boyfriend was likely the
 source of the media inquiry. The Clark County SO did not complete a full investigation after
 Wiley's release.
- WSCJTC received a NOS based on Wiley's separation from the Clark County SO in 2018. A
 subsequent review by the WSCJTC Certification division found no actionable or revokable
 misconduct.
- Wiley applied for and was hired by Napavine PD in 2019. The WSCJTC investigator reviewed
 the background completed by this LEA which noted recommendations from references and
 previous employers that Wiley should be recommended for the position.
- In May of 2021 Wiley was hired by the Lewis County SO. A full background and Polygraph were completed. A subsequent inquiry by the WSCJTC revealed no IA complaints or reports.
- Wiley fully cooperated with the WSCJTC and was interviewed by the WSCJTC investigator.
 She summarized during the interview that she did not take part in rallies, or protest marches
 and when she discovered the context and meaning of the Proud Boys, she distanced herself
 from the group.

In conclusion, Deputy Wiley has been vetted and her background reviewed by two additional LE agencies since her separation from Clark County SO. There were no additional complaints or documentation of any Proud Boy related activities since 2017. There is no information to support that Wiley took part in any activities related to the Proud Boys after recognizing the true nature of the organization and separating herself from them. There is substantial documentation that Wiley was subjected to harassment and intimidation by the ex-boyfriend after she broke off the relationship. Based on these conclusions and the information noted above I am recommending a decline and closure in this case.

Additional Note for Public Comment:

This is what I will be trying to cover during my 3-minute public comment. I'm not sure I'll have enough time to cover everything, so I hope it's not too late for the Commission to read this as well as hear my statement. I believe having both will help convey my points more clearly in today's meeting.

(The ACCESS policy violations were investigated in IA case # IC11-009). Det. Taylor continued to "investigate" this person on and off duty. He used the information he obtained from his computer checks to go by this person's house on numerous occasions while on and off duty and, at one point, even walked up to this person's residence and attempted to peer into the windows. Det. Taylor also made a concerted effort during this time to keep "tabs" on his wife after learning she was dating another person. He would constantly drive by her residence on and off duty in order to find out what she was doing. hes admitting to stalking

Um, (unintelligible) say -- and I don't want you to think that I'm nuts or loony, um, because I'm doing so much better now with my counseling and I wasn't under this kind of stress all the time -- but when things get like that, um, if I don't kind of follow a certain regimen, then, mm, things will just -- I just felt things were more than I could deal with. he's admitting he's unstable

Det. Taylor was asked at the end of his interview as to why he would take his work car, instead of his own personal car, when he left his house on non work days, but he could never give any plausible explanation. He gave a long pause for the first time he was asked and then spoke about his "Obsessive Compulsive Disorder", and how he has to be in total control of everything. I again asked why he would take the work car over his own car and he said that it made him feel better, thinking he was at work. he's admitting to misconduct know full well it was wrong

Det. Taylor also went by his residence AFTER he was served with the "six part" complaint for the alleged ACCESS violation on March 15th. One night, while off duty, he drove his personal vehicle to Melton's residence. Det. Taylor parks down the street from the residence and walks up to it. He said he wanted to "confirm" this was the same person he had seen with his ex-wife from back on March 7th. He tried looking into several windows, but could not get a good look. He considered ringing the door bell, but decided not to. further stalking and clear usability for law enforcement

I asked Deanna if she ever saw Det. Taylor "watching" her or her residence. Deanna said that soon after Det. Taylor had learned about her new boyfriend, she thought someone was outside. She heard her car alarm go off, which she said it never does, and went outside to investigate. Deanna said she just had a "creepy" feeling that someone was outside, but never actually saw anyone. A creepy feel is an understatement considering Taylor admits to stalking her and her new boyfriend

: No, I ... I just want a comment that I work in the same office as Ryan Taylor. I've seen him in there on his days off working on his cases. I mean, this guy's very conscientious. He's very methodical and he's on there on his days -- "Ryan, what are you doing here?" You know, and he's working. So --. As a witness. (Horch) Well, as a Guild rep, you should have put your foot down and said something stronger, then, probably. But anyways, let's get back to this. Do you want a break? I know Rick has to leave in about ten minutes? Do you want to keep going for ten minutes? This seem like Taylor fell through another hole and was not held accountable for is action.

After reviewing Taylor's time cards, it appears that his close friend, Sheriff Scheyer, has allowed him to work an excessive amount of overtime. I believe this duo may be doing nothing more than padding their bank accounts — especially considering that, once HB 5051 passes, Taylor could eventually be decertified from law enforcement altogether.

If my math is correct, during the four years of Sheriff Scheyer's term, the two of them could have accumulated just under a million dollars in combined pay. And is it safe to allow any law enforcement to woke exserve over time or will it lead to lack of their ability to act quickly and safely or endanger the public and other lawenformet by not having time away from duty each week

Det. Taylor is ACCESS certified through our department and took his last update class in September of 2010. Det. Taylor said he was aware of our ACCESS policy and knew it was against our policy to use this system for personal use. The Washington State Patrol requires us to report to them suspected ACCESS violations, as well as concluded investigations into ACCESS violations. This matter has been reported to WSP. could this misuse of the access decertified Taylor backi in 2010?

Recommended Findings: After analyzing all the documentation and statements made by Det. Taylor during his interview, the IA Unit has come to the conclusion that Det. Taylor did in fact violate our ACCESS use policy G.O. 02.09.380 MISUSE and our MDC use policy G.O. 02.10.030 (C) PROCUDURE USE OF THE MDC. Again same question

Based on all of the evidence the IA Unit believes Det. Ryan Taylor did in fact violate our General Order regarding ACCESS MISUSE 2.09.380, and recommend a finding of SUSTAINED. There are six documented violations made by Det. Taylor from March 13 - March 15, 2011. There are three documented violations made by Det. Taylor back on October 2, 2008. Here he is even found guilty of misuse of the access system; this is grounds for desertification today for sure.

Sergeant John Horeb Internal Affairs Unit Clark County Sheriff's Office P.O. Box 410 Vancouver, WA 98666 June 2, 2011 Re: IA Case #lCll-009---Deputy Ryan Taylor Sergeant Horch; Chief Criminal Deputy Mike Evans I have reviewed the report that you filed in regards to this incident. After careful consideration, I concur with your findings a5 outlined below: 1. 2. Sustained-ACCESS MISUSE, General Order 02.09.380 (2 counts) Sustained---PROCEDURE USE OF THE MDC, General Order 02.10.030 (C) These sustained violations stem from Deputy Taylor's actions in Ocotober 2008, where he admittedly used a depaitment computer to make several inquiries via the WSP ACCESS system for personal reasons, and in March of 2011 where he admittedly used a department computer (MDC) to make several inquires via the WSP ACCESS system for personal reasons. These actions clearly violate department general orders as highlighted above. Due to the sensitive nature of some of the information contained in this internal affairs investigation, this matter is not forwarded to the Enforcement Branch Board of Inquiry for their review. Deputy Taylor may raise concerns, if be has them, whether or not the investigation was conducted thoroughly, fairly and impartially directly to me. Please conduct a disciplinary review for Deputy Taylor and forward a repo1t of that review to me. I would like clarification as to why this report was not sent to the Enforcement Branch Board of Inquiry for their review, has this changed since 2010

Dear Ryan:

I am in receipt of your recent letter to me concerning the termination of your employment based on a review of your conduct that was conducted during an internal affairs investigation nearly one year ago.

I have taken a close look at the facts you put forward but ultimately, find no compelling reason to overturn or modify my decision to terminate your employment. The bottom line is that you used your County assigned vehicle for personal business on numerous occasions despite knowing full well that this was against County policy. There is ample evidence of that fact, despite your attempts to pick apart the County's investigation. Those facts include a <u>signed admission</u> by you that you "admit that you caused a loss of public funds from Clark County during the course of your employment." That admission is contained in a "Restitution Agreement" you signed whereby you agreed to pay restitution in the amount of \$4,200.00 to the Clark County Sheriff's Office, no later than December 30, 2011. To date, you have not paid these monies as you agreed.

You <u>also</u> contend that you worked hours that you were not paid for while employed by the County. It is the County's intent to comply with all wage and hour laws, without exception. Toward that end, employees are not authorized to work overtime or "off the clock," while employed with the County. If that happened, as you allege, that is a matter that needs to be investigated and (possibly) corrected. However, you have not provided me with <u>any</u> documentation to corroborate your claim in this regard. If you have any information/documentation to corroborate your claim, I would ask you to provide it to me as soon as possible so that I can evaluate its veracity.

I look forward to reviewing your corroborating materials regarding your claim that you worked a "large amount of shifts without compensation." Again, please provide that information to me as soon as practicable so I can evaluate your claim.

Sincerely.

Urgent

Request for Review and Action Regarding Officer Decertification

Dear CJTC Commissioner's

I hope this message finds you well. I am writing as a concerned citizen who has been closely following recent developments surrounding law enforcement accountability and certification in our state. Specifically, I am deeply troubled by the lack of action regarding Deputy Taylor, whose behavior—particularly involving his ex-wife and her partner at that time he was still married to her —clearly aligns with the statutory definition of stalking.he also used law enforcement tools to check in on her even at one point looked in the widows and would drive out of his way to check up on her and her boyfriend while driving a county patrol car according to his statement in the internal investigation interview by clark county.

The recent updates in legislation, including HB/SB, have given the Criminal Justice Training Commission the authority to revisit past certifications and take action where misconduct is evident. Yet, despite this new authority and the seriousness of Deputy Taylor's actions, no decertification has occurred. This inaction is not only frustrating—it is dangerous. It sets a precedent that misconduct will be tolerated and sends a message to new deputies that the rules are optional.

The behavior in question damages public trust and compromises the integrity of the Sheriff's Office. I believe it is critical that the CJTC act swiftly and decisively to review and, if

appropriate, revoke Deputy Taylor's certification. I truly believe one of the many dishonest things he did and was fired from Clark county was ACCESS violations of none law enforcement use multiple times."I'm pretty sure this falls under the new House or Senate Bill and was grounds for decertification at the time. So what went wrong in this case, and why is there a huge lack of authority from the CJTC on the matter?" legislation was changed just for this kind of thing yet CJTC has done nothing but give Taylor more time to get even more arrogant and train new officers the wrong way of law enfroment and just how to bend the rules.

Additionally, I would like to express my interest in becoming more involved, perhaps by participating in advisory discussions or public oversight related to CJTC. There are clearly loopholes in the current system that need to be addressed, and I am eager to be part of the solution.

Please let me know how I may assist, and I hope to hear back from you regarding the steps being taken in this case.

Thank you for your time and commitment to justice.

Please add this to public comments at your next meeting

Sincerely, Mitch Patton Skamania County

Hi Mitch.

These are not necessarily loopholes, they just are concerns that would fall outside of the WSCJTC's jurisdiction since we can only investigate individual officers for misconduct that falls under RCW 43.101.105. If you have more systemic concerns about how an agency operates, that would most likely not be considered individual officer misconduct, and therefore would not be best handled by WSCJTC.

Regarding Ryan Taylor, it is my understanding that he was terminated from Clark County for ACCESS violations, including searching his ex-wife's boyfriend's information in police systems. He was not charged with a crime of stalking. It is also my understanding that his termination from Clark County happened roughly 10 years ago, and it wouldn't have met the standard for decertification under the previous RCW that was in place at the time. The new law passed in 2021, which vastly expanded the types of misconduct that could result in decertification.

I believe that both possibilities #2 and #3 present loopholes. This complaint is directed at the SCSO as an entire department, primarily its sergeants and sheriff along with a non certified undersheriff. I want to ensure that my complaint targets the Sheriff's Office (SCSO) as a whole, rather than singling out one officer, which seems to be your suggestion.

Furthermore, I am beginning to lose faith in CJTC, as it seems increasingly similar to the Washington State Bar—a system many perceive as ineffective and merely a pawn in the system. Despite receiving substantial taxpayer funding, it appears to neglect its responsibilities outlined in some HB and SB that clearly state its authority to decertify law enforcement officers. For example, Ryan Taylor has yet to face decertification, even though his actions—including using official access to stalk his wife and her boyfriend—warrant significant consequences. CJTC has decertified officers for far less, yet continues to overlook this matter. This inconsistency undermines trust and accountability within the system."

One last thing: According to an interview on ARC News Seattle with David Quinlan from CJTC, stalking is a significant issue in Washington State. Despite this, CJTC has taken no action against Sergeant Ryan Taylor, who was reported to CJTC and placed on the Brady list by CCSO after his interview and then was fired from CCSO. It is confirmed that he misused the access system multiple times to stalk his wife and her boyfriend. Yet, CJTC has failed to decertify this officer, even though his actions clearly warrant such measures. This lack of accountability is deeply concerning and undermines trust in the system. Ryan Taylor admitted to misusing the access system multiple times, and yet we are still dealing with a dirty cop at the expense of CJTC failing to do their job.

RE: WSCJTC No. 2025-0000204

Thank you for your submission to the Washington State Criminal Justice Training Commission (WSCJTC).

The WSCJTC is committed to enhancing peace officer and corrections officer accountability as well as public trust and confidence in the criminal justice system. All complaints alleging law enforcement officer misconduct are thoroughly reviewed. Please be aware that the WSCJTC Certification Bureau has limited jurisdiction and only investigates complaints where the allegations, if true, constitute misconduct for which the WSCJTC may revoke or suspend the certification of an officer (see RCW 43.101.105).

Possible next steps include:

- If your complaint alleges conduct which may disqualify a peace officer or corrections officer from holding a certification in Washington State, the WSCJTC will investigate the complaint and notify the officer's agency of its investigation.
- If your complaint alleges conduct that may violate an agency's policies but does not
 otherwise disqualify the officer from holding a certification in Washington State, the
 WSCJTC will forward the complaint to the officer's agency for handling.
- If your complaint does not allege conduct which may disqualify an officer from holding a certification in Washington State, or if the complaint does not involve an officer holding a certification in Washington State, the WSCJTC will administratively close the complaint.

A staff member will follow up with you to advise on the status of your case. To submit additional information regarding your complaint, please email the Certification Bureau at certificationcomplaints@citc.wa.gov.

Involved employee(s): Detective Ryan Taylor

Allegation(s)/Finding(s):

#1. Detective Taylor has been using his Clark County issued unmarked Ford Expedition for personal use from approximately March 2009 – March 2011. This use far exceeded the G.O. pertaining to "De Minimus personal use of county vehicles while on duty". **SUSTAINED**

#2. Detective Taylor has been transporting his children around in his work vehicle beyond what the G.O. allows for in "De Minimus personal use of county vehicles while on duty". **SUSTAINED**

#3. Detective Taylor has been using his county issued cell phone for personal calls for the past two years without following the G.O. regarding cell phone use. **SUSTAINED**

#4. Detective Taylor engaged in off duty conduct which would discredit the Sheriff's Office by using information he gathered on Michael Melton (ex-wife's new boyfriend), to visit Melton's residence on and off duty, including taking family members by this residence. **SUSTAINED**

- #1. G.O. 01.16.010 PURPOSE (VEHICLE USAGE)
 G.O. 01.16.052 DE MINIMUS PERSONAL USE OF COUNTY VEHICLES WHILE ON DUTY
- #2. G.O. 01.16.037 UNAUTHORIZED PASSENGERS
- #3. G.O. 01.35.090 CELLULAR PHONE
- #4. G.O. 01.29.310 OFF DUTY CONDUCT

Summary:

On March 16, 2011, the IA Unit received information that Detective Ryan Taylor had possibly been using his county issued unmarked patrol vehicle for personal use over the past two years. After receiving this information, Det. Taylor was served with a "six part" complaint and an investigation was initiated to look into this matter.

Through the process of analyzing Det. Taylor's vehicle mileage, fuel reports, actual hours worked and witness statements, the IA unit has come to the conclusion that Det. Taylor has in fact, been using his county issued unmarked police vehicle for personal use beyond what the county allows for "De Minimus Use". The mileage reports show Det. Taylor drove 52,914 miles for a two year span since he joined the traffic unit in March of 2009. During that time, his coworker and predecessor in the traffic unit averaged 26,081 miles on their vehicles for a two year span. It was also discovered that Det. Taylor has been transporting his two children around in his work vehicle beyond what is allowed in the "De Minimus Use" policy. A complete break down of hours worked and miles driven are listed in this report.

While investigating the misuse of the county vehicle, the IA Unit also discovered that Det. Taylor's county issued cell phone bills were extremely high for several months over the past two years. Many of the phone calls made and received, were on non working days. During his interview, Det. Taylor admitted that he has used his county cell phone for personal calls over the past two years. He also said he knew the policy about reimbursing personal cell phone calls, but made no effort to follow this even though, according to him, he has done so in the past.

This investigation also found that some of Det. Taylor's behavior during the month of March 2011, is in direct conflict with our policy regarding "Off Duty Conduct". Det. Taylor recently found out that his ex-wife was seeing another man and used the WSP ACCESS system to run a check on this person and their vehicle plate. (The ACCESS policy violations were investigated in IA case # IC11-009). Det. Taylor continued to "investigate" this person on and off duty. He used the information he obtained from his computer checks to go by this person's house on numerous occasions while on and off duty and, at one point, even walked up to this person's residence and attempted to peer into the windows. Det. Taylor also made a concerted effort during this time to keep "tabs" on his wife after learning she was dating another person. He would constantly drive by her residence on and off duty in order to find out what she was doing.

His ex-wife recently reported to a mutual friend, who is a Commander with the Vancouver Police Department, that Det. Taylor had been showing up to her house "uninvited" and she was becoming a little concerned.

Recommended Findings:

After thoroughly analyzing all the documentation, data, witness statements, including Det. Taylor's own admissions, the IA Unit has come to the conclusion that Det. Taylor did in fact violate our Vehicle Use policies regarding <u>G.O. 01.16.010 PURPOSE VEHICLE USAGE</u>; and <u>G.O. 01.16.052 DE MINIMUS PERSONAL USE OF COUNTY VEHICLES WHILE ON DUTY</u> and recommends a finding of **SUSTAINED**.

The evidence also shows that Det. Taylor also violated our Vehicle Use policy regarding <u>G.O.</u> <u>01.16.037 UNAUTHORIZED PASSENGERS</u> and recommends a finding of **SUSTAINED**.

The IA Unit also believes the evidence shows that Det. Taylor violated the G.O. regarding Cell Phone usage <u>G.O. 01.35.090 CELLULAR PHONE</u> and recommends a finding of **SUSTAINED**.

This investigation also discovered that Det. Taylor engaged in off duty conduct that would discredit the Sheriff's Office and is in violation of $\underline{G.O.~01.29.310~OFF~DUTY~CONDUCT}$ and the IA Unit recommends a finding of **SUSTAINED.**

01.16.010 PURPOSE (VEHICLE USE)

The purpose of this general order is to establish a policy and a set of uniform procedures dealing with the use of motor vehicles by employees of the Clark County Sheriff's Office. The proper use of a motor vehicle represents a responsibility of the Sheriff's Office and its personnel extended to and expected by the people of Clark County. Misuse of or negligent disregard for this responsibility will not be tolerated by the Sheriff's Office. It is imperative that the Sheriff's Office and its personnel operate motor vehicles in a manner worthy of the trust and respect of the people of Clark County. Except as allowed by law, employees operating motor vehicles shall conform to all laws regulating traffic and set an example of good driving to each other as well as to the public. Each employee of the Clark County Sheriff's office shall be responsible for adhering to this policy concerning motor vehicle usage. The policies and procedures of the Clark County Sheriff's Office are intended to be consistent with the requirements of RCW 46.61.035.

01.16.052 DE MINIMUS PERSONAL USE OF COUNTY VEHICLES WHILE ON DUTY

The Sheriff's Office recognizes that providing take-home vehicles provides a benefit to the community, this agency, and the employee. The assigned vehicle shall not be used for personal gain. However, it is further recognized that due to the length of shift hours and days of work, there may be times in which employees may need to utilize a County vehicle for personal business while on duty. Personal use that is permissible should be restricted to brief stops to conduct essential personal errands which do not deviate significantly from the normal route or distance to and from work or current beat assignment. Examples of permissible use may include, but not be limited to; taking children to and from day-care or school while the employee is en route to and from work, picking up a prescription or other essential medications, minor routine banking, etc.

Nothing in the section allows for the use of a County vehicle as transportation to any tavern, bar, saloon or similar establishment unless it is in the course and scope of their official duties.

01.16.037 UNAUTHORIZED PASSENGERS

Deputies should not transport persons in department vehicles unless such transportation is in connection with official department business or prior approval granted by the Sheriff or his designee.

01.35.090 CELLULAR PHONES

The purpose of the cellular phone is to increase communication availability for employees and for the citizens we serve. Radio air time is limited at times and cellular phones provide an alternative method for employees to communicate with citizens, law enforcement departments and other agencies. This also provides employees the ability to return phone calls promptly, contact citizens directly and communicate directly with staff.

The following will be the guideline for the use of cell phones:

- 1. Cell phones will only be used for department business and will not be used for **personal** use, except to make emergency/priority calls to the employee's residence. Refer to Reimbursement Policy for Personal Use of Cell Phones 01.35.095.
- 2. Lengthy conversations shall be kept at a minimum. If a long conversation is anticipated, employees should not use cell phones.
- 3. Employees are reminded that calling from one cellular telephone to another results in double charges to the department. The department is charged for the employee making the call and for the employee receiving the call. Therefore, employees shall restrict the use of cellular telephone calls to **priority** department business only.
- 4. Employees are restricted from making long distance phone calls on cellular phones. Long distance phone calls should be made from precinct or other county offices. In the event employees are traveling out of county, and are unable to utilize a standard telephone and billing card, cellular telephones may be used. However, any long distance call time should be kept to a minimum.
- 5. Except in extreme circumstances, employees are prohibited from using County Cell Phones for the purpose of text messaging.
- 6. Sheriff's Office blue tooth devices should only be synced and used with County Cell phones.
- 7. The Property/Logistics Manager will provide copies of cell phone bills to employee supervisors to review for excessive calls and abuse.

01.29.310 OFF-DUTY CONDUCT

All employees shall maintain the highest standards of conduct and will avoid any conduct which would discredit the employee or the Sheriff's Office. Off-duty deputies should perform necessary police service in Clark County whenever public safety is urgently required. While off duty and within the jurisdiction of Clark County, deputies should carry official identification when in public.

Investigation:

This investigation was initiated on March 15, 2011, after the IA Unit received notice that Det. Taylor had possibly been using the ACCESS system for his own personal use. After this ACCESS allegation came to our office, other possible policy violations surfaced resulting from that investigation and have lead to this investigation.

This investigation is separated into four sections:

- A. Vehicle Use / AVL (Automatic Vehicle Locater)
- B. Cell Phone Use
- C. Off Duty Conduct
- D. Other

Vehicle Use

On March 15, 2011, I spoke with Sgt. Alex Schoening regarding some of Det. Taylor's behavior and actions while they had worked in the traffic unit together from March 2009 – March 2011. Sgt. Schoening was a detective during that time and was promoted to the rank of Sergeant in February 2011. Sgt. Schoening and Det. Taylor were the only two traffic detectives for the last two years and he had a close working relationship with Det. Taylor and also considers them to have a "friendly" relationship.

Sgt. Schoening had initially contacted me regarding a possible ACCESS violation that Det. Taylor might have committed. This ACCESS issue has already been investigated by the IA Unit (IA case # IC11-009).

After talking about the ACCESS issue, Sgt. Schoening told me he suspected that Det. Taylor had been using his work vehicle for personal use for the past two years. He said when Det. Taylor had joined the unit in 2009, his work vehicle mileage was significantly lower than that of Schoening's. Sgt. Schoening said he had recently noticed that Det. Taylor's mileage had surpassed his by a large amount. Sgt. Schoening also told me that on a weekly basis, Det. Taylor would ask him what his vehicle mileage was. Sgt. Schoening thought this odd, and would sometimes comment to Det. Taylor that he was putting a lot of miles on his vehicle and, in a round about way, suggested that he should not be using his vehicle on his days off for personal use. Sgt. Schoening said he would see Det. Taylor on his days off driving his vehicle to the office and would mention to him that he shouldn't be working on his days off.

Sgt. Schoening said he was aware that Det. Taylor only had one personal vehicle, and this was used by Taylor's wife since she is a realtor. Sgt. Schoening said he knew Det. Taylor had sold his BMW soon after joining the traffic unit in 2009. Sgt. Schoening suggested to Det. Taylor several times that he should buy a vehicle and even offered to let Det. Taylor use his truck if he needed transportation. Det. Taylor never used Sgt. Schoening's personal vehicle.

Sgt. Schoening said he "deduced" that Det. Taylor was using his work vehicle on his days off based off their mileage readings. One time, Det. Taylor told Sgt. Schoening that he was trying to "rack up" his miles, hoping that he would get a new vehicle once his reached the 130,000 mile

mark. This comment was made in reply to Sgt. Schoening questioning Det. Taylor as to why he asked about his mileage all the time.

On April 13, 2011, Sgt. Schoening participated in an IA interview to discuss this and other matters pertaining to Det. Taylor's recent behavior. The following quotes are taken from his interview regarding his suspicions about Det. Taylor's personal use of his work vehicle:

HORCH: Through that two years did you ever have an opportunity to find out his

mileage towards the end, you know, a month or two or three ago, and did

you ever have any conversation with him about the mileage?

SCHOENING: Uh, again, never firsthand knowing what his mileage is. I remember

having multiple conversations with Ryan about his mileage and they were initiated by him. He would ask what his ... what my mileage was in my

car.

HORCH: Would he ask you on a weekly basis?

SCHOENING: Oh, yeah.

Later in the interview –

HORCH: Okay. Did you ever question him about his mileage, like, "You're driving

a lot of miles," or, "I see that you're driving a lot of miles?"

SCHOENING: I did, I told him, "It looks like you're driving," you know, "you're putting a

whole lot of miles on."

HORCH: Seriously or jokingly or kind of both?

SCHOENING: Oh. both.

Later in the interview –

HORCH: Were you concerned after he sold the BMW, um, that he was possibly

using his county vehicle for personal use, also?

SCHOENING: I believe that he was ... I assumed that he was doing a lot of driving that

could incur personal use, based on the amount of miles he was driving, but I would ... I would weigh that against ... I think I would have an

but I would ... I would weight that against ... I think I would have an

argument inside my own brain, "Well, he is working a lot of OT and driving

a lot --"

Later in the interview –

SCHAUB: Did he have any other vehicle other than the BMW?

SCHOENING: His wife's ... his wife's car. I believe they had a Tahoe. Yeah.

HORCH: Do you know if he drove that on his days off or do you know -- did you

ever see him driving it?

SCHOENING: Well, they were ... they were separated a lot of the time. I know that after

they decided or, I don't know if it was mutually, but the marriage wasn't going to work, he was living at home while she was living at home and I don't know if he drove the car then, but I do know that he -- I don't know

he drove the car a whole lot.

HORCH: Did you ever suggest to him that he should buy a car?

SCHOENING: Yeah. Yes.

HORCH: Why ... why did you do that?

SCHOENING: Because it seemed like he needed to get around. And I ... I remember

having just a side conversation with ... with Deputy Luque and again, just, "Yeah, Ryan's borrowing my car." And I know that ... knew that, you know, he'd go visit family members and I think they live in Tri-Cities or Wenatchee or somewhere. And I offered ... I even offered him my truck to borrow one time. I said, "I'm sorry, it doesn't have a bunch of seats in

it, but any time you need to borrow my car." You know.

HORCH: Did he ever borrow it?

SCHOENING: no.

Sgt. Schoening went on to talk about some of the other problems Det. Taylor was having at work. Some of these included, not being able to prioritize his work and the amount of stress that Det. Taylor would put on himself. Some of these comments are included in the "Other" section of this report.

On April 12, 2011, Deputy Chris Luque participated in an IA interview. Deputy Luque became involved in this investigation since he has been discussing some of his observations about Det. Taylor with Sgt. Schoening. Deputy Luque and Det. Taylor are good friends and Det. Taylor even lived with Deputy Luque for a few months last year while he and his wife were having problems. The following excerpts are Luque's observations about Det. Taylor's county vehicle use.

HORCH: But you've had discussions with Alex Schoening about him, Ryan, using

his vehicle in the past?

LUQUE: Yes, sir.

HORCH: Which would entail what? Which ... what did you guys discuss?

LUQUE: It's more just him using his vehicle, but him not having another vehicle to

use, so --.

HORCH: Are you, are you saying that, are you saying you thought he was

working ... using his work vehicle?

LUQUE: Yes, sir.

HORCH: On -- for personal business?

LUQUE: Yes, sir.

Later in the interview -

HORCH: Did he ever bring any other vehicles over to your house?

LUQUE: No.

HORCH: Did you ever see him come over to the house with anybody else in the

vehicle, like his kids?

LUQUE: At that time? I don't ... I don't remember.

HORCH: You mean, at that time that he was living with you?

LUQUE: Yes.

HORCH: Okay. Have you ever ... has he ever --

LUQUE: Yes.

HORCH: -- done that?

LUQUE: Yes.

HORCH: Before or after that time that he lived with you?

LUQUE: After for sure. I don't remember if it was before.

HORCH: Was he in uniform?

LUQUE: No. On some of the occasions, no.

HORCH: How many occasions do you think there were?

LUQUE: Um, God, I couldn't even begin to guess. More than just a couple. You

know, more than one or two, I should say.

HORCH: At least three or four?

LUQUE: Yeah.

HORCH: Okay.

LUQUE: Yeah.

HORCH: Did you ... do you know what he was doing? Did he ... did he -- why did

he come over there to say hi or what was the purpose?

LUQUE: Eh, you know, I don't even remember why. I mean, it was for probably to

say hi or maybe he was picking stuff up for me at the time or --

HORCH: Okay.

LUQUE: -- I don't remember, but it wasn't ... I don't remember the reason.

HORCH: He wasn't on his way to work and dropping the kids off --

LUQUE: No.

Later in the interview -

HORCH: Okay. So with your discussions, you said you did discuss with him about

purchasing another vehicle?

LUQUE: *Mm-hm.*

HORCH: And why was that?

LUQUE: I knew he didn't have one. And obviously, had nothing to drive. So it was

kind of forcing him to use his work vehicle, I'm sure, more than I can only anticipate, just based on what ... the few times I saw him, and I know that me personally, I know you have to go to the store, you have to go places,

so --.

Later in the interview -

HORCH: Did ... did you ever give him kind of a friendly warning or anything like

that, like, "You shouldn't be driving your county vehicle," if that's what you

though, or anything like that --

LUQUE: You know --

HORCH: -- discussion?

LUQUE: -- like, we talked about, I insinuated on it. I don't think I was very clear on

it. Um, you know, it's kind of, well, I think like we said, you're talking about a guy that's been on a year and half telling a guy that's been here

ten years that knows -

Later in the interview -

HORCH: Okay. In your mind, though, not saying it, what were you thinking when

you were insinuating this? Did you think he was doing things he shouldn't be as far as county policy? Did you think he was making a mistake?

LUQUE: Yeah. I mean, I knew that -- I know the vehicle use policy and I know that

it's forgiving on certain circumstances as far as, you know, technically some people use it to go do their dry cleaning and use it -- I mean, far beyond what I use it for. But again, I know ... I have ... I could only

assume that the car had to have been used more than ... than needed, obviously.

HORCH: Okay.

LUQUE: Because again, I know what I have to do on a daily basis as far as going

to the store and going to here and going to there.

HORCH: Did you ever see him drive to the store or to the movies or anything other

than --

LUQUE: No. I never --

HORCH: -- bringing his kids over?

LUQUE: I never saw that. And to be honest with you, he never mentioned it to me.

I mean, it never came up in a conversation, "By the way, I drove my car

here."

HORCH: Okay.

LUQUE: But yeah, I'd see him showing up with the kids several times.

HORCH: Okay.

LUQUE: Enough to go, you know, it's -- he's using it as a transport.

The following chart is a break down of the miles driven and the averages of three traffic units for a two year period. The "days worked" calculation comes from adding up all of their regular hours, call back hours and overtime hours for this two year period and dividing that number by 11.75 (which is a work day). It should be noted that I researched and looked up every single work day, to include all overtime hours for Det. Taylor, Sgt. Schoening and Deputy Harada for a two year period. I also researched all of their mileage readings and fuel fill ups from the county shops computer system.

On April 21, 2011, Det. Taylor participated in an IA interview held at the Sheriff's Office Headquarters. Also present was Det. Rick Buckner as guild representation. Det. Taylor read his employee rights and his Garrity warnings and acknowledged that he understood them. This interview covered numerous topics, and when it came time to talk about his work vehicle usage, I started off the questioning as follows;

HORCH: -- that we have here, okay? It's been alleged that for the past two years

you've been using your county vehicle for personal use. That's one of the

main allegations that we're talking about here.

TAYLOR: Okay.

HORCH: Do you have anything to say about that? Beyond what you just read

here, beyond what would be considered normal in our work functions, other than going to the bank, dropping kids off on the way to work, returning a movie while you're working, you understand all those, right?

TAYLOR: Yes, sir.

HORCH: Okay. Beyond that, that's the allegation for the past two years within the

past two years, that is the allegation. Have you been using your county

vehicle for personal use?

TAYLOR: Yes.

HORCH: Okay. How much ... how many times, if you can come up with a number,

or how many miles, just a ballpark figure if you can figure it out, and from when did you start using your Expedition that was assigned to you in

March of '09?

TAYLOR: Um, I couldn't give you, uh, miles. Um, I've always attempted to, uh --

well, in 2009, when I got into the unit, um, uh, I still had ... I still had a

personal car for, um, I'm not sure exactly when --

Later in the interview -

HORCH: Okay. May, June. You go down to one vehicle, you and Deanna are still

together

TAYLOR: Still together

HORCH: Living at the house. So from May or June, 2009, until you move in with

Chris Luque in April of 2010, how much do you think you drive your county vehicle outside of our policy or did you drive the county vehicle for

personal use?

TAYLOR: Um, I ... I don't want to say that I didn't, but I didn't much. I mean, it was,

I, uh --

HORCH: Outside of the policy, correct? You're reading it right here.

TAYLOR: Right.

HORCH: Okay. So there were some times, you just don't know how many?

TAYLOR: Yeah, uh, because --

HORCH: And what would you do? Did you --

TAYLOR: Uh, well, for example, I know for example, um, if, uh -- I would, I mean,

like, uh, I'd go to the kids' function at school since it was so close, but if ... if my wife, if she couldn't ... if she couldn't come pick me up, I remember that happened one time, because she's like, "Can you meet me there?" And I'm like -- I remember that happened once. That's -- it was two miles from my house, but I did that. Um, but honestly, I was, uh, you know --

HORCH: If she was gone with the Tahoe and you needed to do something, would

you take your county vehicle?

TAYLOR: If I was in a bind. Well, here's what -- if ... and here's where I know that

this is still considered personal use. I would call Chris and say, "Hey, I need to," you know, "do something. Can I borrow your truck," and he would say yes. Or Maxfield or my in-laws. And I would have to drive from my house to that location to get the car. I would -- yeah. So I know

that --

HORCH: How many times do you think you did that from --

TAYLOR: Um --

HORCH: -- 2009 to 2010? June 2009 to --? Several or --

TAYLOR: Yeah. Yeah.

HORCH: Okay. Any other places?

TAYLOR: Um -- (sighs).

HORCH: There's some you just can't remember?

TAYLOR: Yeah.

HORCH: Okay.

TAYLOR: I know I ... I, you know, I ... I really, um, tried to show my wife the

sacrifices I was making in order to, um, so that's why I didn't go get another car, because we were still doing okay up until April. Um, but, uh, but I know, yeah, I mean, I tried to be as good, you know, like I said, I used ... I used my in-laws, I live really close, I'd go over there and grab a

truck.

Later in the interview -

HORCH: Okay. Did you ever put ... did you ever fill up the car, then, with your own

personal credit card?

TAYLOR: I have, yes. Well, I've put --

HORCH: You have?

TAYLOR: I've put gas in it, yes.

HORCH: Okay. When did you do that? How many times have you done that?

TAYLOR: Um, well, not that often, but, uh, I did it a couple of times. Uh --

HORCH: During that year, do you remember doing it?

TAYLOR: Well, I don't know if it was that year --

HORCH: Okay.

TAYLOR: -- or this last year.

HORCH: Okay.

TAYLOR: I don't remember.

HORCH: Do you, do you think you have receipts or would they be on a MasterCard

statement or a Visa statement?

TAYLOR: No, I don't -- I, uh, I always pull money out because of working the desk.

1 ... 1 --

HORCH: You pay cash?

TAYLOR: I pay cash.

Later in the interview -

HORCH: How many times do you think he (Luque) talked to you about buying a

personal vehicle?

TAYLOR: A couple of times. But honestly, I think it was he asked what I was

driving, but --

HORCH: He asked what you were driving as far as your personal vehicle?

TAYLOR: Mm-hm.

HORCH: And what would you say?

TAYLOR: Uh, I would say, you know, I'm borrowing my in-laws or, you know, I was,

like I said, until, you know, being back with Deanna, I would ... I would use her car again. I mean, when we moved back together in August, I mean, it was ... I knew it was coming, but we ... I would still use her car.

Um --

HORCH: When you guys were separated, when you were living with Chris Luque

when it was your days off and you would go home and stay and Deanna

would live with a girlfriend?

TAYLOR: Right.

HORCH: What would you drive during that time?

TAYLOR: I would, if I needed to borrow a car, I'd borrow my in-laws or I'd borrow

Chris's truck or Tom Maxfield's truck. But I ... but I still had to drive from,

you know, to one of their places. Um --

HORCH: How far does Chris Luque live from you? An estimation.

TAYLOR: Ten minutes.

HORCH: So --

TAYLOR: Ten miles.

HORCH: -- five, six, ten miles?

TAYLOR: Ten miles.

HORCH: Your in-laws?

TAYLOR: Two ... about two miles.

HORCH: And Tom Maxfield?

TAYLOR: Almost identical to Chris's. Um --

HORCH: Another ten miles. Okay. Anybody else –

At one point in the interview, Det. Taylor said that some of his additional miles might be from a trip he took to Kennewick Washington for training. He said that last September, he and Deputy Luque went to Kennewick for a traffic school. Det. Taylor said that he drove back and forth to Kennewick three times that week. I asked why he did this and he said it was to pick up materials for the class they were attending. This excerpt is from that part of his interview.

SCHAUB: Okay. Kennewick's about three and a half hours one way?

TAYLOR: It might be three hours, yes, sir.

SCHAUB: Three hours?

TAYLOR: Yeah.

SCHAUB: A long drive. You were authorized a hotel, correct?

TAYLOR: Right.

SCHAUB: For that time period?

TAYLOR: With Chris Luque, yeah.

SCHAUB: Okay. Did Chris stay there?

TAYLOR: He did.

SCHAUB: Okay. Uh, did you make any arrangements to make that trip back and

forth with your supervisor? Did he even know that you were coming back

every day?

TAYLOR: No, I think like I said, I'd just been talking with Alex and I know one -- I

came back the first night for equipment, um, went back, um, came back the next night -- I stayed ... I stayed one night there, I think I stayed Thursday night there because I had -- it was, we both went up early on ... on Monday morning, so I was there -- I drove home Monday, Tuesday

and Wednesday.

SCHAUB: And why is that?

TAYLOR: For -- 'cuz I, um, uh, I had, uh, my task that I was given was pretty

detailed, um, and I was coming back for photographs and reports from the Kerry Brown and Steven Dobbs fatal to use in my presentations. Um, I came back for equipment, I worked on the presentation, gave the presentation, came back and worked on another presentation, um, and Alex had helped me, um, on the one ... on those ... on that stuff. So I used ... he was a resource for me, uh, so I could -- I just wanted to do an excellent job. Um, the SFST instructor class is really, really important to

me. The DUI stuff is extremely important to me and, um --.

HORCH: Did the instructors know you were coming back?

TAYLOR: I think -- yeah, yeah. Sergeant McCullough.

HORCH: Three ... three times you came back that week?

TAYLOR: I think was three.

HORCH: Monday, Tuesday, Wednesday?

TAYLOR: I think it was Monday, Tuesday, Wednesday.

According to Map Quest, these Kennewick trips would have totaled 1,750 miles for the week.

Throughout his interview, Det. Taylor admitted to driving his work vehicle during off duty time over the past two years. In reading the entire transcript, there does not seem to be any plausible explanation as to why his mileage rose so fast compared to that of Sgt. Schoening's and Deputy Harada's, unless he had been driving on his days off. Near the end of the interview, I again ask Det. Taylor for an estimate of how much he thought he used the county vehicle for personal use. The following is his response.

HORCH: Okay. So you've read those. Let's go for the ... for the 21 months that

you only had one car, how many times or how many mileage do you think that you went outside of the policy and how many times do you think you had unauthorized people as far as not taking your kids to school on your

way to work. Can you give us a ballpark figure?

TAYLOR: (Ten second pause) I ... I ... I did it. I just ... I don't have no idea how I

could put a number on --

HORCH: Well, I think we have at least -- I don't want to put words in your mouth --

at least mentioned eight, nine, ten times and, and several different things you'd done, so we're at least looking at ten times that you can remember,

would that be fair to say?

TAYLOR: Oh, yes.

HORCH: Okay.

TAYLOR: Yes.

HORCH: "Oh, yes" means, is it a thousand times?

TAYLOR: No.

HORCH: Okay.

TAYLOR: Well --

HORCH: So --

TAYLOR: But --

HORCH: Fifty times, a hundred times?

TAYLOR: I'm trying to think of how many times I would have gone to Tom's to use

his truck or I --

HORCH: How many times did you use Tom Maxfield's truck?

TAYLOR: Oh, um -- heck.

HORCH: I mean, just the time that we talked about in the beginning of March, it

sounds like you used your vehicle, county vehicle, four or five times just in

that span for personal use, when you were going back and forth to

Deanna's, to the store, over by (unintelligible). And you had a personal

vehicle at that time, correct?

TAYLOR: *Mm-hm*.

HORCH: I mean, just in that span, unless I'm missing something, it was almost all

the way through March 14th until you took the Tahoe over there, that you were using the county vehicle, correct? Outside of the county policy.

TAYLOR: *Mm-hm.*

HORCH: Is that correct?

TAYLOR: Yes. Well, I, um, I will say that I ... I really did make, uh, a ... a big -- I

mean, I would ... I would use my in-laws truck, I would use, you know,

Tom's truck, I would Chris's truck.

HORCH: We're talking about just what you told us here.

TAYLOR: Right.

HORCH: And you -- when we clarified with you, you told us you were using your

county vehicle for all --

TAYLOR: Yes.

HORCH: -- those trips.

TAYLOR: Yes.

HORCH: That's what I'm talking about.

TAYLOR: Okay. Yeah.

HORCH: Right here in March, we're talking four or five or six times that you've

mentioned that ... those days, even though you had ... you had a bought a

new Chevy Tahoe. Or, a Chevy Tahoe.

TAYLOR: Yes.

HORCH: Is that correct?

TAYLOR: Yes.

HORCH: So just in March we're talking, you know, three or four or five times. At

the minimum.

TAYLOR: Okay.

HORCH: Looking -- is that right?

TAYLOR: Yes.

HORCH: Okay. And you have no explanation why you wouldn't use your own

vehicle on those times? When you were at home, you have your Tahoe in the garage and you have your county vehicle and you know you're going to go do ... you know what you're going on is not work-related, but you still took the county vehicle. Do you know -- can you give us an

explanation?

TAYLOR: Um, uh, I have some, uh, I have some -- when things get really -- and this

doesn't happen, but it's happened certainly this week, um, when things get really difficult, um, my ... I have some things that kind of help me stay ... my OCD type of things and I have -- (sighs). And if ... if I don't do these ... some things, then, um, I believe bad things are going to happen.

And, well, every time I get in my patrol car, I'm doing certain things that I have to do in order for me to think things would, you know, would be all right. And in doing this, it was, I just wanted things to be all right.

HORCH: I ... I think I understand some of that, but I just want to clarify a little bit.

Would you say it's a comfort zone? Is ... is that what you're trying to say

or is that? Is --

TAYLOR: Every time I --

HORCH: Can you explain a little bit more? I mean, I'm trying to understand.

TAYLOR: Um, (unintelligible) say -- and I don't want you to think that I'm nuts or

loony, um, because I'm doing so much better now with my counseling and I wasn't under this kind of stress all the time -- but when things get like that, um, if I don't kind of follow a certain regimen, then, mm, things will

just -- I just felt things were more than I could deal with.

This was for the most part, the end of the questioning when it came to Det. Taylor's county vehicle use.

The following is a synopsis of this county vehicle use issue:

Sgt. Schoening and Deputy Luque are co-workers and friends with Det. Taylor. They both suspected that he was using his assigned work vehicle for personal use – hence the reason they mentioned helping him look for a personal vehicle to purchase. During Deputy Luque's interview, he mentioned several times when Det. Taylor would come over to his house on non work days driving his work vehicle. He also said Det. Taylor would bring his kids along with him. Det. Taylor also admits to this in his interview that he would drive to and from Deputy Luque's and Tom Maxfield's (another friend of Taylor's) house while off duty. Both of them live approximately 12 miles from Det. Taylor's residence.

During his interview, Det. Taylor reviewed the mileage chart. He seemed somewhat surprised after seeing it, and said he had not realized he had driven that many miles more than Sgt. Schoening and Deputy Harada. He did say that he worked more hours, however, I pointed out that his extra hours were a moot issue since all of their hours were calculated, including call back and overtime, and were averaged into this equation. Obviously, since Det. Taylor worked more days his mileage would be higher. But the average per day is the number that is the most

significant. A quick calculation shows that if Sgt. Schoening and Deputy Harada had worked the same number of hours as Taylor for a two year span, then their mileages would be around 35,002 for Sgt. Schoening and 29,190 for Deputy Harada.

Another factor in this equation, is that Det. Taylor said he would come into the office at least one out of his four days off to work. He even indicated that it might have been as high as two of his four days off. Det. Taylor's residence is 37 miles from the traffic office round trip. By taking 37 miles and multiplying it twice a week for two years, then subtracting that from his mileage of 52,914, still leaves 45,218 miles. This is still 15,722 miles above the average of Sgt. Schoening and Deputy Harada. (* See Conclusion on page 44 for cost analysis.)

I also calculated Det. Taylor's last year working as a Patrol Deputy before going into the traffic unit. I was only able to research from Jan 1, 2008 - Jan 1 2009. During this time, Det. Taylor put 19,901 miles on his patrol vehicle. Det. Taylor's average miles per day while working as a regular Patrol Deputy was 93 miles per day.

Det. Taylor said he would sometimes drive to Tom Maxfield's house, which is 23 miles round trip, in order to borrow Maxfield's car. He also said he drove to Deputy Luque's with his children in order to go boating. Deputy Luque's house is also 23 miles round trip. Det. Taylor would also stop by Deputy Luque's house several times with his children while in plain clothes on non work days.

Det. Taylor sold his personal vehicle (BMW) in May of 2009 and did not purchase another vehicle until the end of February 2011. Det. Taylor was married during this time and they only owned one vehicle, which was driven primarily by his spouse, who worked as a real estate agent. I have attached an "all vehicles registered" printout from the Department of Licensing which shows that he purchased his new Tahoe on 02-28-2011.

Even after Det. Taylor purchased this Tahoe at the end of February 2011, he still drove his county issued car when doing personal business. In March 2011 alone, there are at least six days in which he uses his work car for personal business. He even starts from his residence and takes his children with him in his work vehicle.

Det. Taylor was asked at the end of his interview as to why he would take his work car, instead of his own personal car, when he left his house on non work days, but he could never give any plausible explanation. He gave a long pause for the first time he was asked and then spoke about his "Obsessive Compulsive Disorder", and how he has to be in total control of everything. I again asked why he would take the work car over his own car and he said that it made him feel better, thinking he was at work.

The mileage that is entered into the gas pumps computer on his last work days, compared to when he would start work on the next cycle, differs several times in the fuel reports. There are several dates in which one hundred to three hundred miles more are added onto his mileage readings during his days off. Obviously, there could be times when Det. Taylor might go to training or other functions, but there is little, to no documentation on Det. Taylor's part to show this. There are even fuel fill ups in the middle of his Bereavement Leave in June of 2010. Det. Taylor could not remember how this would have occurred.

One possible explanation, according to Det. Taylor, as to why there were so many fuel fill ups recorded on his days off, was because he sometimes used his fuel key to gas up the EVOC cars when they were at PIR (Portland International Raceway) for training. This practice is not

allowed by the county shops, but in an emergency, there might be times when this might occur. However, when Det. Taylor worked as an EVOC instructor, he put in for overtime on his time sheets. I looked at every time sheet for the past two years, and if there was recorded time, I counted that as a work day. Even if the amount of hours were minimal, I still counted that as a work day. When looking at the fuel fill ups on days off, no work time is recorded for any of these days.

Det. Taylor told Sgt. Schaub in a phone call the day after his interview that he had left for Texas on June 12, 2010, for a funeral, and returned on the 15th. His time sheet indicated that his Bereavement Leave continued for another two days, (16th & 17th of June) and he came back to work on the 23rd. The county shops fuel log shows a fill up on June 17th and again on the 22nd. Det. Taylor last worked before his Bereavement Leave on June 9th. He then returns back to work on June 23rd. According to Det. Taylor, no one else used his vehicle during this time.

The following fuel chart is taken from the county shops automated fuel log.

#1. FLT SHER **S19-0958(vehicle** #)5522 **06/08/2010 19:01 (time) Mileage/113,006 24.4 9(gallons)**

Det. Taylor works on June 9th (last day before Bereavement Leave).

Det. Taylor takes Bereavement Leave starting June 10th.

Det. Taylor leaves for Texas on June 12TH - returns on June 15TH.

Det. Taylor takes June 10TH, 15TH, 16th, 17th, 18TH as Bereavement Leave (according to time sheet).

Det. Taylor's regularly scheduled days off are; June 11th, 12TH, 13TH, 14TH, 18TH, 19TH, 20TH, 21ST and 22ND.

#2. FLT SHER **\$19-0958(vehicle #)**5799 **06/17/2010 22:00 (time) Mileage/113,293 16.3 (gallons)**

#3. FLT SHER **\$19-0958(vehicle #)**5904 **06/22/2010 14:24 (time) Mileage/113,393 21.0 (gallons)**

Det. Taylor returns back to work on June 23rd.

#4. FLT SHER **\$19-0958(vehicle #)**6012 **06/25/2010 15:16 (time) Mileage/113,548 16.2 (gallons)**

This was just one example of Det. Taylor's vehicle showing up on the fuel log system on his days off. There is another one in July of 2010 that is very similar to this one. All fuel reports for the last two years are attached with this report. It should be noted that I also looked at the "I NET VIEWER" log which shows when employees actually log onto their computer through 911 Dispatch. This was done just to be sure that even though there was no time recorded on his timesheet for these days, he still might have logged onto the computer to do some work. The "I NET VIEWER" did not show any activity for Det. Taylor from June 12th – June 22nd.

It should be noted that Det. Taylor's work vehicle is an "unmarked" Ford Expedition (SUV), silver in color. There is a spotlight mounted on the driver's side. Other than the spotlight, there are no

visible large police antennas and no markings on it whatsoever. Attached to this report are photographs of his vehicle.

* Correction Note – During Det. Taylor's interview, I showed him the mileage chart that is listed on page 11 of this report. I asked why there might have been "38" fuel fill ups on of his days off over the past two years. I misspoke, and should have said "32" instead of "38". The chart on page 11 is correct with "32" showing as the number of fill ups on days off. When I was listening to his interview for the second time, I realized this mistake. I sent the CCSO guild a notice about this error. At this time, I do not believe this error is significant enough to re-interview Det. Taylor about this matter. There was not much of an explanation the first time I asked him about this.

AVL (Automatic Vehicle Locater)

Another issue that came up while talking with Deputy Luque was that at one time, within the past year or so, he was riding with Det. Taylor when he noticed his AVL (Automatic Vehicle Locater) system was not working properly on his MDC computer. The AVL system is basically a GPS for the vehicle and it allows 911 Dispatch to know the location of each patrol vehicle when they are logged onto the system and working. This is mainly for officer safety reasons and also to locate the closest units to high priority calls.

After noticing his AVL was not working properly, he tells Det. Taylor he could "fix it" since he knew how to update the AVL. Det. Taylor told him not to, and made a comment insinuating that the department didn't need to know where he was. Deputy Luque said he actually tried to physically move the MDC so that he could look at fixing the AVL, but Det. Taylor moved the computer back and said he did not want it fixed.

Deputy Luque went on to say that one of the reasons he wanted Det. Taylor's AVL system to be working correctly and turned on, was because it might help set up some barriers or "fences" for Det. Taylor. He thought Det. Taylor might not be making good choices in his life, especially by using his county vehicle so much, and thought the AVL might make him more accountable. The following is Deputy Luque describing his AVL conversation with Det. Taylor.

HORCH: Okay. Talking about his vehicle, did you have an opportunity to drive with

him in his vehicle and did you notice that his computer system, that the

AVL -- which for the record, is basically our GPS system.

LUQUE: *Mm-hm.*

HORCH: That his AVL was not working?

LUQUE: Yeah, I did. I was trying to remember when I was in it, and I've obviously

been in his car several times, but I know we were going to do a search

warrant up at TLC.

Later in the conversation -

LUQUE: And I told him I would fix it or, you know, "Oh, your AVL's not working,"

and I know when I swung the computer towards me, "No, no, leave it alone, leave it alone," and he pulled it back, because I have a, from the MDC group, I have the ... the drive that turns on ... restarts our AVLs.

HORCH: Okav.

LUQUE: And I know we have to ... we had to do to that to every single car, we had

to restart the AVL when the new system came on, so --. But he had pulled it away from me and told me to leave it alone and didn't need to do

it or whatever. Didn't want me touching it.

HORCH: Did he say anything that, "They don't need to know where I'm at," or

anything like that?

LUQUE: Yeah, I think I remember, "They don't need to know," or, "It doesn't

matter," or --

HORCH: Was he serious or joking or do you remember the context it was said in

or --?

LUQUE: Eh, if it makes sense to you, seriously and joking --

HORCH: Okay.

LUQUE: -- in that he wasn't mad at me or, you know --

HORCH: Sure.

LUQUE: -- telling me but he's basically serious enough that don't touch the

computer.

HORCH: Okay.

LUQUE: Pulling it back and kind of -- I think he kind of laughed at me about it, you

know, like, "Leave my computer alone," and this and that, because again,

it was hand in hand with me --

Later in the interview -

HORCH: Sure. Did you try to start it or do it again? Did you ever have another

conversation about his AVL?

LUQUE: You know, I know I was in there again and had brought it up or

something, and said, you know, I think I told him, "I'm going to turn it on when you're not paying attention. One of these days I'm going to get it

turned on for you."

HORCH: And why did you -- what's the purpose of the AVL?

LUQUE: You know, to be honest with you, in my mind it was ... I was trying to help

him in two ways. One, it's --

Later in the interview -

HORCH: So there was two purposes, kind of you were saying about why you were

discussing his AVL with him.

LUQUE: You know, one was that ... the seriousness of safety, that it's ... I think it's

important to have the AVL. It gets frustrating when we're looking for somebody that their radio's not working and you can't find them and the AVL isn't on. And then two, I think it was subconsciously me trying to

help a friend of mine.

HORCH: Okay.

LUQUE: And I know that unfortunately, and that's the human nature that

sometimes, you know, when human nature starts to deviate a little bit there's that fence right there that goes, you know, "The fence is up, I'm not going to jump it." And I think without the fence -- I use the fence as another term -- without the fence up it's easier for us to just keep drifting maybe. And so I thought by ... by turning that on and ... and making sure

the fence, the fence was there, it would help maybe.

And again, I personally never knew specifically if anything ever was happening. As far as I'm concerned, the guy goes to work and he's trusted to carry a gun and do this job. I'm sure he does his job. But subconsciously I'm going, you know, this'll help ... help him if it's --

HORCH: You had suspicions and you were trying to set up a boundary. Is that --

LUQUE: I think that -- yeah.

HORCH: Okay.

LUQUE: I think it was just an easy way for me to ... to help him, you know, if there

ever was that thing of --

HORCH: Sure.

LUQUE: -- deviating in the back of your head, "My AVL's bubble's on, I know

where I'm going."

Later in the interview -

HORCH: Sure. Did you ever ... did you ever mention his AVL problem to anybody

else? Any other deputies?

LUQUE: You know, I don't remember, to be honest with you.

HORCH: Did you happen to mention it to Todd Young?

LUQUE: Actually, yes, I did.

HORCH: Okay.

LUQUE: Yes, thank you. I had myself and Todd were -- had the thumb drives. We

were literally going around and touching every single computer and raising the (unintelligible) rate to make them work. And I think I told Todd, you know, "If you get a chance, get to Ryan's computer. I noticed his wasn't working." I didn't have my thumb drive on me. My -- I think my reasoning behind me was I thought maybe if Todd calls him, and Todd's persistent saying, "Hey, I need to get your thing on, I need to come see it," it'd be harder for Ryan to go -- I didn't know if Ryan would tell him no.

HORCH: Okay. I see.

LUQUE: You know? Because he wouldn't want people to start knowing.

HORCH: Sure.

LUQUE: Uh, that was kind of my theory, maybe, that if ... if Todd was on him about

it, he'd have to finally break and go, "Okay. Geez, I've got to bring my thing in and get it done, you know, because they keep calling." You

know.

HORCH: Did Todd ever contact him, do you know?

LUQUE: I don't know.

This concluded Deputy Luque's interview regarding the AVL issue. During Det. Taylor's interview, I asked him about this AVL issue. The following is his response.

HORCH: Did anybody get in your car and say, "Your AVL's not working," and try to

re-hook it up for you and you did not let them?

TAYLOR: No. Chris Luque said that, because he was doing the new program and

the port opens sometimes and he said that if you ... you have to change

something, but it got changed, so --.

HORCH: Did he try to change it, when he was in your car?

TAYLOR: I don't ... I don't remember. Going to lunch, that was all --

(Buzzing noise)

TAYLOR: That's your alarm, sorry, for you. Um, um, I don't know. Um --

HORCH: When you were going to lunch with him, did he, one time, see your AVL

wasn't working and was going to re-hook it back up and you moved the screen or you moved the computer and said, "Don't touch it. I don't want --" "I don't want to hook it up. They don't need to know where I'm

at"?

TAYLOR: (sighs) I ... I ... I could have. I don't -- I honestly don't know. I don't --

HORCH: Were you saying in what manner? Was it a joking, was it serious? Was

it --

TAYLOR: Absolutely. I mean, that's all we do is joke.

HORCH: Absolutely what? Which one? Absolutely joking or absolutely serious?

TAYLOR: Absolutely joking. We, I mean --

Later in the interview -

HORCH: Why ... why -- if it wasn't working -- and he is pretty computer savvy, from

what I know of him, or electronic stuff -- why wouldn't you want him -- because the AVL, one of the main reasons is a safety function, correct?

TAYLOR: 'Cuz he -- well --

HORCH: Is that right?

TAYLOR: Yes, sir.

HORCH: Okay. It let's Dispatch no exactly where you at in case something

happens --

TAYLOR: Yes, sir.

HORCH: -- and they can relay. That's one of our main functions for the AVL,

correct?

TAYLOR: Yes, sir.

HORCH: Okay. So if he was trying to hook it back up, why wouldn't you want him

to?

TAYLOR: 'Cuz he's not doing that. He's doing that to mess with my computer.

When he ... when -- every time he got in my car I would ... 'cuz he just

knows that it drives me nuts.

HORCH: Do you think he was trying to screw with you and not hook up the AVL, is

that what you're saying?

TAYLOR: No, I think he's screwing with me, trying to make me go bananas with -- I

mean, he intentionally spills stuff in my car when he gets it and thinks it's

hilarious. I mean, it's -- I mean, he knows that my, my --

HORCH: Okay. Let's -- well, I want to talk just -- because I want to narrow this

down --

TAYLOR: Okay.

HORCH: -- because we're getting -- it's later in the day.

TAYLOR: Okay.

HORCH: The AVL is what I'm talking about. When he tried to, uh, hook up the

AVL, did you let him hook up the AVL?

TAYLOR: I ... I recall when he came in my car and saw the green light wasn't on

because -- it's nothing I did, it's the computer not booting. Um, uh, I mean, I'm not afraid of that, I just don't want him touching my stuff and

screwing with my crap. I mean --

This concluded the AVL part of his interview.

Paul Newman, with the Clark County GIS (Geographic Information System) Department, provided me all of Det. Taylor's AVL records from January 14th – March 16, 2011. There are over 31,000 records in this AVL file. Paul was not aware of the reason I wanted this data, and said the following to me just shortly after entering his office, "There is something unusual about this particular unit's AVL history." When I asked him what he meant, he told me that it seemed that on several of the records the AVL system would shut off and then come back on a while later. I asked if this could have been from turning the AVL system on and off in the vehicle, and he said yes. There are other factors that can affect this also, but Paul indicated this unit AVL history seemed to turn on and off more frequently than others he has reviewed. All of these records are attached to this report. At this time I have not researched all of these AVL records.

B. CELL PHONE USE

While investigating the vehicle use matter, the IA Unit also discovered some very high cell usage for Det. Taylor's county issued phone over the last two years. Det. Taylor's "allowed" minutes for his county cell plan are 330 per month. There are some months in which his minutes are; 501, 521, 573, 610, 647, 721, and 914. His average minutes used for this time period are 451minutes per month. ¹ There are numerous calls made during his regular days off, including his vacation days and family bereavement leave days. Det. Taylor admitted in his interview that he has used his work cell for personal calls over the last two years. He also said he was aware of the county's cell phone use reimbursement policy and thought sometime in 2005, he reimbursed the county for some calls, but has not done so since.

Det. Taylor said that he receives his cell phone bills, but has not looked at any of the calls over the past two years. Det. Taylor admitted that he takes his county cell phone with him "everywhere" since he might get a traffic callout, but that he also receives and makes personal calls on it.

In looking at each cell phone bill from the past 24 months, I calculated that there were at least 432 calls made on his days off. This excludes all work calls. There were approximately 1,345 minutes used for these calls. Just by counting calls made on days off, does not factor in that even calls made during his work hours, could also be for personal use.

_

¹ Note - even though Det. Taylor exceeded the allowed minutes per month, the costs incurred to the county were minimal and totaled out to be about \$6.00 dollars for the two year period.

In looking at some of the numbers that were called frequently, several numbers stood out on his cell statement. On April 29, 2011, I sent Det. Taylor an e-mail requesting that he provide me the information on four cell numbers. The following quote is directly taken from his e-mail;

"The number #607-3546 is for Tom Maxfield for Precision Weld Custom Boats.

The number #901-7014 is for Jennifer Doctor a friend from high school.

The number #771-8161 is for Aimee Matson from All-State Insurance.

The number #608-4735 I do not recall whose number that belongs too."

The first number is a friend of Det. Taylor's. There are a countless number of calls to and from this number. Some of the calls are; 21, 22, 26, 29, and 35 minutes long. These calls are made during work days and days off.

The second number is a friend of Det. Taylor's. Again, there are too many to add them all up. Some of these calls were 24, 25 and 42 minutes long. Calls to this number are made during work days and days off.

The third number, according to Det. Taylor, is an insurance agent with All-State Insurance. I first assumed this number might be work related, since the traffic detectives often speak with insurance companies. However, after seeing so many calls to this number, and the length of the calls, I decided to call this person.

On May 9, 2011, I called this person and spoke with an Aimee Matson. Aimee told me that I had called her cell phone. I explained to Aimee who I was and that I wanted to know if she knew Det. Ryan Taylor. Aimee said that she and Det. Taylor are friends and they have been talking while Det. Taylor has been going through his divorce. I never asked her what they talked about or why he called. She then said on her own, "He's been calling me about getting a house quote for insurance, that's why he's been calling me". I thanked Aimee for her time and ended the call.

The cell phone records show that over the past two years, Det. Taylor has called Aimee's cell numerous times and some of these calls are; 16, 17, 22, 32, 65, and 72, minutes long.

The fourth number was unknown to Det. Taylor. I later found out that this number is Sergeant KC Kasberg's cell phone number at work.

Det. Taylor does own a personal cell phone and has so for the past several years. He also indicated that there is no limit to the amount of minutes he can use on his cell plan.

I checked with the CCSO property unit, and they had on file a signed copy of the "Cellular Telephone Personal Use Reimbursement Agreement" signed by Det. Taylor on July 7, 2008. There is a copy of this agreement attached to this report.

The following excerpt is when Det. Taylor admits to using his county cell phone for personal use, and also admits he has not reviewed his bill in order to reimburse the county.

HORCH: Okay. Okay. That's what we're going to talk about next, is your county

cell phone. From over the last two years we've been talking about a two year span since you've been in the Traffic Unit. Do you believe that

you've used your cell phone for personal use, ever?

TAYLOR: Yes. sir.

HORCH: Okay. In that, have you reimbursed the county for ... for personal cell

phone calls?

TAYLOR: No, sir.

HORCH: Okay. Another big question that we've started off on the vehicle one, is

how often and how many times do you think you've used the county cell

phone for personal use?

TAYLOR: Um, uh, I ... I use my personal -- I ... I -- honestly, I do not know. I know

that, um, some months I'm over my minutes and some I'm right on.

Later in the interview -

HORCH: So some of those calls may be work-related, but they're ... but they're on

a day off, correct?

TAYLOR: Yes, sir.

HORCH: Is that a possibility?

TAYLOR: Yes, sir.

HORCH: Okay. Is it a possibility, also, that there's just personal calls --

TAYLOR: Yes, sir.

HORCH: -- on days off and on days on?

TAYLOR: Yes, sir.

HORCH: Okay. Um, some of the months have 720, 950, 560 minutes on them.

Some of those months are much higher than -- your average seems to be

about 350 to 420 for every month except several of those months.

TAYLOR: Okay.

HORCH: Okay? Was there a time when you didn't have your own cell phone and

you were using the county cell phone more?

TAYLOR: No, sir. I've always had mine.

HORCH: Okay. Do you carry your county cell phone with you all the time?

TAYLOR: All the time.

Later in the interview -

HORCH: So in two years, have you ever looked at your cell phone, gone through it

and audited it to some degree of, "I was off on vacation in Texas and these calls must have been personal," and did you reimburse them 20,

30, 40 dollars ever?

TAYLOR: No, sir.

HORCH: Okay. Did you ever think to look at your county cell phone bill?

TAYLOR: Um, uh, I ... I can say that I --

HORCH: Have you ever looked at it in the last two years and done a quick audit or

ever -- has it ever come to your mind that, "I'm using my county cell

phone more than I should"?

TAYLOR: No, sir. I ... I've I haven't gone through and looked at personal

compared to, um --

SCHAUB: Do you get that statement?

TAYLOR: I have --

SCHAUB: That's --

TAYLOR: -- absolutely.

SCHAUB: -- delivered to you and not your supervisor?

TAYLOR: Yeah. Oh, I'm sorry, the ... the copy of the bill? Yeah.

C. OFF DUTY CONDUCT

This investigation started on March 15, 2011, and was originally thought to have been about improper ACCESS use. Through interviews and other information, it was discovered that Det. Taylor was showing a pattern of behavior of off duty conduct that was unprofessional and discredits the Clark County Sheriff's Office. This mainly occurred from March 7th - March 15, 2011.

However, it should be noted that during his ACCESS investigation (#IC11-009), it was learned that Det. Taylor was also showing this same type of inappropriate behavior back in 2008. At that time, he had run unauthorized non work related ACCESS checks on a Garret Hergert, who he believed was having an affair with his wife. Det. Taylor admits to this in the ACCESS investigation interview and even admits to driving by Hergert's place of business after he obtains his information from ACCESS.

From the time Det. Taylor learned that his ex-wife was seeing another person, he used poor judgment by investigating who this person was. He uses the information he obtained from his ACCESS inquiries to drive by Michael Melton's address on NE 131st Avenue on more than one occasion. He does this on duty and off duty. He even drove family members by Melton's residence. Det. Taylor also went by his residence <u>AFTER</u> he was served with the "six part" complaint for the alleged ACCESS violation on March 15th.

One night, while off duty, he drove his personal vehicle to Melton's residence. Det. Taylor parks down the street from the residence and walks up to it. He said he wanted to "confirm" this was the same person he had seen with his ex-wife from back on March 7th. He tried looking into

several windows, but could not get a good look. He considered ringing the door bell, but decided not to.

On March 13th, around 1700 hours, Sgt. Kasberg witnessed Det. Taylor driving his work vehicle on his day off going South on NE 131st Avenue from 4th Plain (direction of Melton's residence). Sgt. Kasberg called Sgt. Neiman, who is Det. Taylor's immediate supervisor, and learned that Det. Taylor was not scheduled to work that day. Sgt. Kasberg wrote a memo detailing his observations. He also indicated in his memo that Sgt. Neiman told Kasberg that he had noticed lately that Det. Taylor's vehicle mileage was extremely high. This memo is attached with this report. The following is the excerpt from Det. Taylor's interview regarding this matter.

HORCH: You go by. Do you see her car or his truck there at his residence?

TAYLOR: His truck was at his residence.

HORCH: And what did you do then?

TAYLOR: Uh, I drove, um, up to her house --

HORCH: Did you ... did you stop and write down any plates? Did you get out of

your vehicle at all?

TAYLOR: No, I don't think I did.

HORCH: Did you walk up to his residence?

TAYLOR: Not in uniform. I don't -- uh, no.

HORCH: Have you ever walked up to his residence?

TAYLOR: Yes.

Later in the interview -

HORCH: Okay. So in addition to the 15th, going over that evening, or early

morning hours of the 16th, at 1:30 or 2:00-ish, as we said --

TAYLOR: Mm-hm.

HORCH: -- you said, how many times had you been by there before, other than

when you drove him home four years ago?

TAYLOR: Um, I had driven one time past the house, um, with my in-laws, um,

because they wanted to know where he resided.

HORCH: When was that?

TAYLOR: (sighs)

HORCH: A guess?

TAYLOR: It was before this.

HORCH: Before the 16th?

TAYLOR: Uh, it might have been on, uh, we'd gone to dinner at Outback and on the

way back from Outback, um, we drove by there.

HORCH: And whose car were you in?

TAYLOR: My car.

HORCH: Your what? What ... what car were you driving?

TAYLOR: My Tahoe.

Later in the interview -

TAYLOR: -- um, is, uh, during the conversation nobody -- well, we didn't know what

kind of person this was. I'm like, here's the character that I had portrayed looking at his arrest record and somewhere in the conversation it was brought up, "Well, what kind of place does he live in," and I'm like, "It's not very nice," and of course I'm thinking of my kids, you know, if this is a

long-term --.

Anyway, so I -- she said, "Where's it at," and I said, "It's by the 24 Hour

Fitness," so on the way home we drove by that.

HORCH: What time was that?

TAYLOR: It was after dinner. Uh --

HORCH: Was it dark?

TAYLOR: I ... I'm pretty sure.

HORCH: Okay. So you drove them by.

TAYLOR: Mm-hm.

HORCH: Did you stop or --

TAYLOR: No.

HORCH: -- did you slow down?

TAYLOR: No. 1 just --

HORCH: You just pointed it out?

TAYLOR: *Mm-hm.*

HORCH: And do you remember what day that was?

TAYLOR: I don't know if it had ... if it was on a, uh, a Sunday maybe. Um, I

honestly, I --

HORCH: Sunday the 13th, you believe?

TAYLOR: Might have been.

HORCH: Okay. Did you go by at any other times besides those two times?

TAYLOR: Mm-hm. I had gone by, um, uh, I had gone by one night, um, because

that's how I ... I wrote ... I wrote his license plate down. I remembered his license plate, um, from going by. And that was, I don't ... I don't know

what ... it -- honestly, this is just a big --

HORCH: Is this -- let me help you with the timeframe. Is this after you've seen him

for the first time?

TAYLOR: First time, yes. After -- yeah, because I had no --

HORCH: So after the 7th --

TAYLOR: Mm-hm.

HORCH: -- of March --

TAYLOR: Mm-hm.

HORCH: -- you ... you did this Google search --

TAYLOR: Yep.

HORCH: -- you said, and then you drove by?

TAYLOR: Yeah.

HORCH: And what did you -- was the vehicle there?

TAYLOR: Not on that ... not that morning. It was another time I drove by. I was in

my Tahoe and, uh --

HORCH: Your personal vehicle?

TAYLOR: Mm-hm.

HORCH: Okay.

TAYLOR: And, uh, and --

HORCH: How far after the first -- so March 7th, you see him, you believe March 8th

you went back to work, you did a search on the internet to ... to locate an address, you go by there. And then when do you go by in your personal

vehicle, because you worked March 8th, 9th, 10th and 11th, according to

this schedule.

TAYLOR: Right.

HORCH: Did you go during work hours? During -- did you ever go back there --

TAYLOR: No, it was ... it was late.

HORCH: At night?

TAYLOR: Yeah.

HORCH: And this is your personal vehicle?

TAYLOR: Mm-hm.

Later in the interview -

HORCH: And then where ... what did you do that night after you drove your Tahoe?

Did you ever get out of your vehicle?

TAYLOR: Yeah, I got out to look at the plate, so --.

HORCH: Okay. So where did you park when you got out?

TAYLOR: Uh, along the curb on 131st.

HORCH: Okay. Did you use binoculars to look at the plate?

TAYLOR: No.

HORCH: Okay. Did you go up to his residence at that time?

TAYLOR: Yeah, I walked up there and, and his car was, um, facing the road,

forward --

HORCH: In the driveway?

TAYLOR: It's, um, there's, uh, if you're looking from 131st, you're looking at his

residence or I assume is his residence is on the left, there's a single or

double-wide and then the business, it looks like, because of the

equipment or other vehicles are in the back, so it's kind of a big parking

lot.

HORCH: Okay. So you get out of your vehicle.

TAYLOR: Mm-hm.

HORCH: How far away do you park?

TAYLOR: Not very far. It, um --

HORCH: Okay. So then you walk up.

TAYLOR: Mm-hm.

HORCH: And then you take a mental picture of his license plate --

TAYLOR: Right.

HORCH: -- on that truck. Do you then walk up to his door?

TAYLOR: I was right by his door. When I looked at the plate it was right there.

HORCH: Did you look inside his windows?

TAYLOR: No. There's -- (sighs).

HORCH: Are you positive?

TAYLOR: Um, I went to his front door. I went to his front door and, um --

HORCH: Why did you go to the front door?

TAYLOR: Because I wanted ... I did want to know if this was the same person that I

had seen.

HORCH: So what were you going to do?

TAYLOR: Um, just ... just to know if this was the same person. because I think at

this point I still --

HORCH: What I mean is, how would you know that? Were you going to knock or

ring the doorbell?

TAYLOR: Um, I don't know. It wasn't ... I ... I did go, I went to the front door and I

wanted ... I was going to know if ... if it was the same person, um, and ...

and I remember getting his plate. I mean, that's --

HORCH: Okay.

TAYLOR: He --

HORCH: Did you --

TAYLOR: He has windows. He has windows on the ... on his front door.

HORCH: Did you look phone(SP) the windows?

TAYLOR: Uh, I think I was too short. Uh --

HORCH: Did you try to look through the windows?

TAYLOR: Yeah, I think I did, to see if anybody was home. I ... I --

HORCH: Did you think about knocking or ringing the doorbell?

TAYLOR: Yeah.

HORCH: But you didn't?

TAYLOR: I didn't.

HORCH: Because you wanted to get confirmation, again, that this was the same

person --

TAYLOR: Mm-hm.

HORCH: -- you had seen a few days earlier?

TAYLOR: Yeah.

HORCH: Is that --. Did you have a gun on you?

TAYLOR: No. No, I was on -- no, absolutely not.

HORCH: Do you carry an off-duty gun?

TAYLOR: No, sir.

HORCH: Did you have your badge on you?

TAYLOR: No, sir.

HORCH: Okay.

SCHAUB: Did you look in any other windows?

TAYLOR: Uh. I, I went to the front yard because there was a light on and I -- but

everything was closed, so no, I wanted to ... there's no way to see in.

There was just ... there were just blinds there.

HORCH: Did you walk up to the window and try to look in, because you couldn't

see because there was blinds?

TAYLOR: Yeah. I mean, I walked ... I walked -- it's hard to explain, but I walked --

HORCH: You don't have to draw a full, just draw a house right here.

TAYLOR: (sighs) And I think it kind of goes like this. And his door sits up here. I

don't ... I don't, um --

HORCH: Just to the best of your memory.

TAYLOR: Because I saw a light in the window, um, I walked here to see if there was

any, um, if the blinds were open. I just wanted to see if this was the same

person I saw on the couch with her. And the blinds were closed. And I

went to the front door and -- (sighs).

HORCH: Did you step on anything to look up into the window?

TAYLOR: I don't -- I'm not sure what you mean.

HORCH: You said you were too --

TAYLOR: I stood at the front door.

HORCH: You thought you were too short to look in one of the windows.

TAYLOR: I think --

HORCH: Did you step on anything to look up into the window?

TAYLOR: I don't think so.

Later in the interview -

HORCH: When you did the Google search?

TAYLOR: When I -- yeah, when I didn't know ... I hadn't confirmed that that was his

address, um, because I didn't know if it was Rain Country Gutters or Rain

Country Excavation. I didn't know. Um --

HORCH: So the night of the 16th, after you're served on the six-part on the

ACCESS use, you went by there?

TAYLOR: Yes.

HORCH: Were you working?

TAYLOR: No. sir.

HORCH: What vehicle did you drive there?

TAYLOR: My patrol vehicle.

During his interview, Det. Taylor describes how he attempts to track his ex-wife down on numerous occasions, especially after learning she might be dating someone. Late one night, while he was working, he drove to her residence and had to park behind a storage container on her property in order for her new boyfriend not to see him. Det. Taylor said that after the boyfriend left, the boyfriend called his ex-wife and told her Det. Taylor was on her property. The following is Det. Taylor describing all of this.

TAYLOR: Um, so later on -- and then I went and, uh, I went back periodically

through the night to see if ... if she was there.

HORCH: At her residence?

TAYLOR: At her residence.

HORCH: Where she rents from the Fosters?

TAYLOR: Yes.

HORCH: Okay.

TAYLOR: And --

HORCH: How many times that night did you go back there?

TAYLOR: Maybe -- oh heck, I don't know, maybe three times.

HORCH: Okay. All while you were working?

TAYLOR: Yeah.

Later in the interview -

TAYLOR: It was some time after, it was probably 1:30 or so --

HORCH: In the morning?

TAYLOR: In the morning -- uh, maybe it was even later -- I pulled in and his truck's

there and he's like --

HORCH: Pull into her residence?

TAYLOR: Pull into her residence.

HORCH: Okay.

TAYLOR: And if I -- his like tail lights were on so I'm like, "Oh, no, now it's," you

know, "Now it's going to look like I'm checking up on her," and he backs out and leaves, and I'm parked kind of in front of -- now, the Fosters' residence and he leaves but he ... his truck stopped kind of in front of the ... the patrol vehicle and then he drives down the driveway. And, um, I start to go down the driveway after I was, you know, (unintelligible) leave because I'm like, "She's going to be so mad at me." And sure enough,

she calls my cell phone --

HORCH: Okay. Let me, let me just back up and get it straight, okay? Hang on.

You pull in about 1:30 or maybe later.

TAYLOR: I think -- yeah, I think it was even later.

HORCH: You see this truck that you'd seen before with the backup lights on or the

brake lights on, like it was going to move?

TAYLOR: Yeah. Or the engine was running or, uh --

HORCH: Do you know if he was inside of it?

TAYLOR: I don't know.

Later in the interview -

TAYLOR: I pull in and his truck was, uh, you know, was somewhere in here, and I

don't remember if it was running or I saw lights or something. So then when I pull in, I parked like right back in here, 'cuz ... 'cuz I knew he was

leaving and then --

HORCH: Well, when you pull in, you see his vehicle?

TAYLOR: No, I don't see it till I pull up here.

HORCH: Okay. So you pull around the corner, around this storage unit, see it's

there, and then you back up and park by the Fosters' main residence?

TAYLOR: Yeah. Mm-hm.

HORCH: Because?

TAYLOR: Um, I didn't ... I didn't want ... I didn't want, um, I didn't want to upset her,

and I knew that if ... if I came in when they were there together, she would, um, I knew she would be upset with me. And my whole part through this is I was trying to be as, um, respectful about everything and ... and trying to keep things as ... as ... as calm as possible between

us.

Later in the interview -

TAYLOR: No, he had already ... he was leaving and I'm like, I was just waiting, and I

knew it. For some reason I'm like -- I was just kicking myself. And I pulled down here and she calls my phone. And she's like, "What are you doing?" And I said, "Well, I came to see you and I saw that, um, you

know, your ... the truck was there."

HORCH: Did she know you were there? She called you when he left? How did

she -- she just called you out of the blue or did she see you and called

you?

TAYLOR: What ... what had happened -- which I found out later -- is, as he's

leaving, he calls her and says, "Hey, I think your," you know, "I think --"

whatever, I don't know what he refers to me as --

HORCH: Sure.

TAYLOR: It's just an assumption, because I'd only -- I mean, within a couple ...

within a minute or two, um, down, and the phone rings.

HORCH: Okay.

TAYLOR:

And I said, "Well, um, I came by because I haven't talked to you since the 7th," or whatever day, and, um, she's like, "Well, okay." And I said, "Do you want to talk?" And she's like, "That's fine, come back." So I went back and, um, and I talked to her, and that's when, um -- and I ... I don't think I ... we didn't talk very long. It was, um, maybe ten minutes or fifteen.

What Det. Taylor described in the above mentioned portion of his interview, is just one of the times when he tried to locate his ex-wife to know her whereabouts. Several times he calls Deputy Luque between March 7th-15th emotionally upset and tells Deputy Luque some of the actions he had been taking in order to find out if his ex-wife was really dating this person or not. The following is Deputy Luque describing these phone calls.

LUQUE: Yeah, he basically, he -- I mean, he was pretty worked up and I told him,

you know, "You just need to stay home and forget about it," that they, you know, they're divorced now, it's not his -- I understood, you know, I consoled him in the fact that I understand why he was worked up -- (clears throat) but -- excuse me, I'm sorry -- I understood why he was worked up and that, you know, it's hard and this and that, and it's so

fresh, you know, 'cuz this was a month after the divorce.

HORCH: Sure.

LUQUE: Three weeks later. So I kind of, you know, I understood where he was

coming from. He had every ... every understanding to be worked up, to be angry, to feel hurt. Um, but I told him obviously that it's, you know, he needs to -- needs to, as hard as it is, get over it, find something else to ... to, you know, to help himself to move on, because it's not his place

anymore, unfortunately. That's the decision she's made.

HORCH: Did he ever say to you in that conversation or the night before that I saw,

that he didn't kiss her goodnight, I saw him leave and he didn't kiss her

goodnight?

LUQUE: It wasn't in that one. He called me the next morning

Later in the interview -

LUQUE: Tells me all this and I tell him, "Man, you just, you need to relax tonight,"

you know, and I actually asked him at one point, "Do you want me to," I mean, "Do you need something, do you want me to come over?" "No, no, I'm fine, I'm with the girls, I'm just going to --" And again, he was pretty worked up, but he says, "I'm just going to go to ... try to go lay down and

forget about it tonight." And I go, "Dude, you know, I'll talk to you

tomorrow."

HORCH: Okay.

LUQUE: I think I was at training at the time, so I just told him, "I'll ... I'll talk to you

early in the morning on my way to training, see if you're up, otherwise I'll talk to you on my break and we'll talk about it tomorrow. You just need

to ... to leave it alone tonight, don't worry about it, as hard as that is." So that was the end of our conversation there.

Later in the interview -

LUQUE: Yeah. So he calls me the next morning, like I said, I ... I want to almost

think now, I think I was off that day, so I think it was maybe now a Saturday or a Sunday, I don't remember. But he says that I'd be mad at

him because -- you know, and I ask why.

HORCH: He says you're going to be mad at him?

LUQUE: "You're going to be mad at me."

HORCH: Okay.

LUQUE: And then I said, "Well, what did you do?" You know, "What happened?"

And he goes, "Oh, I didn't listen. I went back over there and it was like a half hour later or so and he ended up leaving. They didn't kiss goodnight, because they ... they didn't know I was there, but I saw that he left and he just walked out on the porch and they said goodnight and he ... and he

drove off."

LUQUE: -- doing this stuff, so --. Because I obviously see that it's not ... there's

no, you know, it's ... it's killing him. And he's open at that point saying, you know, "I know I know it's ... I know I shouldn't care. I can't care anymore, it's not my place, but it just bothers me so much and she's all,"

you know, "she's my first and only --"

HORCH: Sure.

LUQUE: -- "wife," and this and that, so --.

HORCH: Did he ever say, "I know I'm doing things wrong and I can't stop," or

anything to that?

LUQUE: Uh, yeah. I mean, I don't remember the exact words, but I guess the best

way to put it, he was the most accepting of the things he was doing that he's ever been. If that makes sense to you. Meaning, yeah, I remember him saying, "I know this is --" "I know I can't be doing this. I know this is wrong. I just ... I need to get help. "I," you know, "I don't know what to do, I need help. I need help." It was ... it was actually kind of a relief on

my part, going --

HORCH: First time he's kind of admitting that --

LUQUE: It's a big --

HORCH: -- this is out of control?

LUQUE: Big step.

HORCH: Okav.

LUQUE: Saying, "I know I need help. I need to get help and I need to do

something about it." And I think at that point it was, you know, we'd finished our conversation and I told him, "I'll help you with what I can." And I know I'd gotten on him a little bit and kind of angry with him, saying, "You know, I've given you advice for a year and a half now that you haven't listened to," and he was acknowledging it, saying, "I know. I know I've got to listen to you. I'm sorry. It's just so hard for me." But, uh, so I told him, you know, "You need to go seek some

help, but if you're going to do that, you need to listen."

On April 12, 2011, I called Det. Taylor's ex-wife, Deanna Taylor, and spoke to her briefly about some of the issues she had discussed with Commander Amy Foster at a school function they had been at. I explained who I was, and told her she was under no obligation to talk with me. Deanna was pleasant and said she would speak with me.

I asked Deanna if she knew that Det. Taylor had "checked" on her new boyfriend. Deana said that one time, Det. Taylor mentioned to her that her boyfriend was "suspended" and had a warrant for his arrest. Deanna said she didn't want to know this information and wanted Det. Taylor to stay out of her business.

I asked Deanna if she ever saw Det. Taylor "watching" her or her residence. Deanna said that soon after Det. Taylor had learned about her new boyfriend, she thought someone was outside. She heard her car alarm go off, which she said it never does, and went outside to investigate. Deanna said she just had a "creepy" feeling that someone was outside, but never actually saw anyone.

Deanna said she had spoken with Commander Amy Foster about Det. Taylor showing up at the house unannounced, or uninvited. Commander Foster advised that she might want to call the Sheriff's Office and tell them what he was doing if it became too bothersome. Deanna said she did not feel the need to call at that time. Deanna was not aware that Det. Taylor was on Administrative Leave, nor did I tell her. She mentioned that as of a few weeks ago, Det. Taylor had stopped calling as much and was not showing up to her house nearly as many times as before.

I asked Deanna if she knew about Det. Taylor ever checking on her cell phone usage or getting into her work e-mails. Deanna respectfully declined to answer these questions and said, "I'll pass".

Deanna said that she has never felt in physical danger from Det. Taylor and there have never been any acts of Domestic Violence.

D. OTHER

In addition to all the above mentioned issues, there are other concerns that came from these interviews and this investigation. Some of these might not rise to the level of policy violations, but they definitely raise "red flags" with regards to Det. Taylor's decision making and the apparent lack of supervision that was given to him over these past few years.

For example, Det. Taylor, along with Sgt. Schoening and Deputy Luque, all acknowledged that Det. Taylor would work on his days off without being compensated. Sgt. Schoening said he warned Det. Taylor many times not to this. When Det. Taylor was asked in his interview about all these extra hours on his days off, he indicated that his supervisor knew about this, but the work needed to get done. Det. Buckner, who was Det. Taylor's guild representative, even spoke up and wanted to be a witness as to having seen Det. Taylor show up at the office on his days off.

BUCKNER: No, I ... I just want a comment that I work in the same office as Ryan

Taylor. I've seen him in there on his days off working on his cases. I mean, this guy's very conscientious. He's very methodical and he's on there on his days -- I'm, "Ryan, what are you doing here?" You know,

and he's working. So --. As a witness.

HORCH: Well, as a Guild rep, you should have put your foot down and said

something stronger, then, probably. But anyways, let's get back to this. Do you want a break? I know Rick has to leave in about ten minutes?

Do you want to keep going for ten minutes?

According to Sergeants Bieber and Neiman, they both documented conversations with Det. Taylor about working on his days off without being compensated, and told him he was not allowed to do this. Their memos are attached to this report.

Another issue that arose from this investigation, was the amount of overtime hours Det. Taylor worked over these past years. In some instances, he worked 26 hours straight without a break. Det. Taylor said this was approved by supervisors with them having full knowledge of how many hours he had already been working. On his October 2010 time sheet, these high amounts of overtime are reflected.

It should be noted that one of the Clark County payroll specialists, Samantha Reynolds, (from the Auditor's office), noticed the large amount of hours worked by Det. Taylor in October 2010 and sent an e-mail to Cheryl Moore (Sheriffs Office payroll) questioning the hours. Cheryl Moore forwards this e-mail on to Det. Taylor's supervisor, who in turn writes Samantha back and explains that the hours are correct. The following is an excerpt from those e-mails.

Hi Ryan,

Can you please take look at your timesheet again? I just want to make sure that you don't get overpaid. On Oct 26th, you have two lines of OTP, Off-Duty:Misc (OT), for 8 hours (16) could this be in error? Just want to check with you to verify, that the timecard is correct?

If its not, can you print it make the corrections and fax over to me, I will make any correction now, so we can process correctly. :)

Let me know if you have any questions.

That's correct. Although not usually allowed, it was approved by command staff due to staffing needs...

Thanks for checking, Sam and Cheryl.

Conclusion:

This investigation started off within a narrow scope, but widened as more issues were uncovered. It's evident by all the documentation and the statements from all involved, that Det. Taylor has been using his work vehicle for personal use far beyond what is allowed in the "De Minimus use" policy. Even after purchasing a vehicle at the end of February 2011, Det. Taylor readily admits to using his work vehicle for personal use. In March 2011 alone, he admits to using it on at least five occasions, to include transporting his children around. In using the calculation from page 20 of this report, there are approximately 15,722 unaccounted miles put on Det. Taylor's work vehicle over the past two years. ²

Det. Taylor also admits to not following the county's cell phone use policy for the past several years. The documentation shows there were several months of high usage without justification. In just the few numbers that were researched, there were numerous personal calls made during work hours and during days off.

Det. Taylor's off duty conduct is also called into question when he goes by Michael Melton's residence and his ex-wife's residence on numerous occasions. He had an apparent obsession with knowing her whereabouts and was having great difficultly in accepting the fact that she had moved on after their divorce. Det. Taylor admitted that one night he walked up to Melton's residence to verify if he was actually the person he had seen with his ex-wife back on March 7th, and even tries to peer into his windows.

For the past two years, it's clear that Det. Taylor has been battling with numerous issues. Some of them personal and some work related. He divulged some of his personal struggles in his interview, and mentioned he had been seeking help to get these under control. He said they are not excuses for his behavior and apologized greatly for his conduct.

² For a two year period, this vehicle cost \$28,058 dollars to operate. (Maintenance & gas etc.) Divide this cost by the miles driven (52,914) and it equates to .53 cents per mile. With 15,722 used as the calculated overage in miles, the approximate cost of Det. Taylor's personal use of the vehicle is \$8,332 dollars.

The interview with Det. Taylor last approximately four and a half hours. This report contains only a small portion taken from the transcripts. Det. Taylor does not dispute any of the allegations, nor does he, for the most part, make any excuses for his actions.

This investigation basically looked into Det. Taylor's behavior and conduct for the past two years. There were other concerns that came to light, in addition to the ones detailed in this report. Some of these concerns were briefly mentioned in the body of this report and some were not due to the fact that this was already an extensive investigation and very lengthy interview with Det. Taylor. Some of these issues include;

- Det. Taylor leaves his children (8 and 10 years old) at home alone at 0130 am in the morning to go check on ex-wife and new boyfriend.
- AVL reports, numerous records to search through.
- Sgt. Schoening reports, after his interview, that numerous times Det. Taylor would be "logged out" at the traffic office, however Schoening would never see him there.
- Cell phone records could be gone through with even greater scrutiny.
- Det. Taylor's ACCESS certification was expired last year from September 2nd –
 September 22nd. During this time he still ran computer checks on subjects. (This was
 only discovered after reading Sgt. Neiman's critical incident log after the ACCESS
 investigation of #IC11-009 had been completed.)
- Sgt. Schoening reports Det. Taylor broke into his work vehicle, which was parked at Schoening's residence, while Schoening was on vacation. This was not done for any emergency reason; Det. Taylor was obsessed with getting a computer disc for an investigation.
- Could have looked in to the Garrett Hergert issue IA learned about additional steps that Det. Taylor might have taken to track down Hergert back in 2008 and possibly 2010.
- It's reported that Det. Taylor has possibly gone to his ex-wife's place of work (while they were married) and went through her desk. He also tried getting into her work computer in order to gain information. (I asked Deanna Taylor about this and she said, "I'll pass")
- Detailed cost analysis of county vehicle use. (Data has been collected from county shops)

It should be noted that the above mentioned issues were not fully investigated and could possibly require substantial research and time. These additional issues can and will be investigated further if directed to do so by my superiors.

Det. Taylor, and guild representative Rick Bucker, were both advised this could be a lengthy interview. We had several breaks including a lunch break. Breaks were also provided as requested.

At 1445 hours, Det. Buckner had to leave for an appointment and Detective Robert Latter stepped in to be the guild representative. Det. Taylor had no objections to this. We continued the interview and following the next break, Det. Latter mentioned the length of the interview and wanted to give Det. Taylor the option to possibly continue the following day.

I agreed that our Internal Affairs Investigations G.O. addresses unreasonably lengthy interviews, however, there was a large amount of material to be covered and Det. Taylor and Det. Buckner knew this before we started. Det. Taylor was then given the option to stop and to continue the following day. Det. Taylor said he wanted to keep going and finish the interview.

Based on all the evidence, the IA unit recommends a finding of **SUSTAINED** for all of the listed policies;

- #1. G.O. 01.16.010 PURPOSE (VEHICLE USAGE)
 G.O. 01.16.052 DE MINIMUS PERSONAL USE OF COUNTY VEHICLES WHILE ON DUTY
- #2. G.O. 01.16.037 UNAUTHORIZED PASSENGERS
- #3. G.O. 01.35.090 CELLULAR PHONE
- #4. G.O. 01.29.310 OFF DUTY CONDUCT

01.16.010 PURPOSE (VEHICLE USE)

The purpose of this general order is to establish a policy and a set of uniform procedures dealing with the use of motor vehicles by employees of the Clark County Sheriff's Office. The proper use of a motor vehicle represents a responsibility of the Sheriff's Office and its personnel extended to and expected by the people of Clark County. Misuse of or negligent disregard for this responsibility will not be tolerated by the Sheriff's Office. It is imperative that the Sheriff's Office and its personnel operate motor vehicles in a manner worthy of the trust and respect of the people of Clark County. Except as allowed by law, employees operating motor vehicles shall conform to all laws regulating traffic and set an example of good driving to each other as well as to the public. Each employee of the Clark County Sheriff's office shall be responsible for adhering to this policy concerning motor vehicle usage. The policies and procedures of the Clark County Sheriff's Office are intended to be consistent with the requirements of RCW 46.61.035.

01.16.052 DE MINIMUS PERSONAL USE OF COUNTY VEHICLES WHILE ON DUTY

The Sheriff's Office recognizes that providing take-home vehicles provides a benefit to the community, this agency, and the employee. The assigned vehicle shall not be used for personal gain. However, it is further recognized that due to the length of shift hours and days of work, there may be times in which employees may need to utilize a County vehicle for personal business while on duty. Personal use that is permissible should be restricted to brief stops to conduct essential personal errands which do not deviate significantly from the normal route or distance to and from work or current beat assignment. Examples of permissible use may include, but not be limited to; taking children to and from day-care or school while the employee is en route to and from work, picking up a prescription or other essential medications, minor routine banking, etc.

Nothing in the section allows for the use of a County vehicle as transportation to any tavern, bar, saloon or similar establishment unless it is in the course and scope of their official duties.

01.16.037 UNAUTHORIZED PASSENGERS

Deputies should not transport persons in department vehicles unless such transportation is in connection with official department business or prior approval granted by the Sheriff or his designee.

01.35.090 CELLULAR PHONES

The purpose of the cellular phone is to increase communication availability for employees and for the citizens we serve. Radio air time is limited at times and cellular phones provide an alternative method for employees to communicate with citizens, law enforcement departments and other agencies. This also provides employees the ability to return phone calls promptly, contact citizens directly and communicate directly with staff.

The following will be the guideline for the use of cell phones:

- 8. Cell phones will only be used for department business and will not be used for **personal** use, except to make emergency/priority calls to the employee's residence. Refer to Reimbursement Policy for Personal Use of Cell Phones 01.35.095.
- 9. <u>Lengthy conversations shall be kept at a minimum. If a long conversation is anticipated, employees should not use cell phones.</u>
- 10. Employees are reminded that calling from one cellular telephone to another results in double charges to the department. The department is charged for the employee making the call and for the employee receiving the call. Therefore, employees shall restrict the use of cellular telephone calls to **priority** department business only.
- 11. Employees are restricted from making long distance phone calls on cellular phones. Long distance phone calls should be made from precinct or other county offices. In the event employees are traveling out of county, and are unable to utilize a standard telephone and billing card, cellular telephones may be used. However, any long distance call time should be kept to a minimum.
- 12. Except in extreme circumstances, employees are prohibited from using County Cell Phones for the purpose of text messaging.
- 13. Sheriff's Office blue tooth devices should only be synced and used with County Cell phones.
- 14. The Property/Logistics Manager will provide copies of cell phone bills to employee supervisors to review for excessive calls and abuse.

01.29.310 OFF-DUTY CONDUCT

All employees shall maintain the highest standards of conduct and will avoid any conduct which would discredit the employee or the Sheriff's Office. Off-duty deputies should perform necessary police service in Clark County whenever public safety is urgently required. While off duty and within the jurisdiction of Clark County, deputies should carry official identification when in public.

Policy Violation(s):

#1. G.O. 02.09.380 ACCESS MISUSE

#2. G.O. 02.10.030 (C) PROCEDURE USE OF THE MDC

Summary:

On March 15, 2011, the Internal Affairs Unit was notified that Detective Ryan Taylor had possibly used the Washington State Patrol's (WSP) ACCESS system (A Central Computer Enforcement Service System) for personal use on or about March 13, 2011. It was alleged that Det. Taylor used the ACCESS system to run a computer check on an individual and a vehicle plate to gain information about this person that was possibly dating his ex-wife (Deanna Taylor). Det. Taylor admitted during his IA interview, that he did in fact run numerous unauthorized computer checks on a subject by the name of Michael R. Melton, including Melton's vehicle plate. He also admitted to running these checks on the MDC (Mobile Data Computer) that is in his patrol vehicle.

During his IA interview, Det. Taylor admitted to another incident in which he used the ACCESS system for personal use. Det. Taylor suspected a person by the name of Garret Hergert was having an affair with his wife, and he ran a driver's license check and a vehicle registration check to gain information. Det. Taylor could not remember the exact date when this occurred, but thought it was in 2008 and possibly again in 2010. A WSP records search located that on October 2, 2008, Det. Taylor ran a driver's check on Hergert and also checked on his vehicle plates.

Det. Taylor is ACCESS certified through our department and took his last update class in September of 2010. Det. Taylor said he was aware of our ACCESS policy and knew it was against our policy to use this system for personal use.

The Washington State Patrol requires us to report to them suspected ACCESS violations, as well as concluded investigations into ACCESS violations. This matter has been reported to WSP.

Recommended Findings:

After analyzing all the documentation and statements made by Det. Taylor during his interview, the IA Unit has come to the conclusion that Det. Taylor did in fact violate our ACCESS use policy <u>G.O. 02.09.380 MISUSE</u> and our MDC use policy <u>G.O. 02.10.030</u> (C) PROCUDURE USE OF THE MDC.

The most recent incident of this ACCESS misuse occurred from March 13 – March 15, 2011. There were a total of six inquires made during this time that were for personal use.

The other incident occurred on October 2, 2008. Three inquires were made at that time which were also for personal use.

The IA Unit recommends a finding of **SUSTAINED** for <u>two separate incidents</u> - with each incident including one or more separate violations, regarding our ACCESS MISUSE policy.

With regards to the PROCEDURE (MDC) policy, the IA Unit recommends a finding a finding of **SUSTAINED** for one incident (most recent). The October 2nd 2008 incident was done from a computer terminal at the Sheriff's Central Precinct Office.

G.O. 02.09.380 MISUSE

ACCESS requires that all agencies investigate allegations of misuse. The Agency TAC is required to notify the agency head and the Information Security Officer with ACCESS if misuse is suspected. Examples of misuse include:

- 1. Running the criminal history of a family member or friend.
- 2. Running a vehicle registration for personal use.
- 3. Visiting or sending inappropriate administrative messages across a mobile data terminal ACCESS connection.

Users do not have to disseminate information for the action to be a violation. Accessing CJIS data for personal reasons is specifically prohibited by state and federal law. (Emphasis added).

Once misuse has been reported, the Clark County Sheriff's Office will notify the ACCESS Section and investigate the allegation per department policy. Results of the investigation must be communicated to ACCESS; disciplinary action, if necessary, will be in accordance with Sheriff's Office General Orders.

If misuse is confirmed, ACCESS has the authority to decertify a person for reasons of misuse or arrest record findings. Decertification may be considered for a certain time period or indefinitely.

G.O. 02.10.030 PROCUDURE (MDC)

- 1. All communications via the MDC will be professional and conducted in a businesslike manner.
- 2. Communications between dispatch and field units by MDC are permitted for official business only. No personal business of any kind will be conducted via the MDC. All communications via MDC are a matter of public record. As such, they may be subject to periodic review and use by the courts for civil and criminal proceedings. (Emphasis added).
- 3. Other than for traffic stops or for emergency traffic (i.e. Code 0), unit status changes will be accomplished via MDC. This includes but is not limited to clearing from calls, going enroute to calls, clearing from self-initiated activity, etc.
- 4. Except in emergency situations, changes in location will be done via MDC with simultaneous voice communication.
- 5. Traffic stops by field units will be initiated by voice radio communication and may be cleared by either voice communication or MDC at the deputy's discretion unless special circumstances dictate otherwise.
- 6. If time and circumstances permit and the MDC can be safely used, self-initiated activities, follow up, Code 7 (lunch), breaks, and field contacts will be done via

- the MDC. If the dispatcher or deputy believes there are safety issues involved, voice communications are expected.
- 7. Data received and sent via the MDC is subject to all security restrictions that apply to an ACCESS terminal. DOL and wants checks will be conducted within the guidelines of ACCESS restrictions and will be done via the MDC if and when the deputy is in the vehicle. (Emphasis added).
- 8. All wants and warrants must be confirmed through CRESA via voice communication. CRESA will confirm wants and warrants and advise the deputy via voice communication.
- 9. Deputies may occasionally make general information requests to dispatch via the MDC. Deputies must keep in mind that their "administrative message" requests will be viewed as general information requests and will be handled on a lower priority basis. The dispatcher's time to process these requests may be limited due to call taking and dispatching responsibilities.
- 10. The use of the MDC while the vehicle is being operated creates a potential risk to the deputy because of the change of focus from driving to operating the MDC. Accidents resulting from inattention to driving while operating the MDC will be handled through the Sheriff's Office discipline process.
- 11. The transmittal of any sexist, racist, vulgar, derogatory, or discriminatory message is specifically prohibited. The MDC shall be utilized for Sheriff's Office business purposes. Personal conversations and/or comments are prohibited. (Emphasis added).

Investigation:

On March 15, 2011, Sgt. Schaub and I were notified about a possible misuse of our ACCESS system involving Detective Ryan Taylor. Sergeants Shea and Schoening came to our office and explained that Det. Taylor had admitted to running a computer check on a person that was for personal reasons. Shortly after hearing this, Chief Evans signed a "six part" form and we were given instructions to investigate this possible ACCESS policy violation.

About fifteen minutes later, Det. Taylor came to our office and we served him the complaint alleging the possible misuse of the ACCESS system. Detective Rick Buckner was also present as a guild representative when we served him the complaint. At that time, Det. Taylor did not want to delay this investigation and requested to be interviewed right then. Det. Buckner also requested this. Sgt. Schaub and I were not able to conduct this interview without gathering some information, but we agreed to meet him the following day barring there were "no surprises". Before leaving our office Det. Taylor handed me some print outs of a vehicle registration. He said something to effect of, "This is what I did".

That evening I spoke with Sgt. Schoening over the phone. He explained he had worked with Det. Taylor for the past two years in the traffic unit and was friends with him. He was not a Sergeant at that time and had just recently left the traffic unit after being promoted in February. Sgt. Schoening went on to say that a day or so ago, Det. Taylor had told him that he had seen his ex-wife with another man and was concerned. Det. Taylor told Sgt. Schoening that he had checked on this person and he knew he had a suspended license and had a warrant for his arrest. Sgt. Schoening didn't think too much of it at the time, but the following day mentioned this to Sgt. Shea. They both deduced that Det. Taylor had probably used the ACCESS system to check on this person and if this occurred, was probably not done for work related purposes.

Sgt. Schoening went on to tell me that after he explained to Sgt. Shea what Det. Taylor had told him, he and Sgt. Shea went to Commander Kilian and advised him of what they had learned. Commander Kilian told them to do some research and find out how exactly Det. Taylor had obtained this persons information.

Sergeants Shea and Schoening then went to meet Det. Taylor who was working as an EVOC instructor at Portland International Raceway. Sgt. Shea asked Det. Taylor if he had used the ACCESS/WACIC/NCIC computer system to check on a person for personal reasons. Det. Taylor admitted he had. Sgt. Shea advised him not to say anything more and that he would have to forward this information on. Sgt. Shea wrote a memo to Sgt. Schaub and I about this conversation with Det. Taylor. That memo is attached to this report.

The following day, March 16 h, Det. Taylor was scheduled for an interview for the ACCESS violation investigation (#IC11-009). However, in the mean time, the sheriff's office learned of another possible policy violation against Det. Taylor regarding the use of his county issued work vehicle for his own personal use. Chief Evans signed another six part complaint and we issued this to Det. Taylor in our office around 1500 hours. Det. Rick Buckner was also present as his guild representative.

In addition to this new allegation of misuse of the county vehicle, Chief Evans placed Det. Taylor on "Administrative Leave" for reasons unrelated to this investigation. Sgt. Schaub and I drove Det. Taylor home and we advised him that we would contact him for an interview in the near future to address the two "six part" complaints. Det. Taylor said he understood.

Note – We did not discuss either investigation with Det. Taylor when driving him home.

On April 6, 2011, we interviewed Commander Amy Foster with the Vancouver Police Department. We had learned that Commander Foster lives on the same property as Det. Taylor's ex-wife (Deanna) and had some information as to the events of the past few weeks. She had an occasion to talk with Det. Taylor a few weeks ago about a black truck that he had seen at Deanna's house.

Commander Foster said Det. Taylor drove up to Deanna's house a few weeks ago and stopped to talk with Foster who was outside. He told her something to the effect that Deanna was dating someone who drove a black Ford pickup truck. He also told her the person Deanna was seeing had a suspended driver's license and possibly had a warrant. Commander Foster did not ask how he knew this person might be suspended.

Commander Foster also told us that a few weeks ago, Deanna Taylor saw her at a school function. Deanna mentioned to her that Det. Taylor had been coming over to her house a lot lately, uninvited, and that he shouldn't be "checking" on the person she was dating. Commander Foster gave Deanna advice as to what actions she might want to take if she felt uncomfortable with her ex-husband coming around her house too much. Commander Foster's interview is attached to this report.

On April 13, 2011, we interviewed Sgt. Alex Schoening at the Sheriff's Office Headquarters. Sgt. Schoening had already spoken to me on two separate occasions about this ACCESS matter, once in person and once over the phone. The purpose of

this interview was to further detail some of the information he had already discussed with us regarding Det. Taylor's recent behavior.

As far as the misuse of our ACCESS system, Sgt. Schoening relayed the same information as he had back in March. He advised that on or about March 13th, he spoke with Det. Taylor when they were serving a search warrant at TLC towing. During that conversation, Det. Taylor told Schoening that Deanna was seeing another person and this person had a suspended driver's license and possibly had a warrant. Sgt. Schoening did not inquire at that time as to how Det. Taylor knew this information, but rather consoled him on his recent divorce and the troubles he was having accepting the fact that Deanna was moving on. This taped interview with Sgt. Schoening also covered other topics and those are being addressed in IA case #IC-010. Sgt. Schoening's interview transcript is attached to this report.

On April 21, 2011, Det. Taylor participated in an IA interview. He read and acknowledged the understanding of his employee rights and Garrity Warning. Detective Rick Buckner accompanied Det. Taylor as a guild representative. After some basic questions, I explained to Det. Taylor that there were several issues that we would be discussing and the first was regarding the possible ACCESS violation(s) that he might have committed.

For the next hour or so, Det. Taylor explained that he had in fact used the ACCESS system via the MDC in his patrol vehicle to run a person by the name of Michael R. Melton (DOB 03-10-74). He also admitted to running a records check on Melton's vehicle for the purpose of verifying where he lived. Det. Taylor said these incidents occurred between March 13th – March 15th of this year. He also said he used his work computer at his office to run a "Google" search on Michael Melton's business in order to obtain his address. The following excerpt is from Det. Taylor's interview in which he gives a brief description of what he had done:

HORCH: Okay. And it's in reference to GO02-09-380. Um, are you aware

of the allegations surrounding --

TAYLOR: Yes, sir.

HORCH: -- this policy?

TAYLOR: Yes, sir.

HORCH: Okay. Can you please discuss what you're aware of about it?

TAYLOR: Um, that I ran an individual's name, um, for personal use, um, uh,

I believe it was in the middle part of, uh, March. Um, this

individual, um, is in a dating relationship with my ex-wife and I ran his name when I recognized him, and, um, uh, she told me what his name was after I -- so I put ... well, I dealt with him in the past. I recognized him when she said his name it kind of all came

together and that's when I ran his name.

HORCH: Okay. When you say "ran his name," how did you ..., how did you

run it? Where did you run it at? Which computer?

TAYLOR: I ran it in my, uh, my ... my patrol, my ... my MDC. Um, I --

actually, first off, I believe I looked at, um, because I didn't have his date of birth, I looked it up in EPR and that's when I realized that I had, in fact, arrested him and, um, then I got his date of birth and then I ran his, um, uh, and truck driving status in ... in NCIC and, uh, found that he had an outstanding warrant and had a

suspended driver's license.

HORCH: Okay. And you said some time in the middle of March, to your

best recollection?

TAYLOR: As of -- maybe the, uh, beginning of March.

HORCH: Okay. Some time in March, beginning --

TAYLOR: Yes. sir.

HORCH: -- to middle?

TAYLOR: Yes, sir.

HORCH: Okay. Did you run, this individual's name? Do you remember his

name?

TAYLOR: Michael ... Michael R. Milton. I think it's R.

HORCH: Okay. Okay. Do you -- have you checked on his name after that,

after you checked on it that time?

TAYLOR: Yes. I ran it several times, that, um, uh, well, I mean, within those

couple of days.

Det. Taylor said he ran Melton's name several times through <u>WACIC</u> (Washington Information Center - The state repository for law enforcement data) and NCIC (National Crime Information Center - The national repository for law enforcement data) to obtain information about Melton since he believed he was now dating his ex-wife. Det. Taylor said that he and Deanna had recently divorced as of February 11, 2011, and he found out on March 7th that she was seeing another person.

Det. Taylor explained that on March 7th, he drove to his ex-wife's residence and noticed a black truck parked in her driveway. As he walked up to her residence he saw a male with his arm around his ex-wife and they were sitting on a couch. Det. Taylor rang the doorbell and the male subject answered. Det. Taylor said he partially recognized this person, but couldn't quite make out where he knew him from. Det. Taylor spoke with his ex-wife for a few seconds and then left. Before leaving he noticed a decal on the side of the truck with the words "Rain Country Excavating". Det. Taylor said that seeing this man with his ex-wife was very difficult. He wasn't really prepared for his wife to move on so quickly and thought they were still "best friends".

The following day, March 8^h, Det. Taylor went to work and admitted to running a "Google" search on his work computer looking for information on Rain Country

Excavating. He learned this was a business in Vancouver and the address was near the 6100 block of NE 131st Avenue. Det. Taylor then drove out to this location while he was working to see if the same truck that was parked at his ex-wife's house was there. The following is an excerpt from his interview when he explains this:

TAYLOR: Yeah, I look at Rain -- that came up. That Rain Country

Excavation came up and so I had driven by and I don't ... I didn't see his truck, that truck, there, so I wasn't sure if that was --

HORCH: You went by a place of business?

TAYLOR: Yeah. Well, it's ... it's, uh, it's off 131st Avenue and it's,

uh, yeah, as far as I knew at that point it was ... it was a business.

HORCH: How did you find that? You Google searched it?

TAYLOR: Yes, sir.

HORCH: And you believe you did that at work?

TAYLOR: Yeah. I -- it ... yeah. Uh --

HORCH: So were you working the day that you went by this business?

TAYLOR: Yes.

HORCH: Okay. And what was the purpose of you going by that business?

TAYLOR: Um, just to see if that truck was ... if that was the truck. Um, uh,

hm, just pretty protective over her and so --.

Det Taylor went on to say that after a few more days of doing some research on this address, he started to piece together who this person was. Det. Taylor said he was working overtime on March 13th when he went over to his ex-wife's house and asked her this person's name and she told him, "Michael".

Det. Taylor then started to research this person using his MDC while he was working. He said he checked for Michael Melton through the EPR (Electronic Police Report) system to obtain a date of birth. While checking EPR, Det. Taylor saw that he had arrested Melton back in 2007 for DUI. Det. Taylor then ran a WACIC and NCIC check on Melton and learned he had a suspended driver's license and had a misdemeanor warrant for a traffic violation out of South Bend (state unknown). The following are excerpts from his interview describing how all of this transpired:

HORCH: -- you do an EPR check --

TAYLOR: Yes.

HORCH: -- the electronic police report --

TAYLOR: Yes. sir.

HORCH: -- check?

TAYLOR: Yes, sir.

HORCH: It's our database for --

TAYLOR: Yes, sir.

HORCH: -- if you're in the computer system in Clark County --

TAYLOR: Yes, sir.

HORCH: -- you can pull up information, correct?

TAYLOR: Yes, sir.

(Later in the interview)

HORCH: In -- on your MDC?

TAYLOR: Right.

HORCH: In your car.

TAYLOR: Yes, sir.

HORCH: You say run his name, you did a --?

TAYLOR: Through NCIC or the, you know, when I ... any time I run

anybody's DL status, you know, which comes up with wants and warrants as well, just a standard, uh, anybody that I'll ... I'll run on

a T stop or a grand theft.

Det. Taylor said the following morning he wanted to show his wife the information on Melton so he drove over to her house in his patrol car (off duty) with his MDC and attempted to show her. The following excerpt is him explaining this:

HORCH: What did you drive over there?

TAYLOR: Um, I think I drove my patrol vehicle --

HORCH: Okav.

TAYLOR: -- because I had the computer.

HORCH: Okay.

TAYLOR: And I wasn't on duty. I drove my patrol vehicle over there

because it had that computer in it, and, um, I told, um, I took it

inside and I told --

HORCH: The computer is a laptop?

TAYLOR: Yes, sir.

HORCH: And it comes out of the car, correct?

TAYLOR: Yes, sir.

HORCH: Okay.

TAYLOR: Yes, sir.

HORCH: Go on.

TAYLOR: And, um, I, uh, told her what I had done, uh -- well, no, I didn't

even tell her. I just said ... I just said, "I know Michael --" "I found out some information on Michael." I didn't tell her I ran him. I ... I think I just said, "I found out some information on Michael I think

you need to know."

Det. Taylor goes on to say that he checked on Melton's name several more times over the next few days and also drove by his residence to see if his ex-wife was over there. The following is Det. Taylor explaining all of this:

HORCH: After you ran him on the 13th, did you find an address for him?

Did a home address come up on his --

TAYLOR: Yes.

HORCH: -- driver's license, that is?

TAYLOR: Yeah.

HORCH: Did you ever go by that residence?

TAYLOR: I did.

HORCH: When did you go by that residence?

TAYLOR: Uh --

HORCH: And ... and why?

TAYLOR: I've gone by there a couple of times, but the, um, night of, uh, I got

my six-part on --

HORCH: I believe it was the 16th.

TAYLOR: I think it was the 16th.

SCHAUB: I think so, yeah.

HORCH: Okay.

TAYLOR: I had ... I had gone by that ... his house --

HORCH: You mean after you ... after you were served the six-part?

TAYLOR: Yeah --

HORCH: Was that the first time you drove by his residence?

TAYLOR: No, I had gone by, uh, in that week.

HORCH: When you did the Google search?

TAYLOR: When I -- yeah, when I didn't know ... I hadn't confirmed that that

was his address, um, because I didn't know if it was Rain Country

Gutters or Rain Country Excavation. I didn't know. Um --

HORCH: So the night of the 16th, after you're served on the six-part on the

ACCESS use, you went by there?

TAYLOR: Yes.

HORCH: Were you working?

TAYLOR: No, sir.

HORCH: What vehicle did you drive there?

TAYLOR: My patrol vehicle.

Later in the interview, Det. Taylor describes how he ran a WACIC / NCIC check on a subject by the name of Garrett Hergert sometime within the past few years. Det. Taylor said he suspected Hergert was having an affair with his wife and he ran his name and license plate to locate an address for him. He later called Hergert on the phone and was satisfied with his explanation that he was not seeing his wife. The following is Det. Taylor explaining this:

HORCH: Okay. Have you ever ran anybody else's name for, uh, personal

use, besides the person we're talking about today? Do you recall anybody recently in the last few years running? Do you remember

Garrett? Did you run Garrett's name a few years ago?

HORCH: Okay. And that was for what purpose?

TAYLOR: I -- well, it was for personal. Uh, I ... I thought he ... I thought

something was going on and --

HORCH: Hergert or what's his last name again?

TAYLOR: Garrett Hergert.

HORCH: Okay. And you suspected that your wife was having an affair with

him?

TAYLOR: I thought there was ... I thought something was --

HORCH: Okay.

TAYLOR: And so I couldn't --

HORCH: And so you checked on him then?

TAYLOR: *Mm-hm.*

HORCH: Okay.

TAYLOR: Yes, sir.

HORCH: Did you check on his vehicle plates?

TAYLOR: I did. Um, I was at, uh, the home and garden show, uh, because

that's where -- and yeah, because his truck was there at the home

and garden show.

HORCH: And that's where you ran -- and that's where you got the plate?

TAYLOR: I think so. If I recall.

HORCH: Okay. Did you ever go by his residence to look for Deanna's car?

TAYLOR: I didn't know where he exactly lived. I know where his business

was.

HORCH: And did you go by the business?

TAYLOR: I went by his business.

HORCH: And how many times did you go by his business?

TAYLOR: (Seven second pause) I don't know. Um --

HORCH: Okay.

TAYLOR: Uh --

HORCH: And this was a couple years ago?

TAYLOR: (No verbal response)

HORCH: Can you give us ... try to narrow it down to, was it 2008, 2009,

2010?

TAYLOR: (Seven second pause) Mm, I -- it honestly could have been in

2010 at one point, because I still thought that something -- you know, I wasn't ... I ... I was never, um, I was never certain that

nothing ever happened. Uh --

HORCH: Why did you ... why did you run his name? To get an address for

him or just to check on him? A criminal check?

TAYLOR: I ... I -- uh, probably both. I mean, I --

There is one documented WACIC / NCIC check done on Garret Hergert's name and two WACIC /NCIC checks on Hergert's vehicles. These are taken from the WSP log file on Hergert's name. I confirmed with John Roughton at CRESA that the ID # used on the Hergert searches on October 2, 2008, were made from the computer terminal that Det. Taylor was signed into at our Central Precinct Office.

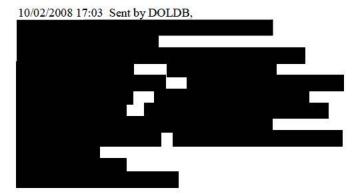

#7. October 2, 2008, 1659 hours - Hergert's name is checked from precinct terminal.

#8. October 2, 2008, 1700 hours - Hergert's vehicle is checked from precinct terminal.

#9. October 2, 2008, 1703 hours - Hergert's vehicle is checked from precinct terminal.

According to CCSO records, Det. Taylor took his last ACCESS update class in September of 2010.

It should be noted that Det. Taylor and guild representative Rick Bucker were both advised this could be a lengthy interview. We had several breaks including a lunch break. Breaks were also provided as requested.

At 1445 hours, Det. Buckner had to leave for an appointment and Detective Robert Latter stepped in to be the guild representative. Det. Taylor had no objections to this. We continued the interview and following the next break, Det. Latter mentioned this was a lengthy interview and wanted to give Det. Taylor the option to possibly continue this interview the following day.

I agreed that our Internal Affairs Investigations G.O. addresses unreasonably lengthy interviews, however, there was a large amount of material to be covered and Det. Taylor knew this before we started. Det. Taylor was then given the option to stop and to continue the following day. Det. Taylor said he wanted to keep going and finish the interview.

Conclusion:

This investigation shows that Det. Taylor used the ACCESS system for personal use on at least nine occasions. The most recent violations of this policy, were from March 13th - March 15, 2011. He admitted he ran WACIC and NCIC checks for information about Michael Melton, including his vehicle. All of these inquiries were for personal use and not for legitimate law enforcement purposes.

Det. Taylor also admits to running a WACIC and NCIC check on a Garret Hergert, including Hergert's vehicles. This occurred on October 2, 2008 when he suspected Hergert and his wife were having an affair.

Det. Taylor said he has taken the ACCESS certification class and knows that it is against county policy to use the system for non work related searches.

This investigation also uncovered other possible violations of our county policies and they are being addressed in a separate IA investigation (#IC11-010).

Det. Taylor's said his reasoning for checking on Michael Melton numerous times was to show his ex-wife that she might want to be aware of who she was dating and he wanted

to be protective of her. He said at the time, he didn't think he was doing anything wrong, but looking back, realizes this was a mistake.

Det. Taylor was extremely apologetic for his actions and admitted he was going through a very rough time accepting the fact that his wife had "moved on" after their divorce.

There is no evidence at this time, that Det. Taylor ran a full criminal history check on Melton or Hergert listing arrest and conviction records.

Based on all of the evidence the IA Unit believes Det. Ryan Taylor did in fact violate our General Order regarding <u>ACCESS MISUSE 2.09.380</u>, and recommend a finding of **SUSTAINED.** There are six documented violations made by Det. Taylor from March 13 - March 15, 2011. There are three documented violations made by Det. Taylor back on October 2, 2008.

G.O. 02.09.380 MISUSE

ACCESS requires that all agencies investigate allegations of misuse. The Agency TAC is required to notify the agency head and the Information Security Officer with ACCESS if misuse is suspected. Examples of misuse include:

- 1. Running the criminal history of a family member or friend.
- 2. Running a vehicle registration for personal use.
- 3. Visiting or sending inappropriate administrative messages across a mobile data terminal ACCESS connection.

Users do not have to disseminate information for the action to be a violation. Accessing CJIS data for personal reasons is specifically prohibited by state and federal law.

Once misuse has been reported the Clark County Sheriff's Office will notify the ACCESS Section and investigate the allegation per department policy. Results of the investigation must be communicated to ACCESS; disciplinary action, if necessary will be in accordance with Sheriff's Office General Orders.

If misuse is confirmed, ACCESS has the authority to decertify a person for reasons of misuse or arrest record findings. Decertification may be considered for a certain time period or indefinitely.

Based on Det. Taylor statements, the IA Unit believes Det. Taylor also violated our MDC policy by using his MDC to run the computer checks on Michael Melton. Det. Taylor could not remember which computer system he used to run the check on Garret Hergert. The IA unit recommends a finding of **SUSTAINED** for violating our <u>USE OF THE MDC 02.10.030 (C)</u>

Re: IA Case #IC11-009---Deputy Ryan Taylor

Sergeant Horch;

I have reviewed the report that you filed in regards to this incident. After careful consideration, I concur with your findings as outlined below:

- 1. Sustained—ACCESS MISUSE, General Order 02.09.380 (2 counts)
- 2. Sustained---PROCEDURE USE OF THE MDC, General Order 02.10.030 (C)

These sustained violations stem from Deputy Taylor's actions in Ocotober 2008, where he admittedly used a department computer to make several inquiries via the WSP ACCESS system for personal reasons, and in March of 2011 where he admittedly used a department computer (MDC) to make several inquires via the WSP ACCESS system for personal reasons. These actions clearly violate department general orders as highlighted above.

Due to the sensitive nature of some of the information contained in this internal affairs investigation, this matter is not forwarded to the Enforcement Branch Board of Inquiry for their review. Deputy Taylor may raise concerns, if he has them, whether or not the investigation was conducted thoroughly, fairly and impartially directly to me. Please conduct a disciplinary review for Deputy Taylor and forward a report of that review to me.

Respectfully,

Chief Mike Evans

Re: IA Case #IC11-010---Deputy Ryan Taylor

Sergeant Horch;

I have reviewed the report that you filed in regards to this incident. After careful consideration, I find the following;

- 1. Sustained---De Minimus Personal Use of County Vehicles While on Duty, General Order 01.16.052; Detective Taylor used his Clark County issued unmarked Ford Expedition for personal use from approximately March 2009 March 2011. This activity included the use for his exclusive and personal use, to include transporting his children in violation of this department general order.
- 2. Sustained—Unauthorized Passengers, General Order 01.16.037; Detective Taylor transported family members in a Clark County issued vehicle for personal reasons not related to his official duties and responsibilities as a Deputy Sheriff
- 3. Sustained---Cellular Phone, General Order 01.35.090; Detective Taylor used his county issued cell phone for personal calls for the past two years in violation of the Sheriff's Office policy regarding the use of issued cellular phones.
- 4. Sustained---Off Duty Conduct, General Order 01.29.310; Detective Taylor engaged in off duty conduct which would discredit the Sheriff's Office by using information he gathered on Michael Melton (ex-wife's new boyfriend), to visit Melton's residence on and off duty, including taking family members by this residence. His use of county issued equipment (vehicles and cellular phone) for personal and private purposes would bring additional discredit upon the Sheriff's Office.

Internal Affiars matter #IC11-009

In October 2008, you admittedly used a department computer to make several inquiries via the WSP ACCESS system for personal reasons, and in March of 2011 you admittedly used a department computer (MDC) to make several inquiries via the WSP ACCESS system for personal reasons. These actions clearly violate department general orders as highlighted below.

- 1. ACCESS MISUSE, General Order 02.09.380 (2 counts)
- 2. PROCEDURE USE OF THE MDC, General Order 02.10.030 (C)

The Investigation into this matter was not forwarded, due to the sensitive personal nature of some information in the investigation, to the Board of Inquiry, and you were afforded an opportunity to address investigative concerns directly with Chief Mike Evans. A predisciplinary hearing was conducted regarding this matter on June 20, 2011. You had guild representation present during the predisciplinary hearing in the form a guild representative and the attorney for your guild, Mr. Mark Makler. You presented verbal input at the predisciplinary hearing. All of the information provided has been taken into careful consideration before determining a final action.

The Clark County Sheriff's Office views the access of confidential information for personal reasons as a very serious violation of trust and confidence placed upon us by the community that we serve. Such actions bring discredit upon the members of the Clark County Sheriff's Office and the Sheriff's Office as professional law enforcement agency. Therefore, based upon your conduct and violation of the above listed department general orders, you are issued a **Written Reprimand**. Such reprimand will be noted in your personnel file.

Internal Affairs matter #IC11---010

An internal affairs investigation was initiated regarding your use of your assigned Clark County Sheriff's Office patrol vehicle and cellular telephone. That investigation revealed that you used your Clark County issued unmarked Ford Expedition for personal use from approximately March 2009 – March 2011. This activity included using the vehicle for your exclusive and personal use; to include transporting your children which is in violation of department general orders. Also, you transported other family members in your Clark County issued vehicle for personal reasons not related to your official duties and responsibilities as a Deputy Sheriff.

Additionally, you used your county issued cell phone for personal calls for the past two years in violation of the Sheriff's Office policy regarding the use of issued cellular phones.

You engaged in off duty conduct which would discredit the Sheriff's Office by using information you gathered on Michael Melton (ex-wife's new boyfriend), to visit Melton's residence on and off duty, including taking family members by this residence in violation of Sheriff's Office policy.

The investigation and your admissions clearly show that you violated the following Sheriff's Office policies:

- 1) De Minimus Personal Use of County Vehicles While on Duty, General Order 01.16.052, numerous instances;
- 2) Unauthorized Passengers, General Order 01.16.037, many instances;
- 3) Cellular Phone, General Order 01.35.090, many instances;
- 4) Off Duty Conduct, General Order 01.29.310;

The Investigation into this matter was not forwarded, due to the sensitive personal nature of some information in the investigation, to the Board of Inquiry, and you were afforded an opportunity to address investigative concerns directly with Chief Mike Evans. A predisciplinary hearing was conducted regarding this matter on June 20, 2011. You had guild representation present during the predisciplinary hearing in the form a guild representative and the attorney for the guild, Mr. Mark Makler. You presented verbal input at the predisciplinary hearing. During that hearing you presented information that prompted some additional review by the Internal Affairs Unit (to include a daily review of your Automatic Vehicle Locator records, as well as Computer Aided Dispatch records). The Internal Affairs Unit contacted you by telephone and asked if you wished to go over this information with them, affording you an opportunity to present detailed explanatory and/or mitigating information for consideration before a final disciplinary decision was reached. You declined such offer, and told the investigator that he could tell Chief Evans that you agree that you drove your county issued patrol vehicle for 8,000 miles for personal use and purposes outside the scope, duties, and responsibilities in your capacity as a Deputy Sheriff. Additionally, a confidential conversation, with your permission, with Dr. Best took place and the information that she shared was taken into consideration. Therefore, all of the information provided has been taken into careful consideration before determining a final action.

The sheer magnitude of miles driven (8,000 miles on the low end, 15,000 on the high end) when coupled with clearly established policy and organization expectations is nearly incomprehensible. The community entrusts its public servants with the confidence that the equipment they purchased for the public good will be used for the community good, on official functions, and will not be converted nor used for personal benefit or gain. When public officials violate this trust, the community loses confidence it its public servants and their ability to perform their essential service

functions. Such transgressions bring an incredible amount of discredit upon the Clark County Sheriff's Office, the law enforcement profession, and you.

As a result of your conduct identified in IC11---010, effective today, July 20, 2011, your employment as a Deputy Sheriff with the Clark County Sheriff's Office is terminated. Additionally, you are required to reimburse Clark County the following amounts:

- 1) 2009 Personal use of your issued Clark County Sheriff's Office vehicle for 4,000 miles. The IRS mileage rate for 2009 was \$.55 per mile. The reimbursement owed for 2009 is \$2,200.00.
- 2) 2010 Personal use of your issued Clark County Sheriff's Office vehicle for 4,000 miles. The IRS mileage rate for 2010 was \$.50 per mile. The reimbursement owed for 2010 is \$2,000.00.

The total reimbursent amount that you owe Clark County is \$4,200.00. Reimbursement will be made in accordance with the Restitution Agreement, which is attached to this letter.

Your final check will be issued on August 10, 2011 and will include any payment due you through the final date of employment. This final check will be delivered either by registered mail or direct deposit, if you have that already in place. If you would like to make alternate arrangements, or have questions, please contact the Payroll Department at 360-397-2211 ext. 4701.

Coverage of health benefits will continue through July 31, 2011. A packet of information will be sent to you regarding continuation of benefits, the cost, length of time allowed, and other specifics. Any questions you have related to COBRA or benefits may be directed to Clark County Benefits at 360-397-2456.

All uniforms and other items that were issued to you must be returned. An itemized list is attached for your convenience. Please return the listed items to Property by July 29, 2011. If alternative arrangements are required, or you have guestions, please contact Property at (360) 397-2038.

INTEROFFICE COMMUNICATION

WASHINGTON STATE CRIMINAL JUSTICE TRAINING COMMISSION

TO: WSCJTC Commissioners

FROM: Kimberly Bliss, Assistant Director/Certification

SUBJECT: Quarterly Certification Report

DATE: May 27, 2025

SB 5224 (2025)

On May 19, 2025, Governor Ferguson signed SB 5224, WSCJTC's agency requested legislation that made several changes throughout the RCWs that govern officer certification and commissions. A copy of the final law is attached. The changes include:

<u>Definitions</u>: Providing several definitions for terms used in Title 43 RCW (which governs CJTC), including definitions for the terms "certified" and "commissioned":

"Certified" means the individual has met the background check requirements under this chapter; completed the basic law enforcement academy, the corrections officer academy, or other training as determined by the commission; and fulfilled any other requirements adopted by the commission in rule and has been granted a license by the commission to serve as an officer.

"Commissioned" means the appointing entity has granted authority in accordance with local or state law, to act as a peace officer or corrections officer. However, for railroad police officers commissioned under RCW 81.60.010 through 81.60.060, "commissioned" has the meaning provided in chapter 81.60 RCW.

<u>Background Checks</u>: Updating language to make it clear that certified officers must pass a new background check when they change employers, change positions (*e.g.*, they move from a corrections position to a peace officer position within the same agency), or return to the same agency after a brief separation. The prior language was admittedly confusing, and some agencies had interpreted it to mean that certified officers did not need a background check after a separation from employment if their certification had not lapsed. (Certifications lapse after two years of non-employment.)

<u>Part-time Work</u>: Last year, the legislature passed a law allowing for part-time employment of peace and corrections officers. This necessitated an update of the language regarding the lapsing of an officer's certification, which previously provided that certification automatically lapses after a 24-month break in "full-time" service.

<u>Administrative Hearing Process</u>: Updating the hearing procedures to remove the requirement that the Administrative Law Judge (ALJ) issue a proposed recommended order to the hearing panel.

The ALJ will still make all prehearing rulings and preside over the hearing. Now, however, the hearing panelists will be able to deliberate directly after the hearing and direct their assigned Assistant Attorney General to prepare an order consistent with the hearing panelists' determinations. This will save some money, as Certification will not have to pay for two separate versions of the post-hearing order to be drafted. This RCW change will necessitate updating some WACs, which will be presented to the Commission for approval at its September meeting.

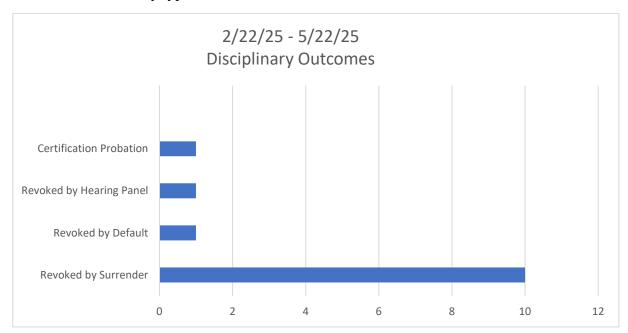

<u>Railroad Officers</u>: Clarifying that the WSCJTC grants railroad police officers commissions but is not their appointing authority for employment purposes.

<u>Miscellaneous</u>: Making other non-substantive language changes for consistency and gender inclusivity.

The Washington state patrol shall forward the fingerprints to the federal bureau of investigation.
- (7) Prior to certification, the employing agency shall certify to the commission that the agency has completed the background check, no information has been found that would disqualify the applicant from certification, and the applicant is suitable for employment as a peace officer or corrections officer.

A peace officer's certification lapses automatically when there is a break of more than ((twenty-four)) 24 consecutive months in the officer's service as a ((full-time)) law enforcement officer. A break in ((full-time)) law enforcement service which is due solely to the pendency of direct review or appeal from a disciplinary discharge, or to the pendency of a work-related injury, does not cause a lapse in certification. The officer may petition the commission for reinstatement of certification. - <u>Investigation</u> Cases under active investigation. A WSCJTC investigator conducts a fair, independent, objective, thorough, and timely investigation and completes an investigation report.
- Administrative Review Cases in Administrative Review status. A Chief Investigator and the Investigations Division Manager
 review the investigation and either approve or require additional work. Cases recommended for charging are forwarded to

WELCOME

Penelope Sapp, Commission Chair

Chair Sapp called the meeting to order at 10:09 A.M. **Stephanie Huffman** conducted a roll call. A quorum was present. **Chair Sapp** began with the land acknowledgement.

CHAIR'S REPORT

Penelope Sapp, Commission Chair

Chair Sapp announced that Vice Chair Reynon has been appointed by Governor Ferguson as the Director of the Governor's Office of Indian Affairs. **Chair Sapp** introduced new commissioner Mo Johnston. **Chair Sapp** announced that Commissioner Snaza will be resigning from the commission on June 1, 2025. He has served on the commission since 2019 and has been a valuable part of the commission.

Public Comment

Three emailed public comments were provided in the commission packet from two community members. The commissioners had no further discussion of the emailed public comments.

Bellevue Police Chief Shirley provided in-person public comment regarding the recent ban of the Sig Sauer P320 at Washington State Criminal Justice Training Commission (WSCJTC) campuses. He informed the Commission of the widespread impact of the ban on police agencies like the City of Bellevue. Chief Shirley asked the Commission to consider a temporary pause on this prohibition. Chair Sapp stated her support for the decision made by Executive Director Alexander. Vice Chair Reynon asked for clarification from Chief Shirley about how Bellevue PD officers would be prevented from attending training. Chief Shirley said he recently had to find a replacement weapon to attend a BLEA graduation. It also impacts officers who need to attend continued training at WSCJTC campuses. Commissioner Pickup asked whether an officer could leave their gun in the car when they need to come to WSCJTC campuses. Chief Shirley stated that the officer would not be in full uniform without their gun. Executive Director Alexander stated that the guns could be left in vehicles. Chief Shirley requested more clarity, because the message sent to agencies was unclear. Commissioner Scairpon acknowledged that his agency is also impacted by the ban on P320 weapons. He stated he has heard that insurance companies are considering not covering agencies that use this weapon.

DIRECTOR'S REPORT

Monica Alexander, Executive Director

Executive Director Alexander announced that the ribbon-cutting ceremony for the new Arlington Regional Campus will take place on March 20, 2025. The first day of training will begin on March 24, 2025. She announced that there is no longer a waitlist to get into the academy.

Executive Director Alexander stated that as of March 7, 2025, the WSCJTC is now an International Association of Directors of Law Enforcement Standards and Training (IADLEST) Accredited agency. The WSCJTC also received an award of excellence. Renee Berry worked hard to make this happen for the agency. There was a meeting last Friday where the campus was evaluated. We received comments about how clean the gym was, as well as on the organized firing range and signage to keep everyone safe. The WSCJTC has asked for a new range from Olympia. The current range has a horrible ventilation system. The WSCJTC wants everyone who trains on this campus to be safe. We have a very old building that wasn't intended for what we use it for, but all our staff pull together to make it work. The accreditation report is available online. On June 1, 2025, we will go to North Carolina to receive the award of excellence for the agency.

Use of Force Presentation

Rich Peterson, Control/Defensive Tactics (CDT) Program Manager

Rich Peterson is the Use of Force (UOF)/CDT Program Manager for the WSCJTC. He presented on the history of development of the current CDT curriculum. After Initiative 940 passed and the Attorney General's Model Use of Force Policy was enacted, the WSCJTC had to restructure its use of force curriculum. The WSCJTC met with stakeholders and interest groups in 2022. The WSCJTC issued its first UOF Instructor Course for Washington State Patrol (WSP) and later held a Spokane UOF Instructor Course.

Rich Peterson explained the mission given to him by Executive Director Alexander when he became the Defensive Tactics program manager. He explained that all WSCJTC CDT curriculum is legally defensible; all lesson plans and training are documented; the Advanced Training curriculum is intertwined with pre-BLEA, BLEA, and post-BLEA; training is consistent with all agencies in Washington state; and instructors must meet certain criteria and expertise to train at WSCJTC. On September 12, 2023, the WSCJTC presented a curriculum demonstration for approval. Rich Peterson said that as of March 2025, 315 UOF/CDT Instructors have been trained across Washington. Seventy more officers are going through the UOF/CDT course at WSCJTC between March 17-21. Then, 50 students are being training between March 24-28. The WSCJTC does outreach and engagement regarding its UOF training. Rich Peterson and his team have presented for Pierce County Council, the National Academy of State Legislators, and at the National Conference for State Legislators. Rich Peterson and his team provided a demonstration for the commissioners on several handcuffing and force techniques. The presenters demonstrated the LEED technique – Listen and Explain with Equity and Dignity.

¹ Washington WSCJTC Final Report - BURIEN.pdf

Commissioner Thomas asked how frequently experienced officers are being trained using the new curriculum. Rich Peterson said part of the 40-hour LEAD course is to teach instructors how to go back and train their peers. He said it starts with the Chief on down and stressed the importance of training peers. **Commissioner Thomas** commented that Spokane PD remains number three in the nation for officer-involved shootings and she hopes this training becomes habit for officers. Vice Chair Reynon thanked Rich Peterson for the presentation. He said this was something many commissioners would have hoped to see implemented across the state. He asked if there is anything the Commission can do to meet this "gold standard" of 20 hours of training annually. Rich Peterson said this is most likely to happen if it is mandated by the Legislature. Commissioner Johnston asked for clarification whether this training is being taught to officers who will go on to train others. **Rich Peterson** responded in the affirmative. Commissioner Johnston asked whether the WSCJTC has concerns about adherence to the fidelity of the training model when the in-service officers who take the training go back and teach use of force at their agencies. Rich Peterson said he understands the concern, and that is why all of the WSCJTC training is documented. He said the fault falls on the agencies if their use of force policies and training are not consistent with the AG's Model Use of Force Policy. Commissioner Johnston asked whether any auditing of agencies occurs. Chris Travis, Applied Skills Training Division Manager, responded that the WSCJTC has an auditing team. Commissioner Johnson asked what sort of technical assistance is available. Rich Peterson said he leads the advanced trainings. The WSCJTC trainers are always there to support, and they travel to agencies to help with instruction. **Commissioner Johnston** asked if there are plans to expand the audits of agencies to ensure the fidelity to the model of instruction. Rich Peterson said that the WSCJTC is working with use of force data that will show who is training and who is not training. Commissioner Johnston suggested looking at the duration that officers hold people in these restraints and compressions that might restrict their breathing. A restraint can quickly turn into deadly force. Rich Peterson responded that he teaches students to consider the subject's medical concerns first so an event like that doesn't happen. The WSCJTC also trains on how to deal with people with behavioral disorders. Commissioner Lockrem asked if there are alternatives to the bear hug that was presented earlier that would work for smaller statured officers. Rich Peterson responded that the WSCJTC does not teach techniques that a smallerframed person can't do. The WSCJTC also teaches officers to use critical thinking, such as whether a small statured person should engage with two subjects. Chair Sapp commented that she appreciates what Rich Peterson said about the consistency of the training. Recruits at the academy are learning techniques that tenured officers do not know. She asked whether all agency instructors are informed when a training or techniques taught at the academy change. Rich Peterson responded in the affirmative. He said these instructors must recertify every two years. The WSCJTC sends information out all the time. Executive Director Alexander commended Rich Peterson and his team. They participate in after-hours training. Rich is willing to talk to anyone about the use of force training and policy.

Certification Report

Kimberly Bliss, Assistant Director, Certification Bureau

Assistant Director Bliss stated that in March of 2022, the Commission passed a motion that stated that Certification should be looking at conduct that predated the SB 5051 statute. The Certification Bureau has now received its first legal challenge to that position, and there has been a motion to dismiss a case that includes conduct that predates the statute. The AG's office has filed an opposition to this motion.

Assistant Director Bliss presented the final 2024 Certification Action Summaries report that contains details on all cases resulting in disciplinary action against an officer's certification in 2024. There have been 11 officers decertified since the last commission meeting. The overwhelming majority of cases that resulted in decertification or probation originated with agency Notice of Separation forms. The Certification Bureau has had to slow the issuance of new Statement of Charges in part because the Bureau has surpassed its budget for the Attorney General's office. Vice Chair Reynon asked what the status of the officers are while their cases are pending. Assistant Director Bliss said the Bureau prioritizes cases consistent with the prioritization policy and against officers who are still working. Problematically, those are the cases that cost more of our budget. Commissioner Pickup asked if Jeff Nelson is still certified.

Assistant Director Bliss responded that Nelson surrendered his certification, and the final order will be issued soon.

Assistant Director Bliss informed the commissioners that the Certification Bureau has a backlog at every stage in the process. The Bureau gets more cases each year than it has the staff to close. Certification recently lost one investigator, but the Bureau is working to fill that vacancy. We are implementing new workflows to help address the backlog. These changes, which Certification hopes to implement in the next couple weeks, requires Certification to update processes. The changes are as follows:

- Cases that are <u>administratively closed</u> without an investigation were previously being reviewed by two managers, with the option for a complainant to appeal to the Assistant Director. The new process would be that three managers must approve the administrative closure, with no appeal option.
- Cases for which charges are <u>declined</u> after the investigation previously were reviewed by two managers and the Assistant Director, with the option for the complainant to appeal to the Executive Director. Now, these investigations will be approved by the Chief Investigator and Investigations Division Manager, with the option for the complainant to appeal to the Assistant Director.

• Lastly, cases where we issue a <u>Statement of Charges</u>, there is no change in the process. The investigator, two managers, and the Assistant Director all review the case, and the Assistant Director determines whether to issue charges.

Vice Chair Reynon asked who appeals cases that are not charged. **Assistant Director Bliss** responded that some complainants appeal the finding of their case.

Assistant Director Bliss responded to the request made by Commissioner Thomas at the last Commission Meeting for a better understanding of Certification's Administrative Closure process. She informed the commissioners that most Certification policies will be updated this year. Last year, Certification hired a manager-level position who determines the priority of all cases in Intake Review status and completes an Intake Review Summary (IRS) recommending the case for either investigation or administrative closure. The Case Review Manager reaches out to complainants prior to completing the IRS. Assistant Director Bliss said that since last year, Certification requests the agency's internal affairs file for the officer during the Intake process. Commissioner Thomas asked how Certification flags or escalates cases that contain very serious allegations of misconduct. She had two other comments about backgrounding of candidates who should not have been hired. Assistant Director Bliss explained that sometimes Certification opens a case immediately after the incident, either through receiving a complaint or divisioninitiating a case. High priority cases sometimes have pending criminal or agency internal affairs investigations. She used the example of the Jeffrey Nelson case. Certification served him with a Statement of Charges before his criminal case was resolved, and the Administrative Law Judge stayed the Certification case pending the outcome of the criminal case. Commissioner Thomas commented that she read one of the 2024 certification action summaries and saw an officer was convicted of a crime in another state and was still able to pass a background check in Washington. In a second case, an officer disclosed some very serious things on his background and was still hired. Commissioner Thomas said she wonders whether there are holes in the process of hiring and backgrounding officers. Assistant Director Bliss said that backgrounding in the state of Washington is conducted by the hiring agency. The Commission puts out guidelines and criteria, but the agency completes the background. She said that at the next Commission Meeting, she will bring forward a proposed Washington Administrative Code (WAC) change that relates to Commissioner Thomas' concerns. Commissioner Scairpon stated that he has reviewed some woefully inadequate backgrounds. It is incumbent on Sheriffs and Chief executives to set a high standard. Some people try to sneak through the process, but we have to have the proper controls in place. **Commissioner Pickup** asked about the consequences for officers who are dishonest on their background. Assistant Director Bliss said that Certification would open a case and that such conduct falls within the revocation statute. **Commissioner** Lockrem stated that at her agency, it is an automatic disqualification if someone provides inaccurate information on a background. Commissioner Pickup asked if the agency that discovers about the dishonesty during a background should report it to the WSCJTC. Assistant Director Bliss responded that an agency's obligation to report depends on when it was

discovered. The statute does not require agencies to notify the WSCJTC if they do hire the individual. If the person was already hired and the agency learns of the dishonesty and then separates the individual, they are required to report the separation and misconduct to WSCJTC. Executive Director Alexander commented that Assistant Director Bliss makes herself available for agencies to contact when they are unclear of their requirements or Certification processes. Chair Sapp thanked Assistant Director Bliss for presenting at the Kitsap County Chiefs' Meeting recently. Assistant Director Bliss said that herself and the Certification division managers frequently give presentations. She recommended that agencies contact Certification if they are uncertain if a notification is required. Commissioner Johnson asked if, after giving multiple presentations, Assistant Director Bliss had noticed any "frequent flier" agencies. Assistant Director Bliss said she doesn't yet have an answer to that question, and that multiple misconduct notices from a single agency may not mean that the agency that has more misconduct than others, but that it is more faithfully fulfilling the statutory notice requirements.

NEW BUSINESS

December 2024 Meeting Minutes

Commissioner Pickup moved to approve the December 2024 commission meeting minutes. **Commissioner Scairpon** seconded the motion. <u>The motion passed unanimously.</u> **Commissioner Johnston** abstained because she wasn't on the commission at that time.

Conflict of Interest Policy

Kimberly Bliss, Assistant Director, Certification Bureau and Kayla Wold, Hearings Coordinator

Assistant Director Bliss and **Kayla Wold** presented proposed changes to the Certification Conflict of Interest policy. **Chair Sapp** entertained a motion to adopt the policy changes. **Vice Chair Reynon** motioned to approve. **Commissioner Johnson** seconded the motion. <u>The motion passed unanimously.</u>

WAC 139-03-030 Extension Requests

Kayla Wold, Hearings Coordinator; Captain Robert Sharpe, Washington State Patrol; Chief Michael Melcher, Colfax Police Department

Kalya Wold presented a Washington State Patrol (WSP) request for an extension for a trooper who did not complete the mandatory 2024 online Crisis Intervention Training (CIT) course. All members of the department must complete the training for the agency to be found in compliance. The WSCJTC denied WSP's request for an extension, and now Washington State Patrol (WSP) is appealing the finding. **Commissioner Scairpon** asked Captain Sharpe for the number of WSP certified employees and was informed WSP has just under 1,000 troopers. **Kayla Wold** noted that WSP has a longstanding history of compliance. **Captain Sharpe** explained how the trooper's training was overlooked at multiple levels. **Vice Chair Reynon** noted it was the trooper's responsibility to take the training. He asked if the extension is denied, whether the trooper can still take the training. **Kayla Wold** said that no, the officer does not have the

opportunity to complete the training. Vice Chair Reynon asked what the implication would be if the Commission did not approve the extension request. Kayla Wold answered the entire agency would be found non-compliant with the training. Commissioner Pickup asked if this impacts the trooper's roles and responsibilities. Kayla Wold clarified that it only impacts the agency's compliance with the training, but it does not otherwise impact the trooper. Commissioner Thomas summarized her understanding that the officer had the responsibility to complete the training and now WSP is requesting an extension from the Commission to remove the blemish on the agency's record for being non-compliant. Chair Sapp summarized the request similarly. **Commissioner Pickup** asked if the officer can still access the 2024 training without the Commission's approval, to which **Kayla Wold** responded no. **Commissioner Hunter** asked if officers are given enough information and guidance about required trainings and their deadlines. Kayla Wold said that responsibility falls on the agency; however, the WSCJTC's system sends out reminders to notify officers of training. Commissioner Pickup commented that if the Commission does not approve this, one officer will have two hours less training than their peers. Commissioner Johnson asked what safeguards were put in place to ensure this doesn't happen again. Captain Sharpe explained that the trooper was immediately ordered to take the training, but it was no longer available to them. District commanders are now putting this reminder into their operational plans. Commissioner Reynon asked the Executive Director how she feels about the Commission overturning the WSCJTC's denial for an extension. Executive Director Alexander said she feels fine about it. The WSCJTC does not have the authority to grant the extension without Commission approval.

Commissioner Johnston motioned to approve the extension. **Commissioner Lockrem** seconded the extension. <u>The motion was approved unanimously.</u>

Kayla Wold and Chief Michael Melcher of Colfax PD presented a waiver request for an officer who did not complete the same 2-hour online CIT course prior to his date of separation in October 2024. Colfax PD submitted his Notice of Separation (NOS) form to WSCJTC, and it shows a separation date in February 2025. Due to this, the agency was found out of compliance with the 2024 CIT training. Commissioner Scairpon asked if the agency could modify the separation paperwork to mitigate the issue. Assistant Director Bliss asked that the agency amend the NOS form and send it again to the Certification Bureau. Vice Chair Reynon asked if this officer is currently employed by another agency. Kayla Wold said that the officer is not attached to any agency currently. Chair Sapp informed Chief Melcher that he can submit a revised NOS form, and the issue would be resolved.

Variance Request

Valerie Jenkins-Weaver, Certification Operations Division Manager

Valerie Jenkins-Weaver presented on the variance request and clarified that this was a WSCJTC administrative error. The officer has been an active deputy since 2013 with no sustained

complaints. He is up-to-date on training. **Commissioner Pickup** confirmed that the officer has received all necessary training. **Valerie Jenkins-Weaver** responded in the affirmative.

Commissioner Kendricks motioned to approve the variance request. **Commissioner Hunter** seconded the motion. The motion passed unanimously.

<u>C-ME Advanced Medicolegal Forensic Investigation Training Attendance Policy</u> *Jennifer Pendray, Coroner/Medical Examiner Program Manager*

Jennifer Pendray presented the proposed amendments to the attendance policy. Chair Sapp asked if the course participants sign in to attendance. Jennifer Pendray responded that attendance is monitored throughout the day. Vice Chair Reynon stated that for attorney trainings, you can't record full attendance unless you attend the full training. He asked who determines what situations qualify for an extenuating circumstance. Jennifer Pendray said she does not have a specific answer to that question. However, the participants must attend at least 90% of the course to get full credit. Otherwise, they may get partial credit.

Commissioner Johnston made a motion approve. **Commissioner Johnson** seconded the motion. The motion passed unanimously.

Chair Sapp adjourned the meeting at 12:59 P.M.

INTEROFFICE COMMUNICATION

WASHINGTON STATE CRIMINAL JUSTICE TRAINING COMMISSION

TO: WSCJTC Commissioners

FROM: Kimberly Bliss, Assistant Director/Certification

SUBJECT: WAC 139-07-010 Update

DATE: May 22, 2025

WAC 139-07-010 governs "Conditional offers of employment."

Agencies must complete a background investigation for every applicant before making a nonconditional offer of employment. The background check includes, but is not limited to, a criminal history check, a certification check, a check of prior disciplinary records, a polygraph, and a psychological examination. Agencies must verify in writing to the Commission that the background check "has been satisfactorily completed *and no disqualifying information* has been found." WAC 139-07-010(3)(b)(i) (emphasis added).

This amendment makes it clear that agencies cannot hire officers whose background check reveals misconduct that requires **mandatory** decertification. This will preclude agencies from hiring officers who separated from employment after engaging in the misconduct listed in RCW 43.101.105(2) from obtaining employment at another agency prior to the conclusion of the decertification action.

KAB:ng Attachments

- (i) Upon completion of the background check, the hiring agency must certify that the background check has been satisfactorily completed and no disqualifying information has been found, including any conduct meeting the criteria requiring denial or revocation of certification set forth in RCW 43.101.105(2).
- (ii) At its discretion, the commission may review and audit back-ground checks for compliance with standards established by applicable statutes and rules.
- (iii) The hiring agency has the duty to evaluate information obtained in a background check and assure that the applicant meets certification standards of RCW 43.101.105 (2) and (3).

INTEROFFICE COMMUNICATION

WASHINGTON STATE CRIMINAL JUSTICE TRAINING COMMISSION

TO: Commissioners

FROM: Certification Bureau

SUBJECT: Variance Request – Kalispel Tribal Police Department/ Amber

McLeod

DATE: 05/21/2025

Greetings Commissioners:

Kalispel Tribal Police Department (KTPD) Chief of Police Rodney Schurger submitted a request for a Basic Law Enforcement Academy (BLEA) training variance to the Executive Director for Amber McLeod on May 8, 2025. Pursuant to WAC 139-03-030(3), the variance request must be presented to the Commission for full consideration at its next meeting.

Ms. McLeod resigned from the Seattle Police Department (SPD) on December 13, 2018, and her certification expired on December 13, 2023. Under these circumstances, she would be required to attend the Basic Law Enforcement Academy (BLEA). *see* WAC 139-06-010(3)(d).

Commission staff reviewed Ms. McLeod's WSCJTC records, which revealed the following information:

- SPD hired Ms. McLeod on March 5, 1998. She completed BLEA on August 14, 1998, and was certified on January 1, 2002, when peace officer certification was mandated.
- SPD hired Ms. McLeod on March 5, 1998. She completed BLEA on August 14, 1998, and was certified on January 1, 2002, when peace officer certification was mandated.
- Ms. McLeod resigned from SPD on December 13, 2018.
- In 2023, Ms. McLeod became a certified defensive tactics instructor. She continued to
 work with WSCJTC and became a full-time Corrections TAC Officer at the Spokane
 campus from 2023 to 2024.
- Ms. McLeod completed LETCSA 4050 Introduction to the Historical Intersection of Race and Policing on May 15, 2025.
- Ms. McLeod's certification has expired due to her resignation and before the implementation of E2SSB 5051. At the time of her resignation, she was in good standing with no reported complaints or agency notices.

Chief Schurger provided the following information to be considered:

- Ms. McLeod had a 20-year career with SPD, where she worked as a patrol officer, a homicide
 and cold case officer, an undercover officer with major crimes, and during her last 10 years in an
 advanced training unit.
- Ms. McLeod's extensive experience as a contractor, teaching, and training recruits at the Spokane campus.

- Train recruits on mental health issues that can be observed in the field and how to handle acute behavioral disorders and other mental health issues observed in the field.
- Reference five pages titled Amber McLeod.

Due to Ms. McLeod's extensive career and the training completed during her contract and TAC position, Chief Schurger respectfully requests that Ms. Amber McLeod be granted a variance to attend the Basic Law Enforcement Equivalency Academy to reinstate her certification. KTPD Chief Schurger and Captain Bret Pierson will be available for questions.

KALISPEL TRIBE OF INDIANS DEPARTMENT OF PUBLIC SAFETY

Rodney J Schurger, Chief of Police

May 7, 2025

Valerie Jenkins-Weaver Washington State Criminal Justice Training Commission Certification Bureau / Operations Division Manager

Ms. Valerie Jenkins-Weaver,

The Kalispel Tribal Police Department would like to hire and retain Amber McLeod as Lateral Police Officer. McLeod's certification as a Commissioned Officer in the State of Washington expired on December 31, 2023. We respectfully request a variance and exemption from the five-year rule. We understand that she would still be required to attend and successfully pass the two-week equivalency academy once she has been hired.

The Kalispel Tribal Police Department feels that with McLeod's twenty-year career with the Seattle Police Department, along with her extensive experience as a contractor, teaching and training cadets at the Police Academy for the Washington State Criminal Justice Training Commission, she should be allowed to be hired as a Lateral Officer.

As you will see from Ms. McLeod's attached resume, she has had a very extensive and diverse career with the Seattle Police Department. She has worked as a patrol officer, a homicide and cold case officer, an undercover officer with the major crimes department and worked for her last ten years in the advanced training unit.

After twenty years of a successful career in law enforcement, McLeod retired in good standing with the Seattle Police Department in the beginning of 2019 to care for her family. McLeod soon realized her passion remained in Law Enforcement and training new officers in the career field. McLeod went on to be a Certified Defensive Tactics and Use of Force instructor and has been retained as a contractor for the Washington State Criminal Justice Training Commission to assist with training Law Enforcement Officers and Correctional Officers in Defensive Tactics and Use of Force.

The Kalispel Tribal Police Department believes Ms. Amber McLeod would be a great asset to our department with her extensive knowledge and experience in training officers and her twenty-plus years' experience as an Officer with the Seattle Police Department.

Captain Bret Pierson or I will be available for the commission meeting by Zoom or in person if necessary to answer any questions the commission may have.

Respectfully submitted

Rodney J. Schurger Chief of Police

Kalispel Tribal Police Department

Amber McLeod

With over two decades of dedicated service in law enforcement, I have a strong diverse skill set that spans various facets of the field. From patrolling communities and conducting criminal investigations to collaborating with different agencies and engaging in community outreach, my extensive experience has equipped me with a deep understanding of the complexities and challenges inherent in maintaining public safety. I committed many years of my career to mentor and teach others the skills to become a highly skilled, safe and professional Officers. During the last 10 years of my career this allowed me to stay up to date on the training and expectations of the Seattle Police Department, State of WA CJTC and WA State Attorney General's Office. I oversaw the Field Training Unit, and was a certified trainer within the Advanced Training Unit of the Seattle Police Department. My commitment to upholding the law and protecting citizens has been unwavering, and throughout my career and my personal life. When I left the Police Department late in December of 2018, it was a personal, family decision to move from the area and be a full time mother to my youngest who had extensive learning disabilities. This was a career decision that was difficult and life changing.

Since leaving the Department as a sworn Officer, I was able to be a mother to my son as he needed, but the career I loved did not leave my heart. I began to speak to those I worked with for over 20 years and got back into the training world for Law Enforcement in 2023. I became a contractor for WA State CJTC and became a certified DT Instructor for Law Enforcement and CJTC BLEA.

I was training the current WA State AG's Use of Force Policy, de-escalation and Defensive Tactics techniques to current Law Enforcement Officers around the state and within the Burien Academy.

This opportunity allowed me to become current on state laws for use of force, handcuffing techniques, use of force techniques, with and without weapons and CPR. This training also allowed me to train Officers and BLEA Recruits on mental health issues that can be observed in the field and how to handle Acute Behavioral Disorder and other mental health issues that Law Enforcement encounters on a daily basis. As a WA State DT Instructor I instructed on Use of Force report writing and a span of Defensive Tactics that are taught and accepted by the WA State AG's Office. See Below for a list of areas I instructed consistently for State of WA CJTC, during 2023 and 2024.

List not limited to all listed:

Field Interview Stance – this should resemble a professional Officer who is giving service to their community. How to communicate and use de-escalation techniques in hopes to stop the use of force from occurring. Instructed different de-escalation techniques

Prisoner Control in and out of a vehicle

Taught the LEED Model (Listen and Explain with Equity and Dignity) Instructed how to treat those we encounter with the LEED model and why it is important.

Instructed Use of Force Model Policy

I also assisted with Mock Scenes with BLEA. Mock Scenes are given to have their skills used and tested in a scenario situation that could occur while working their daily patrol duties. I was able to provide instruction, corrections and guidance from my current training, up to date state requirements and past Law Enforcement experience. I was able to continue to keep my skills current with the instruction I was providing. I was a contractor being used consistently from 2023-July 2024.

I became a full time Tac Officer for the WA CJTC Spokane Academy in July of 2024 and was the LEAD DT Instructor at the Academy. I also instructed in class curriculum. This included many courses that BLEA and Law Enforcement standards are the same.

Defensive Tactics was instructed daily on all WA State CJTC DT curriculum

I became a certified AXON Taser Instructor

All of the above is what I have done since 2023. My skill set from the over 20 years of experience in Law Enforcement at Seattle Police Department and training I received and provided while in law enforcement assisted me to continue using my skills in the training environment of CJTC and Law Enforcement Departments. I was able to continue to keep up my law Enforcement skills, learn new skills and be aware of the changes that have been made since leaving the Seattle Police Department.

I also provide weekly security (as a volunteer) within my church, that has allowed me to provide my training and experience in working with the community within the church and those who have attended with mental health issues. I am assisting with the training of those who are providing security on how to deescalate any hostile incidents that may occur and how to advise law enforcement of any assistance that may be needed. I have been able to use my skills from my past law enforcement experience while training others and in real life circumstances.

All of the above that is shown has allowed me to stay up to date on the changes and skills within Law Enforcement even while not doing the job on a daily basis.

This is another explanation for the CDT training I am certified in and that I have been training since 2023 with WA State CJTC.

The course is the foundation for Control/Defensive Tactics (C/DT) and Use of Force (UOF) for Law Enforcement Officers. This course includes the basics of motor learning, practice structure, class structure, and skill instruction. This comprehensive and practical course will help each new instructor develop the skills and confidence to assist in all the essential C/DT and UOF classes taught at the Basic Law Enforcement Academy (BLEA) and in-service training incorporating current Job Task Analysis (JTA) findings and recommendations.

The training is designed to develop instructors to train newly employed recruit and incumbent officers in C/DT and UOF while creating a network of subject matter experts to support their agency and the region. This series begins with updates to the C/DT instructor course, followed by future updates to the advanced instructor courses that build on the foundation set forth.

Upon completing this course, the instructor will be certified by WSCJTC to disseminate the knowledge and skills provided to their agency and regional law enforcement partners. The certified Officer will be able to assist Lead and Regional instructors in delivering the Use of Force and Control/Defensive Tactics curriculum.

Since October of 2023 I have been working with WA State Criminal Justice Training Defensive Tactics Cadre. I was first certified as a certified WA State CJTC Defensive Tactics Instructor. This course reviews Use of Force, behavioral disorders, report writing and how to teach control defensive tactics. This course models the Attorney General's policy on use of force and de-escalation for all Peace Officers in Washington. Once certified, I was hired as a WA State CJTC Contractor, and trained the Use of Force classes as an instructor with the CJTC lead, Rich Peterson and his Cadre. I was an instructor for other law enforcement agencies around the state and also was a BLEA DT Instructor at the Burien Police Academy.

I had a career as a Law Enforcement Officer with the City of Seattle for over 20 years. I left the department for a family move decision in mid-December of 2018. In 2023 I was given the opportunity to return to the training portion of Law Enforcement and immediately began to be a part of the career I loved and did for over 20 years of my life.

I continued this instruction through July of 2024 when I was offered a full time Tac Officer position with the satellite Corrections Academy, run by WA State CJTC. There I was the lead DT instructor and continued to provide training to students daily on Law Enforcement state laws and expectations of WA State Law Enforcement Officers.

During this training, I have kept up to date on the Use of Force policy for Law Enforcement Officers in the state of WA. I was training and using the appropriate handcuffing procedures that are trained for a compliant and non-compliant subject. I used de-escalation techniques on a daily basis within a Law Enforcement environment. I instructed students on Use of Force. I instructed students on how to treat subjects with the LEED Model. I became a certified AXON Taser Instructor in 2024 and assisted with training students with Taser certification. Although I had several years off from my career I was able to get back into the training side of Law Enforcement that I was a part of when I left the department. This opportunity along with the years I served have allowed me to be able to keep up on the skills as an Officer and be up to date on the Use of Force Laws and expectations of today's Law Enforcement Officer. When I left the Department I was assigned to Field Training and Advanced Training Unit for Seattle PD and with the opportunity I was given as a contractor and Tac Officer for the Academy it has allowed my skills of an Officer to stay current and understand the expectations of Officers today.

On a weekly basis I volunteer my time at my church as a safety team member, providing security and support for the church member and surrounding members of the community.

INTEROFFICE COMMUNICATION

WASHINGTON STATE CRIMINAL JUSTICE TRAINING COMMISSION

TO: Commissioners

FROM: Certification Bureau

SUBJECT: Variance Request – Stevens County Sheriff's Office / Matthew

Stephens

DATE: 05/21/2025

Greetings Commissioners:

Stevens County Sheriff Brad Manke submitted a request for a training variance to the Executive Director for Deputy Matthew Stephens on May 1, 2025. Pursuant to WAC 139-03-030(3), the variance request must be presented to the Commission for full consideration at its next meeting.

Deputy Stephens resigned from the Stevens County Sheriff's Office (SCSO) on January 8, 2023. Deputy Stephens's certification lapsed on January 8, 2025. Under these circumstances, Deputy Stephens is required to attend the Basic Law Enforcement Equivalency Academy (BLEEA). *see* WAC 139-06-010(c).

Commission staff reviewed Deputy Stephen's WSCJTC records, which revealed the following information:

- Deputy Stephens was employed with SCSO from April 15, 2019, to January 8, 2023. While employed with SCSO, Deputy Stephens completed the Basic Law Enforcement Academy and was certified on September 6, 2019.
- On the day of his resignation, Deputy Stephens was rehired as a non-certified reserve officer. Deputy Stephens remained a reserve officer until Sheriff Manke rehired Deputy Stephens on April 9, 2025, as a full-time, fully commissioned deputy.

Sheriff Manke provided the following information to be considered:

- Deputy Stephens remained a full-time, fully commissioned deputy in good standing until he resigned to be the Safety Director with the Kettle Falls School District.
- As the Safety Director, Deputy Stephens continued to work in cooperation with the Kettle Falls Police Department as well as the SCSO.
- As a reserve deputy, Deputy Stephens continued to complete in-service training and statemandated training. Deputy Stephens also used his experience and knowledge to instruct inservice training at SCSO and was part of the Special Response Team, which required him to complete additional training.

Due to continued employment with SCSO and completion of the required training, Sheriff Manke respectfully requests that Deputy Stephens be granted a variance to reinstate his certification without additional academy training. SCSO Chief Deputy Gowin will attend the Commission meeting to answer any questions.

Washington State Criminal Justice Training Commission Certification Bureau 19010 1st Avenue South Burien, WA 98148

Deputy Matthew Stephens was originally hired by our agency in April of 2019. He graduated from the CJTC Basic Law Enforcement Academy on September 6th of that year and received his certification as a peace officer. He was assigned to our patrol division, marine patrol unit and Special Response Team. He left full-time employment with our agency in January of 2023 to take the position of Safety Director with the Kettle Falls School District. While serving in that role he actively worked in cooperation with the Kettle Falls Police Department and our agency. While serving as the School Safety Director he planned, managed and directed an active shooter drill that incorporated all area law enforcement agencies, fire and EMS.

Deputy Stephens remained a volunteer reserve deputy with our agency while employed by KFSD. He remained a member of our Special Response Team serving as the Designated Marksman. During his time as a volunteer reserve deputy, he attended monthly SRT trainings, department in-service trainings and became a certified active shooter response instructor. During his time as a volunteer, he responded to numerous critical incidents with SRT and covered around eight patrol shifts per year.

Deputy Stephens was rehired as a full-time deputy in April of this year. In accordance with WAC 138-03-030 I am requesting a variance to the requirement to attend the Basic Law Enforcement Equivilency Academy. Deputy Stephens has demonstrated his knowledge of current case law and de-escalation tactics. Our agency is severely understaffed and his inability to cover shifts during the time of his attendance would harm our department.

Respectfully,

Sheriff Brad Manke

PATROL RIFLE INSTRUCTOR

Entry & Update/Recertification Course for 50 Yard Range

Washington State Criminal Justice Training Commission

This course will be administered to those seeking to gain entry into the Patrol Rifle Instructor course # 2014 and for those instructors attending the Patrol Rifle Portion of Firearms Instructor Update or Recertification.

Instructions:

- 1. This course must be completed using an agency issued and or approved patrol rifle and sights/optics.
- 2. The target to be used is the BLEA Tactical silhouette. Participants will be given two opportunities to achieve a passing score.
- 3. A passing score shall be 90% (450pts) of the 500pts possible. A miss off the silhouette will result in zero points AND a 10 point penalty. INTEROFFICE COMMUNICATION

WASHINGTON STATE CRIMINAL JUSTICE TRAINING COMMISSION

TO: Commissioners

FROM: Certification Bureau

SUBJECT: Variance Request – Nisqually Public Safety / Jasper Bruner

DATE: 05/29/2025

Greetings Commissioners:

Nisqually Public Safety (NPS) Chairman Ken Choke submitted a request for a Basic Law Enforcement Academy (BLEA) training variance to the Executive Director for Jasper Bruner on May 28, 2025. Pursuant to WAC 139-03-030(3), the variance request must be presented to the Commission for full consideration at its next meeting.

During the March 8, 2023, Commission meeting, the Tulalip Tribal Police Department (TTPD) requested a variance for Mr. Bruner to attend the Basic Law Enforcement Equivalency Academy (BLEEA). The Commission unanimously approved this request. However, Mr. Bruner resigned from Tulalip Tribal PD before completing the required BLEEA training.

During the March 8, 2023, Commission meeting, the following was presented:

- Mr. Bruner was hired by NPD on January 3, 2007, and received certification on March 30, 2010. Officer Bruner resigned on June 26, 2015.
- On July 1, 2015, Mr. Bruner was hired by Neah Bay Tribal Public Safety (NBTPS), a non-certified tribe, as the new NBTPS Police Chief. Mr. Bruner's certification expired on June 26, 2020, and he resigned from NBTPS on October 2, 2022.
- TTPD hired Chief Bruner on October 3, 2022. Due to Chief Bruner's expired certification, TTPD submitted a variance request to the Commission on March 8, 2023. This request was based on Chief Bruner's continued employment with a law enforcement agency.

Chairman Choke has presented the following for consideration:

- From March 2023 February 2025 Chief Bruner accepted a federal position with the US Department of Commerce, serving as the National Tribal Liaison for the First Responder Network Authority (FirstNet). While outside traditional police work, it was directly related to tribal public safety and lasted less than 24 months.
- NPS hired Chief Bruner on March 1, 2025.

Due to the Commission's previous approval, Chairman Choke is requesting that Chief Bruner attend BLEEA. Chairman Ken Choke will be available for questions during the meeting

NISQUALLY INDIAN TRIBE

FROM: NISQUALLY TRIBAL CHAIRMAN KEN CHOKE

CC: KARLEE REED-JOHNSON, VALERIE WEAVER

RE: REQUEST FOR EXEMPTION, WAIVER, EXTENSION OR VARIANCE.

DATE:

Washington State Criminal Justice Training Commission

Attn: Commission Members 19010 1st Ave South Burien, WA 98148

RE: Request for Variance to Attend the Equivalency Academy - Chief Jasper Bruner

Dear Commissioners,

I, Ken Choke, Chairman of the Nisqually Tribe, respectfully submit this letter as a formal request for a variance to allow Chief Jasper Bruner to attend the Basic Law Enforcement Equivalency Academy (BLEA). This request is made in light of a lapse in Chief Bruner's Washington State Criminal Justice Training Commission (WSCJTC) reciprocity certification.

This matter was previously brought before the Commission during its 2023 session. Meeting minutes are attached for your reference. The lapse in certification stems from Chief Bruner's 2015 transition from the **Nisqually Police Department** (a Public Law 280 tribe), where he successfully completed the Equivalency Academy, to the **Neah Bay Public Safety Department** of the **Makah Tribe**, a Bureau of Indian Affairs (BIA) 638 Contract/Self-Governance agency. At that time, Neah Bay Public Safety did not have a Memorandum of Understanding (MOU) with WSCJTC, which has since raised concerns regarding a perceived break in his recognized law enforcement service.

From 2015 to 2022, Chief Bruner served continuously as Chief of Police for Neah Bay Public Safety. In 2022, he transitioned to the Tulalip Tribal Police Department (a PL

280 agency), which renewed his active status with WSCJTC and led to an initial variance request—granted by the Commission during the 2023 session.

In March 2023, Chief Bruner accepted a federal position with the U.S. Department of Commerce, serving as the National Tribal Liaison for the First Responder Network Authority (FirstNet). His tenure there, while outside traditional police work, was directly related to tribal public safety and lasted less than 24 months, ending in February 2025.

As of March 3, 2025, Chief Bruner resumed full-time duties as Chief of Police for the Nisqually Police Department. Given his continuous leadership in tribal law enforcement and his brief, relevant federal service, I respectfully request a variance permitting him to attend the BLEA for reinstatement of his WSCJTC certification.

While I fully recognize and respect the Commission's standards regarding service continuity and MOUs, I believe Chief Bruner's demonstrated commitment to tribal policing and public safety leadership across multiple jurisdictions and agencies warrants reconsideration. Therefore, I respectfully request that this matter be added to the **agenda for the next Commission meeting**, where we would like the opportunity to present this case in person and provide a comprehensive overview of his service record.

Thank you for your time and thoughtful consideration of this request.

Sincerely, Ken Choke

OPENING

De'Sean Quinn, Commission Chair

Chair Quinn called the meeting to order at 10:00 AM

Lacey Ledford conducted a roll call of the Commissioners. A quorum was present.

Chair Quinn announced that this meeting was being hosted in person due to the end in the Governor's emergency proclamation. **Chair Quinn** expressed his gratitude to the Commissioners for being present.

Chair Quinn introduced and welcomed **Commissioner Kaholokula** and **Commissioner Barnes** to the Commission.

Chair Quinn asked Attorney General Justin Kato and Assistant Attorney General Taryn Jones to further speak on the Governor's Proclamation. Representative Attorney General Justin Kato stated that once emergency declarations end, open public meetings must go back to in-person. Remote meetings are only allowed when emergency declarations are in place.

EXECUTIVE DIRECTOR'S REPORT

Monica Alexander, Executive Director

Director Alexander updated the commission that graduations are happening frequently. **Director Alexander** expressed her thanks to **Commander Gill** and his team for helping conduct graduation and check in new recruits. **Director Alexander** also expressed her thanks to the **Communication Manager** and her team for continuing to livestream during graduations.

House Bill 1586

Director Alexander expressed her concern for the legislation concerning House Bill 1586. Director Alexander stated that the bill would bring a work group to WSCJTC. She then expressed that her main concern aligns with comments she has previously made over a lack of allotted time. Director Alexander went into detail concerning requirements that included formulating the workgroup, the hiring process of someone to facilitate said work group, and a report written for the governor and legislature. Director Alexander stated that completing these requirements within the limited timeline is not realistic or feasible. Director Alexander also noted that some workgroup members will be participating in addition to their day jobs. This will require flexibility in terms of scheduling workgroup meetings. Director Alexander clarified that WSCJTC is willing to complete this work but would like the proper amount of time to do so correctly.

Regional Academy Opening

Director Alexander updated the Commission on the decision to open a regional academy in Pasco. Director Alexander noted **Commissioner Roske's** work to speed line the opening process due to a current academy waitlist of 236 people. Each class is limited to 30 people. Subsequently, the current academy wait time is 9 months. **Director Alexander** expressed her

concern, noting that officers are unable to work until they receive certification, while still being paid by the agency that hired them. **Director Alexander** reminded the Commission that it was asked of them to move the opening from the end of July to May 1st in hopes of opening a second regional academy within the year. **Director Alexander** expressed the importance of regional academies while noting the long-term intention of having academies for people to attend near their homes. **Director Alexander** then announced that the Pasco ribbon cutting ceremony will be held on May 3rd at 2:00 pm. She noted that Governor Inslee, Senator Lovick, and several other legislators will be in attendance. **Director Alexander** extended an open invitation to the Commissioners.

WSCJTC Updates

Director Alexander stated that WSCJTC is currently working on obtaining a new facility. **Director Alexander** explained that the current facility lacks infrastructure to hold hybrid classes and extend accessibility for all of WSCJTC's functions, including Commission meetings. **Director Alexander** provided context with an example that if a commissioner wanted to attend the meeting online, they would have the ability to watch a livestream, but not participate because of a lack of resources. **Director Alexander** stated that she informed the Office of Financial Management and the Department of Enterprise Services of her intention to move into a new building by 2025. She expressed the need for a new facility that will provide the space for the amount of classes being held. **Director Alexander** then expressed her thanks to Deputy Director Wills for providing further information on how WSCJTC should be functioning.

Director Alexander then informed the Commission that WSCJTC is currently working on a job task analysis of officers after they leave the academy. The intention is to assess how their basic training has impacted their work.

Director Alexander expressed her thanks to the Commission and staff for all of their hard work. **Director Alexander** opened the floor for questions.

Commissioner Thomas inquired about the policies that would allow someone to graduate from the academy with a record similar to that of Timothy Rankine. **Commissioner Thomas** expressed her concern over graduating officers purely based on academics and asked for details on the other policies in place.

Director Alexander responded that the academy has dismissed officers for other reasons apart from academics. **Director Alexander** clarified that CJTC does not fire or hire officers. They are sent back to their agency, and in some circumstances, said officers will not be allowed to come back. Other times, CJTC has allowed officers to reapply after a 2-year period where their application is then reassessed. Depending on the offense, officers may be allowed to reapply sooner. **Director Alexander** added that there are officers dismissed due to academics – such as failing classes or failing three or more tests. **Director Alexander** then offered to share information concerning the process for dismissal.

Concerning the Pursuit Policy, **Commissioner Kendricks** asked what a reasonable time frame for completion would be. **Director Alexander** explained that if the policy was received by July 2023, the study could be completed and reported back to the legislators by July 2024. **Director Alexander** noted that this would leave time for discussion concerning the policy before the start of legislation in January 2025.

Commissioner Logue referred to **Commissioner Thomas'** inquiry and expressed his concern. He gave an example of instructor(s), who are seasoned officers, stating someone should not be an officer in a formal memo to a department. **Commissioner Logue** stated that although the

academy does not hire or fire officers, the academy has the power to not certify officers when instructors express their concern. **Commissioner Logue** asked for verification on a specific process in place that ensures instructor concern is taken into account, even if an officer is succeeding academically.

Director Alexander ensured that she listens to the TAC officers and Commander who are frank about officer progress. When instructors express concern about an officer, the process of sending them back to their agency begins. Once again, **Director Alexander** stated that she will send the Commission the documentation concerning the process and requirements of an officer's reapplication after dismissal. **Director Alexander** stated that although she cannot speak to what happened before she got to CJTC, she can offer information on how the process is currently being conducted.

Commissioner Thomas asked for clarification on if an officer who is sent back to their agency cannot work as a police officer until they graduate from the academy. **Director Alexander** confirmed the statement.

Commissioner Robinson expressed his concern on whether the academy is providing training and services to help officers that are struggling in certain areas of training. Commissioner Robinson added that if an officer's struggle is mitigatable and caught early on, support can and should be provided.

Director Alexander responded that the process of dismissal being discussed is for individuals who are not fit to be officers. **Director Alexander** stated that the academy ensures skills are taught during their grading and constant assessment. She then noted that if an officer shows a lack of morals and competence while under constant supervision at CJTC, then action must be taken.

Commissioner Robinson expressed his thanks.

Director Alexander stated that the process of trainee dismissal begins once the TAC officer, Commander, or anyone involved in training brings up a concern. Once an officer is sent back to their agency, depending on the offense, they are allowed to reapply. **Director Alexander** confirmed that the process is formal and documented. **Director Alexander** stated that the academy understands the potential lawsuits dismissals bring. This encourages further documentation of the process.

Commissioner Logue inquired about what would happen if a lawsuit concerning an officer's dismissal is lost.

Representative Attorney General Justin Kato clarified that this has happened in the past. He stated that as a result of CJTC losing the lawsuit, the officer had been placed back into the academy.

Commissioner Logue asked if there would be a way for the Commission to receive updates on the current lawsuit concerning dismissal. **Director Alexander** agreed to the request.

Commissioner Logue asked if the Commission could play a role in confirming and participating in dismissal decisions. **Director Alexander** responded that moving forward, the Commission may support the decisions. Director Alexander stated that considering CJTC has the most understanding and information on the matter, they must do what they believe is best for the profession and the community.

CERTIFICATION REPORT

Chad Arceneaux, Assistant Director of Certifications

Chad Arceneaux provided a recap on last year's ending numbers. Last year, the certification division received 1,867 agency reports. He defined agency reports as "any report required under RCW 43-101 and 135." **Chad Arceneaux** provided context that considering the current staffing of one manager dedicated to said section, the agency report number is large. He then clarified that agency reports do not simply reflect misconduct. They range from retirements, uses of force, and canine deployments that do not necessarily include misconduct — to instances of sexual assault that would invoke authority of an investigation under 43-101-105. Of the agency reports, 86 of them were notices of separation that related to officer misconduct. Other reports that have potential misconduct were 47. There were 166 third party citizen complaints received through the portal or any other written form. There were 9 investigations from the division itself. There were 34 matters where there was a lack of jurisdiction. **Chad Arceneaux** then stated that last year, of the misconduct related matters, 57 resulted in decline. There were 31 referred to the attorney general's office. There were 12 out of 20 officers who had their certifications revoked based on investigations.

This year, there have been 242 reports as of the end of February. Of those, there have been four notices of separation for misconduct. There have been 55 reports of potential misconduct. 16 complaints of potential misconduct. Four self-initiated investigations. Nine matters they received that there was no jurisdiction for. Four matters referred to the attorney general's office. 12 matters were filed and five matters that resulted in officers losing their certification thus far this year.

Chad Arceneaux stated that there is an effort to alleviate current staffing issues. There are five certification investigation officers and one person for the operations unit. Chad Arceneaux informed the Commission that Certifications is trying to at least recruit a temporary person to help in that department. As of the end of last month there have been 168 cases pending investigator assignment and 86 open and active investigations. This means that before the fifth person was added, it was a caseload ratio of about 20 cases per investigator. Other large agencies cover 3-6 cases per caseload. **Chad Arceneaux** stated that their case load is very high in comparison to their counterparts in other law enforcement agencies. The same can be said for the number of investigators that we have. While the recommendation of the industry is one investigator per 100 sworn officers, we are at one investigator per 2,600 officers. Two short-term independent contracted investigators are currently assisting with backlog cases.

Commissioner Joseph inquired if it was possible to get a copy of the plan for the backlogs. **Chad Arceneaux** responded that there is not a written document. He added that the investigators are bound to follow the priority framework that was created in collaboration with community stakeholders. Prioritization policy dictates which cases are addressed first. **Chad Arceneaux** then stated that to address the issue, they've sought to work with independent contractors who are not bound by the same restrictions.

Commissioner Joseph inquired if it was possible to receive a copy of the report. **Chad Arceneaux** agreed to send the report.

Commissioner Pickup inquired if there were circumstances that would ignite an immediate decertification process. **Commissioner Pickup** mentioned an example of officers convicted of rape who have been fired from their agencies but still hold certification.

Chad Arceneaux responded that people who have been convicted will have their certification revoked. He stated that the main issue is a lack of staff and therefore lack of people able to process those documents.

Commissioner Pickup clarified if that meant there was no one able to conduct the desertification process. Commissioner Pickup expressed her concern for this, considering the severity of the matter.

Chad Arceneaux expressed his agreement of the serious matter. He clarified that because there are only five investigators, they are trying to work within the priority policy they've been given. **Chad Arceneaux** then stated that regardless of documented desertification, convicted felons cannot be police officers. He added that the priority is to process decertification of people with misconduct who are allowed to work until the process is complete.

Commissioner Logue inquired if Certifications had vacancies in their department. **Chad Arceneaux** responded that they are technically at maximum staffing, which means legiltati0on would need to be changed to continue hiring.

Commissioner Logue inquired if the findings are published for the public. **Chad Arceneaux** responded that the database is open on the certifications webpage.

Chad Arceneaux responded to an inquiry from **Commissioner Johnson** that the reporting agencies are diligently trying to comply. Currently, Certifications does not know if agencies are compliant with 135's reporting requirements. **Chad Arceneaux** stated that Certifications is working with the state auditor's office to create a statewide program to see if agencies are reporting and doing so accurately. The goal is to implement said program by the summer of this year. Until the program launches, Certifications is trying to educate agencies about their responsibility and duty concerning this.

Commissioner Thomas stated that she was recently contacted by a citizen with a complaint. **Commissioner Thomas** read the public comment that she had received from a citizen about an officer who had received multiple complaints over the span of ten years including multiple incidents of excessive force.

Chad Arceneaux acknowledged that the allegations stated in the public comment are concerning. He then stated that if there are complaints that relate to a specific case, he cannot speak on any active investigation with the Commission. **Commissioner Thomas** expressed her severe concern with the public comment. **Chad Arceneaux** stated that assuming this is an active case, unfortunately, he cannot speak to this.

Chair Quinn inserted himself to facilitate the conversation. **Chair Quinn** stated that public comments concerning such issues could be sent to any of the Commissioners. He then opened the issue by inquiring about contextual pieces that can help the Commission better understand how to approach such a topic.

Commissioner Robinson expressed that he believes this points to a need for more time. **Commissioner Robinson** proposed that the Commission set up the time, space, and resources available to the commission to address this.

Chair Quinn added that meetings do not have to be in person. He then expressed the importance of letting staff respond to these issues, because it might get at the root of the information needed. **Chair Quinn** suggested an initial step to track the questions that were

articulated and get a recommendation from staff on how to proceed afterward before directly going into a meeting.

Director Alexander stated that a lack of resources is a large part of the issue. She expressed her concern for overworking staff who are conducting the cases and are aware of the importance of this work. **Director Alexander** noted that without the resources to conduct these investigations, the problem can not be solved.

Commissioner Thomas inquired about how the lack of resources will be addressed. **Director Alexander** responded that it is addressed through legislative process.

Chair Quinn stated that a byproduct of people speaking up when they see misconduct is an increase in case loads. He expressed that the Commission has an obligation to make sure we understand and advocate holistically for additional resources and first understand the depth of the problems.

Commissioner Thomas inquired if the Commission as a body, has the authority to go to the government with these issues.

Director Alexander stated that since the Commission works for the governor, the Commission must advocate for resources while the Governor's budget is being allocated. Formal submissions of needs to financial management and our budget office will need to happen early on for them to be met.

Chair Quinn called for break at 11:42 **Chair Quinn** called the meeting back to order at 11:53

Chair Quinn called for a consensus to alter the agenda. The first request was to extend the agenda for 30 minutes. The second request was to move Variants and Canine up as the next agenda items, while tabling the IIT Best Practices. **Commissioner Kendricks** moved to approve the agenda adjustment. **Commissioner Kaholokula** seconded the motion. **The motion passed unanimously.**

VARIANCE

Mike Devine, Certifications Division Manager

Variance application from the Tulalip Tribal Police Department by **Chief Sutter** and **Officer Bruner**.

They requested variance to wave his certification reinstatement with permission for him to attend the state equivalency academy. **Mike Devine** stated that the Certifications Division reviewed the application, and he does meet the requirements.

Chief Sutter thanked the Commission for the consideration of his request for variance. Chief Sutter spoke to Officer Bruner's law enforcement career as Chief of police for five years at the Neah Bay Police Department. Chief Sutter noted Officer Bruner's 22 years of law enforcement experience and qualifications.

Officer Sutter introduced himself to the Commission and described his 22 years of experience as an officer.

Chair Quinn opened for questions.

Commissioner Robinson moved to approve the motion.

Vice Chair Sapp seconded the motion. Motion passed unanimously.

Application For Four Canine Evaluators

Mike Devine stated that the requests were for recertification for one evaluator and the approval of three additional evaluators.

He stated that all officers are in good standing and in compliance with WSCJTC training standards.

Commissioner Barnes requests to recuse from voting on Officer Stewart. Commissioner Anaya requests to recuse from voting on Officer Epperson.

Officer Kevin Miller to be recertified. **Commissioner Kendricks** motioned to approve. **Commissioner Logue** seconded the motion. **The motion passed unanimously.**

Officer Devin Bagby to be approved as a Canine Evaluator. **Commissioner Logue** motioned to approve. **Commissioner Anaya** seconded the motion. **The motion passed unanimously.**

Officer Rocky Epperson. Commissioner Anaya recused. **Vice Chair Sapp** motioned to approve. **Commissioner Logue** seconded the motion. **The motion passed unanimously.**

Officer Nicholas Stewart to be hired. **Commissioner Barnes** recused. **Commissioner Logue** motioned to approve and seconded. **The motion passed unanimously.**

Update on Canine Workgroup Panel/ Canine Model Policy

Mike Devine provided K9 Workgroup Advisory panel updates – training standards and best practices. Currently, two active members represent the interests of WSPCA, two active members represent the interests of the Pacific Northwest Law Enforcement Canine Association, two active Canine professionals representing the interests of unaffiliated associations, and one to two CEO-level law enforcement professionals.

Asking for an additional community member and a commission member on the panel. Mike Devine stated to notify Operations Manager Valerie Weaver if interested.

Re: Certified Canine Evaluator Application

Please accept this letter and application attesting that I have met all requirements of a "Certified Canine Evaluator" set forth by the Washington State Criminal Justice Training Commission. In November of 2019 I certified with my K9 Ivan in accordance with the standards set forth in WAC 139-05-915. We have remained a certified K9 team since our initial certification.

I have completed all mandated training including but not limited to "Implicit Bias in Policing." Additionally, in June of 2023 I completed the 40 hour CJTC Instructor Development Course.

In September of 2024 the Washington State Police Canine Association granted me the title of Trainer for Patrol Dogs.

If there are any questions please feel free to contact me.

Sincerely,

Officer Chris Whitney Kennewick Police Department K-9 Unit

Pierce County Sheriff's Office

June 2nd, 2025

To Whom It May Concern,

I am writing this letter to express my interest in becoming a Certified Canine Trainer/Evaluator. I have been a commissioned Law Enforcement Officer for almost 17 years. In that time, I have been a K9 Handler at two separate departments. I certified my first dog while working for the Ellensburg Police Department in 2011. I became a K9 Handler for the Pierce County Sheriff's Department in 2015 and have since certified and worked and additional two dogs. In that time I have achieved the Master Handler status through the WSPCA, along with being a recognized trainer through the WSPCA. All three of my dogs were certified as generalist through both the WAC and WSPCA standards.

Since becoming a handler with the Pierce County Sheriff's Department, I have been active in the training program. Not only have I continued training with my own dogs, but I have also been responsible for assisting our Master trainer in training new dog teams, weekly maintenance training, and helping with our Metro K9 training nights. I successfully completed the Instructor development course through CJTC, and I am current with all my training and have already completed all the mandatory Bias in Police training that is to be done by 2028.

Please feel free to contact me should you have any further questions. 509-929-0156.

Respectfully,

Isaac Finch

ISAAC J FINCH

INTEROFFICE COMMUNICATION

WASHINGTON STATE CRIMINAL JUSTICE TRAINING COMMISSION

TO: WSCJTC Commissioners

FROM: Alex Buijs, LETCSA Program Manager

SUBJECT: Proposed Updates to Chapter 1 Policy 10: LETCSA and CIT Training

DATE: June 11, 2025

WAC 139-11-030 sets the minimum requirements for an exemption, waiver, extension, or variance request for Law Enforcement Training and Community Safety Act (LETCSA) training. WAC 139-05-300 sets the minimum requirements for in-service training (to include the two-hour online Crisis Intervention Training). The Washington State Criminal Justice Training Commission (WSCJTC) Policy Manual, Chapter 1 Policy 10 "LETCSA 24-Hour Audit CIT Exemption Waiver Extension or Variance" sets procedural requirements and provides additional details for these types of requests. Outlined below are the proposed edits to the policy from WSCJTC staff.

Throughout the policy:

- minor language and grammatical changes were made to provide consistency and add clarity; and
- references to relevant RCWs and WAC were added.

Commission staff recommend one area of substantive change:

I. LETCSA Request Criteria

The current policy states that agency requests for extensions, exemptions, or waivers are evaluated and considered under specific criteria to include types of leave (i.e. military, sick, and/or administrative). The proposed policy provides clarifying language that states, "Any other LETCSA request outside of these criteria will be considered on a case-by-case basis in accordance with this policy and any relevant policies and WACs." The goal of this proposed edit is to allow WSCJTC staff to proceed with following the policy if a request is received that is outside of the current request criteria.

Attached for your review and consideration are:

- a redline (tracked changes) copy showing proposed changes to the policy; and
- a "clean" copy of the proposed revised policy.

Chapter 1 Policy 10

LETCSA, 24-Hour Audit & CIT Exemption, Waiver, Extension, or Variance

Revised: 06/07/2023; 12/26/2023; 07/30/2024; XX/XX/2025

Authorizing Source: <u>WAC 139-11-030</u> – LETCSA, <u>WAC 139-09-020</u> – CIT, <u>WAC 139-05-300</u> – In-service to include CIT, <u>WAC 139-03-030</u> – Requests for exemption, waiver, extension or variance.

Applies to: Relevant staff

I. PURPOSE:

The Washington State Criminal Justice Training Commission (WSCJTC) may review requests from law enforcement agencies regarding exemptions, waivers, extensions, or variances for courses and programs per the applicable authorizing statute or regulation. This policy governs requests for exemptions, waivers, extensions or variances from state law and commission rules governing mandated training under the Law Enforcement Training and Community Safety Act and the 24-hour in-service training requirements, including certain Crisis Intervention Training.

II. DEFINITIONS:

LETCSA - Law Enforcement Training and Community Safety Act

CIT - Crisis Intervention Training

Exemption – A decision by the WSCJTC to release from requirement(s) to which others are subject.

Waiver – A decision by the WSCJTC not to apply all or part of a rule to an agency or person who is subject to the requirement(s).

Extension – A decision by the WSCJTC to grant an increase in length of time to complete the requirement(s).

Variance – A decision by the WSCJTC to grant a modification to all or part of the requirement(s) of a rule to an agency or person who is subject to the rule.

III. POLICY:

A. Law Enforcement Training and Community Safety Act (LETCSA)

Revised Code of Washington (RCW) 43.101.455 and Washington Administrative Code (WAC) 139-11 requires certified peace officers to complete minimum training requirements. The referenced statute and regulation concern LETCSA courses. The

amount of training is contingent on the officer's certification date. Per <u>WAC 139-11-060</u>, all incumbent peace officers are required to complete 40 hours of LETCSA training every three years. An agency may request an Exemption, Waiver, Extension, or Variance for any certified peace officer from any requirement of <u>Chapter 139-11 WAC</u>, per <u>WAC 139-03-030</u>.

B. <u>24-Hour In-Service Training to include the WSCJTC's Two-Hour Annual Online CIT Training Requirement</u>

RCW 43.101.427, WAC 139-05-300, and WAC 139-09-020 requires certified peace officers, corrections officers, and reserve officers to successfully pass the two-hour annual online CIT course as part of the 24-hour annual in-service training requirement. An agency may request an Exemption or Waiver for any certified officer from any requirement of WAC 139-05-300(5).

IV. LETCSA:

A. LETCSA Request Criteria

Agency requests will be evaluated and considered under one or more of the following criteria:

- 1. Extension, Exemption, or Waiver Military, sick, and/or administrative leave for a specific period of time dictated by the request to which the program pertains.
 - a. For LETCSA requests: The documented leave must be for a minimum of 18 cumulative months in any given three-year LETCSA training cycle. These requests must be submitted by September 1 during the third year of the applying officer's three-year LETCSA training cycle. If a LETCSA documented leave request is submitted after September 1 during the third year of the applying officer's three-year LETCSA training cycle, there is no guarantee it will be placed on the Commission meeting agenda.
- 2. Variance Identical (LETCSA) course taken by the officer. To qualify for this request, the course must be created and delivered by the exact same organization or individual as the training offered by WSCJTC. This requirement is only applicable to LETCSA courses. The scope of this criterion is very narrow and specific. A request utilizing this criterion must be received by September 1 during the third year of the applying officer(s) three-year LETCSA training cycle. If any agency is unsure if their situation qualifies to submit a request under this criterion, they should contact the LETCSA Program Manager.

Any other LETCSA request outside of these criteria will be considered on a case-bycase basis in accordance with this policy and any relevant policies and WACs.

B. <u>LETCSA Requested Materials</u>

- 1. Exemption, Waiver, Extension Requests The following materials must be submitted:
 - a. A letter from the agency's chief or sheriff on agency letterhead outlining:
 - The officer's name;
 - The dates of absence (if applicable);
 - The type of request being submitted (Exemption, Waiver, Extension);
 - An explanation why the training could not be completed in the mandated timeframe; and
 - The specific program and/or course the request pertains.
 - b. When submitting a LETCSA training request, the WSCJTC course name(s) must be included along with any course documentation relevant to the request.
- 2. Variance Request If requesting an identical course Variance request for a LETCSA course, the following materials must be submitted:
 - a. A letter from the agency's chief or sheriff on agency letterhead outlining the course taken and an explanation pertaining to the details of the course including:
 - The officer's name(s) and the dates taken;
 - The organization that developed or delivered the training;
 - The instructor(s); and
 - The WSCJTC LETCSA course relevant to the request.
 - b. A certificate of completion or documentation showing completion and a passing grade for the officer.
 - c. Any additional and available documentation related to the request, such as a course syllabus, or materials.

C. <u>LETCSA Staff Review Process</u>

When an agency submits a request for Exemption, Waiver, Extension, or Variance to the WSCJTC, an internal LETCSA staff review process will be triggered that follows the requirements of the relevant WAC. Reviews are initiated once all requested materials have been received. It is imperative that all requested materials be received by the specific due date.

- 1. Before a preliminary internal review is conducted, the LETCSA Program Manager will
 - Ensure all required materials are submitted;
 - Conduct any research related to the request if necessary; and
 - Complete the Exemption, Waiver, Extension rubric.
- 2. The LETCSA Program Manager will add their recommendation and send the rubric to the Deputy Director via DocuSign for final review and approval.
- 3. An electronic or written decision will be documented and provided to the requesting agency, for all completed reviews.

D. <u>LETCSA Commission Review Process</u>

If an agency is submitting a request for LETCSA Exemption, Waiver, Extension, or Variance under <u>WAC 139-03-030</u> and staff recommends approval, the Executive Director shall schedule the request for full consideration at the next Commission meeting. If the Commission Chair determines that circumstances justify expedited review, the Commission Chair may schedule a special meeting for the sole purpose of effecting review. After full consideration of the matter, the Commission shall deny, grant, or provide alternative mitigating relief. The applicant or a representative from the employing agency is not required to be present.

1. A written decision will be documented and provided electronically to the requesting agency for all completed reviews.

V. 24-HOUR IN-SERVICE TRAINING TO INCLUDE THE WSCJTC'S TWO-HOUR ONLINE CIT TRAINING REQUIREMENT:

A. 24-Hour In-Service including Two-Hour CIT Training Request Criteria

An agency may request an Exemption or Waiver for any certified officer from any requirement of <u>WAC 139-05-300(5)</u>:

- "(5) The commission executive director or designee may, on a case-by-case basis, grant exceptions for individuals with extenuating circumstances where the employing agency has made every reasonable effort to obtain training for the officer."
- 1. Exemption or Waiver: The Executive Director designates the Deputy Director to determine Exemption and Waiver requests, consistent with the following:
 - If an officer was unable to complete the required two-hour annual online
 CIT course due to extenuating circumstances (military, medical, or

unexpected leave), the agency may request a Waiver if the officer was out from October through the end of the year (commonly known as the "auditing year"). If an officer is expected to return after February 1, Waivers are appropriate. Requests must be received by February 1 for the auditing year in question. Requests submitted after February 1 will be denied.

2. Agencies may appeal denials to the Commission pursuant to WAC 139-03-030.

B. <u>24-Hour In-Service Annual Training Requirement Extension</u>

1. If a certified officer has been on documented leave, their agency head may request an Extension to fulfill their required training hours per <u>WAC 139-05-300(4)</u>. A sheriff or chief may submit a three-month Extension request in writing to the Commission. Written requests must be received by December 1 of the calendar year in question. The three-month Extension provides the individuals named until March 31 of the following calendar year to complete the remaining mandated 24-hours of training. Any training obtained during this three-month Extension only counts towards the previous year being audited.

C. Two-Hour Annual Online CIT Training Requirement Extension

1. If an officer has been out on documented leave from October to the end of the year, the agency should request an Extension for the two-hour CIT online course. If an officer is expected to return before February 1, Extensions are appropriate. Requests should be received by February 1 for the previous auditing year. Requests submitted after February 1 will be denied. The officer will then have until the last day of February to complete the re-assigned course. Officers expected to return after February 1 may be provided a Waiver.

D. <u>24-Hour In-Service Training Including WSCJTC's Two-hour Online CIT Training</u> Requested Materials

- 1. Exemption, Waiver, Extension Requests If the request is for: Military, sick, and/or administrative leave, the following materials must be submitted:
 - a. A letter from the agency's chief or sheriff on agency letterhead outlining:
 - The officer's name and the dates of absence;
 - The type of request being submitted (Exemption, Waiver, Extension);
 - An explanation why the training could not be completed in the mandated timeframe; and
 - The specific program to which the request pertains.
 - b. If submitting a 24-hour annual in-service training request for the three-month Extension, the letter must include a detailed explanation of the efforts made by

the employing agency to obtain training for the applying officer; and how the agency plans to make up the missed training by March 31.

E. Other Considerations – Formula For 24-Hour In-Service Training

If a certified officer is on documented leave for a period lasting longer than one month at any point during a calendar year, they may credit part and/or all of their 24-hour in-service training by utilizing a pro-rated formula of two hours of training per month multiplied by the number of months on leave.

2 hours
4 hours
6 hours
8 hours
10 hours
12 hours
14 hours
16 hours
18 hours
20 hours
22 hours
24 hours

When utilizing the pro-rated formula, the officer's employing agency must keep a record of the total months on leave and the number of hours credited for the applicable auditing year. This does not need to be submitted to the WSCJTC.

If an officer has been on an extended leave of absence for part of the audit period and the agency is aware they will not be able to fulfill the required training hours, the officer's employing agency may request a Waiver from the WSCJTC following the process outlined above. This request would only apply to the remaining training hours required after utilizing the pro-rated formula.

The formula does not apply for the two-hour CIT annual training.

F. <u>24-Hour In-Service Training Including WSCJTC's Two-hour Online CIT Training Staff</u> <u>Review Process</u>

When an agency submits a request for Exemption, Waiver, Extension, or Variance to the WSCJTC, a review process will be triggered that follows the requirements of the relevant WAC. Reviews are initiated once all requested materials have been received. It is imperative that all requested materials be received by the specific due date.

- 1. Before a preliminary WSCJTC staff review is conducted, the Program Manager assigned to the request will:
 - Ensure all required materials are submitted;
 - Conduct any research related to the request if necessary; and
 - Complete the Exemption, Waiver, Extension rubric.
- 2. The 24-Hour Auditing Program Manager will add their recommendation and send the rubric to the Deputy Director via DocuSign for final review and approval.
- 3. An electronic or written decision will be documented and provided to the requesting agency for all completed reviews.
- G. <u>24-Hour In-Service Training Including WSCJTC's Two-hour Online CIT Training Commission Review Process</u>
 - 1. 24-Hour In-Service and Two-Hour CIT Annual Training
 - a. Agencies wishing to appeal the Deputy Director's denial may submit a request for Exemption, Waiver, or Extension to the Commission under <u>WAC 139-03-030</u>. Upon receipt of a request for appeal under <u>WAC 139-03-030(2)</u>, the Executive Director shall schedule the request for full consideration at the next Commission meeting. If it is determined by the Chair that circumstances justify expedited review, the Chair may schedule a special meeting for the sole purpose of effecting review. After full consideration of the matter, the Commission shall deny, grant, or provide alternative mitigating relief. The applicant or a representative from the employing agency is not required to be present.
 - b. A written decision will be documented and provided electronically to the requesting agency for all completed reviews.

IV. LETCSA:

A. LETCSA Request Criteria

Agency requests will be evaluated and considered under one or more of the following criteria:

- 1. Extension, Exemption, or Waiver Military, sick, and/or administrative leave for a specific period of time dictated by the request to which the program pertains.
 - a. For LETCSA requests: The documented leave must be for a minimum of 18 cumulative months in any given three-year LETCSA training cycle. This requirement is only applicable to LETCSA courses. The scope of this criterion is very narrow and specific. A request utilizing this criterion must be received by September 1 during the third year of the applying officer(s) three-year LETCSA training cycle. If any agency is unsure if their situation qualifies to submit a request under this criterion, they should contact the LETCSA Program Manager.

 - The WSCJTC LETCSA course relevant to the request.
 - b. A certificate of completion or documentation showing completion and a passing grade for the officer.
 - c. Any additional and available documentation related to the request, such as a course syllabus, or materials.

C. LETCSA Staff Review Process

When an agency submits a request for Exemption, Waiver, Extension, or Variance to the WSCJTC, an internal LETCSA staff review process will be triggered that follows the requirements of the relevant WAC. Reviews are initiated once all requested materials have been received. It is imperative that all requested materials be received by the specific due date.

- Before a preliminary internal review is conducted, the LETCSA Program Manager will:
 - Ensure all required materials are submitted;
 - Conduct any research related to the request if necessary; and

- Complete the Exemption, Waiver, Extension rubric.
- 2. The LETCSA Program Manager will add their recommendation and send the rubric to the Deputy Director via DocuSign for final review and approval.
- 3. An electronic or written decision will be documented and provided to the requesting agency, for all completed reviews.

D. <u>LETCSA Commission Review Process</u>

If an agency is submitting a request for LETCSA Exemption, Waiver, Extension, or Variance under <u>WAC 139-03-030</u> and staff recommends approval, the Executive Director shall schedule the request for full consideration at the next Commission meeting. If the Commission Chair determines that circumstances justify expedited review, the Commission Chair may schedule a special meeting for the sole purpose of effecting review. After full consideration of the matter, the Commission shall deny, grant, or provide alternative mitigating relief. The applicant or a representative from the employing agency is not required to be present.

1. A written decision will be documented and provided electronically to the requesting agency for all completed reviews.

V. 24-HOUR IN-SERVICE TRAINING TO INCLUDE THE WSCJTC'S TWO-HOUR ONLINE CIT TRAINING REQUIREMENT:

A. 24-Hour In-Service including Two-Hour CIT Training Request Criteria

An agency may request an Exemption or Waiver for any certified officer from any requirement of WAC 139-05-300(5):

- "(5) The commission executive director or designee may, on a case-by-case basis, grant exceptions for individuals with extenuating circumstances where the employing agency has made every reasonable effort to obtain training for the officer."
- 1. Exemption or Waiver: The Executive Director designates the Deputy Director to determine Exemption and Waiver requests, consistent with the following:
 - If an officer was unable to complete the required two-hour annual online CIT course due to extenuating circumstances (military, medical, or unexpected leave), the agency may request a Waiver if the officer was out from October through the end of the year (commonly known as the "auditing year"). If an officer is expected to return after February 1, Waivers are appropriate. Requests must be received by February 1 for the auditing year in question. Requests submitted after February 1 will be denied.

2. Agencies may appeal denials to the Commission pursuant to WAC 139-03-030.

B. 24-Hour In-Service Annual Training Requirement Extension

1. If a certified officer has been on documented leave, their agency head may request an Extension to fulfill their required training hours per <u>WAC 139-05-300(4)</u>. A sheriff or chief may submit a three-month Extension request in writing to the Commission. Written requests must be received by December 1 of the calendar year in question. The three-month Extension provides the individuals named until March 31 of the following calendar year to complete the remaining mandated 24-hours of training. Any training obtained during this three-month Extension only counts towards the previous year being audited.

C. Two-Hour Annual Online CIT Training Requirement Extension

1. If an officer has been out on documented leave from October to the end of the year, the agency should request an Extension for the two-hour CIT online course. If an officer is expected to return before February 1, Extensions are appropriate. Requests should be received by February 1 for the previous auditing year. Requests submitted after February 1 will be denied. The officer will then have until the last day of February to complete the re-assigned course. Officers expected to return after February 1 may be provided a Waiver.

D. <u>24-Hour In-Service Training Including WSCJTC's Two-hour Online CIT Training Requested Materials</u>

- 1. Exemption, Waiver, Extension Requests If the request is for: Military, sick, and/or administrative leave, the following materials must be submitted:
 - a. A letter from the agency's chief or sheriff on agency letterhead outlining:
 - The officer's name and the dates of absence;
 - The type of request being submitted (Exemption, Waiver, Extension);
 - An explanation why the training could not be completed in the mandated timeframe; and
 - The specific program to which the request pertains.
 - b. If submitting a 24-hour annual in-service training request for the three-month Extension, the letter must include a detailed explanation of the efforts made by the employing agency to obtain training for the applying officer; and how the agency plans to make up the missed training by March 31.

E. Other Considerations - Formula For 24-Hour In-Service Training

If a certified officer is on documented leave for a period lasting longer than one month at any point during a calendar year, they may credit part and/or all of their 24-hour in-service training by utilizing a pro-rated formula of two hours of training per month multiplied by the number of months on leave.

2 hours
4 hours
6 hours
8 hours
10 hours
12 hours
14 hours
16 hours
18 hours
20 hours
22 hours
24 hours

When utilizing the pro-rated formula, the officer's employing agency must keep a record of the total months on leave and the number of hours credited for the applicable auditing year. This does not need to be submitted to the WSCJTC.

If an officer has been on an extended leave of absence for part of the audit period and the agency is aware they will not be able to fulfill the required training hours, the officer's employing agency may request a Waiver from the WSCJTC following the process outlined above. This request would only apply to the remaining training hours required after utilizing the pro-rated formula.

The formula does not apply for the two-hour CIT annual training.

F. <u>24-Hour In-Service Training Including WSCJTC's Two-hour Online CIT Training Staff</u> <u>Review Process</u>

When an agency submits a request for Exemption, Waiver, Extension, or Variance to the WSCJTC, a review process will be triggered that follows the requirements of the relevant WAC. Reviews are initiated once all requested materials have been received. It is imperative that all requested materials be received by the specific due date.

- 1. Before a preliminary WSCJTC staff review is conducted, the Program Manager assigned to the request will:
 - Ensure all required materials are submitted;
 - Conduct any research related to the request if necessary; and
 - Complete the Exemption, Waiver, Extension rubric.

- 2. The 24-Hour Auditing Program Manager will add their recommendation and send the rubric to the Deputy Director via DocuSign for final review and approval.
- 3. An electronic or written decision will be documented and provided to the requesting agency for all completed reviews.
- G. <u>24-Hour In-Service Training Including WSCJTC's Two-hour Online CIT Training Commission Review Process</u>
 - 1. 24-Hour In-Service and Two-Hour CIT Annual Training
 - a. Agencies wishing to appeal the Deputy Director's denial may submit a request for Exemption, Waiver, or Extension to the Commission under WAC 139-03-030. Upon receipt of a request for appeal under WAC 139-03-030(2), the Executive Director shall schedule the request for full consideration at the next Commission meeting. If it is determined by the Chair that circumstances justify expedited review, the Chair may schedule a special meeting for the sole purpose of effecting review. After full consideration of the matter, the Commission shall deny, grant, or provide alternative mitigating relief. The applicant or a representative from the employing agency is not required to be present.
 - b. A written decision will be documented and provided electronically to the requesting agency for all completed reviews.

INTEROFFICE COMMUNICATION

WASHINGTON STATE CRIMINAL JUSTICE TRAINING COMMISSION

TO: WSCJTC Commissioners

FROM: Alex Buijs, LETCSA Program Manager

SUBJECT: Proposed Updates to Chapter 1 Policy 11: IIT Lead Investigators

DATE: June 11, 2025

WAC 139-12-030 sets the minimum requirements for independent investigation teams (IITs). The Washington State Criminal Justice Training Commission (WSCJTC) Policy Manual, Chapter 1 Policy 11 "LETCSA, IIT Qualified Lead Investigator Certification and Annual Training Requirements" sets procedural requirements and provides additional details for IITs. Outlined below are the proposed edits to the policy from WSCJTC staff.

Throughout the policy:

- minor language and grammatical changes were made to provide consistency and add clarity;
- references to "certification" were changed to "certificate" to distinguish this process from peace officer certification;
- the role of the "administrative assistant" was changed to "program specialist" as that is the current support role for the program;
- forms were removed from the policy as this is not consistent with policy best practices; and
- references to relevant RCWs and WAC were added.

Commission staff recommend two areas of substantive change:

I. Proof Criteria and Requested Materials

Law enforcement personnel that are applying for an IIT qualified lead investigator certificate are required to provide specific proof and materials. One of the requirements to qualify for an IIT qualified lead investigator certificate is providing a letter of recommendation and approval from the applicant's chief or sheriff. Additional language was added to this section to clarify that a designee for the agency's chief or sheriff is not accepted. This language is consistent with our current practice.

II. Recertification

All members of an IIT are required to attend annual team training together according to WAC 139-12-030. Language was added to the recertification section at the end of the policy to provide guidance to IITs if someone is unable to attend the IIT unit training.

LETCSA, IIT Qualified Lead Investigator Certificate and Training Requirements

Annual

2/2/2023, 12/26/2023; XX/XX/2025

Revised:

Authorizing Source: WAC 139-12 - LETCSA, RCW 10.114.011

Applies to: Relevant staff

I. PURPOSE:

The Washington State Criminal Justice Training Commission (WSCJTC) reviews applications for independent investigation team qualified lead investigator certificates per the applicable authorizing regulation. Independent investigator teams are also required to train as a unit annually per the applicable authorizing regulation.

II. DEFINITIONS:

Acadis – The WSCJTC training management system.

Independent Investigation – Except as required by federal consent decree, federal settlement agreement, or federal court order, where the use of deadly force by a peace officer results in death, substantial bodily harm, or great bodily harm, an independent investigation must be completed to inform any determination of whether the use of deadly force met the good faith standard established in Revised Code of Washington (RCW) 9A.16.040 and satisfied other applicable laws and policies. The investigation must be completely independent of the agency whose officer was involved in the use of deadly force and conducted in accordance with chapter 43.102 RCW. (Text from RCW 10.114.011)

Independent Investigation Team (IIT) – A team of qualified and certified peace officer investigators, civilian crime scene specialists, and at least two non-law enforcement community representatives who operate completely independent of any Involved Agency to conduct investigations of police deadly force incidents. An IIT is created when multiple law enforcement agencies enter into a written agreement to investigate police use of deadly force incidents in their geographical regions. A single law enforcement agency may fulfill the independent investigative function, provided it is not the Involved Agency.

IIT Lead Commander – An officer who is a member of an IIT usually with command rank designated to oversee the IIT. The role's title and responsibilities may differ between IITs.

Involved Agency – The agency that employs or supervises the officer(s) who used deadly force. There can be more than one "involved agency."

LETCSA – Law Enforcement Training and Community Safety Act

Member Agency – Each of the agencies that enters into a written agreement to investigate police use of deadly force in their geographical region.

Reputable Training – For the purposes of this policy, a training is considered "reputable" if it meets at least three of the following criteria:

- The training must encompass a minimum of four hours of lecture.
- The training must include a validation exam and certificate.
- The training must have a syllabus, or similar detailed description, of the course curriculum.
- The training must include a professional biography describing the instructor's experience in the area of study.
- The training (or conference) must be affiliated with a state, national, or international association.
- If applicable and available, the training shall incorporate trauma-informed practices into the curriculum.

If attending a conference for the annual advanced training requirement, the topic of the conference must align with the relevant named training topics in Washington Administrative Code (WAC) 139-12.

III. POLICY:

A. Law Enforcement Training and Community Safety Act

RCW 10.114.011 and WAC 139-12 requires that where the use of deadly force by a peace officer results in death, substantial bodily harm, or great bodily harm an Independent Investigation must be completed to inform any determination of whether the use of deadly force met the good faith standard established in RCW 9A.16.040 and satisfied other applicable laws and policies. The Independent Investigation is conducted in the same manner as a criminal investigation and state law requires an "independent investigation" completely independent of the Involved Agency.

B. Requirements for IIT Qualified Lead Investigator Certificate

The credibility of an officer assigned to an IIT is based on two elements: training and experience with criminal investigations. If an officer is assigned a lead role within an IIT, they must meet the training and experience requirements. Per WAC 139-12-030 an officer applying for an IIT qualified lead investigator certificate must provide proof that they meet the minimum requirements which include:

1. At least three years of uninterrupted experience as a certified peace officer, crime scene investigator, or related expertise in a discipline relevant to investigations;

- 2. Successful completion of WSCJTC's 24-hour Patrol Tactics In-Service course;
- 3. Successful completion of a basic homicide and interview and interrogation course which are the basic prescribed training classes listed in <u>WAC 139-12-030</u>;
 - a. An applicant may substitute the basic prescribed training classes with work experience as outlined in WAC 139-12-030; and
- 4. A work history free of a sustained finding of serious misconduct and/or a pattern of sustained complaints and a personal history free of demonstrable bias or prejudice against community members that may be impacted by the police use of deadly force.

Once an IIT qualified lead investigator certificate has been issued, the investigator must complete eight hours of annual criminal investigation training. Proof of completion for the annual training must also be submitted to WSCJTC LETCSA staff. The annual training topics include, but are not limited to:

- 1. Advanced homicide investigation techniques;
- 2. Advanced interviewing and interrogation;
- 3. Officer-involved shooting investigation;
- 4. In-custody death investigation;
- 5. Excited delirium and positional asphyxia;
- 6. Bloodstain pattern analysis;
- 7. Crime scene photography/videography; and
- 8. Other related training, seminars, and conferences or on-going training as offered by WSCJTC or other training venues on an as-available basis.

IV. PROOF CRITERIA AND REQUESTED MATERIALS:

IIT qualified lead investigator certificate applications require specific proof and materials to be submitted to WSCJTC which will be reviewed under the following criteria:

A. Employed by a Member Agency on an IIT

An investigator seeking the IIT qualified lead investigator certificate must be employed by a Member Agency that has entered into an agreement with a regional IIT. The applicant indicates which IIT is relevant to the application being submitted on the webform in Acadis.

B. Years of Experience

A letter of recommendation and approval from the applicant's chief or sheriff on department letterhead must be submitted with the application. The letter must include an attestation that the investigator seeking the IIT qualified lead investigator certificate meets the years of experience requirement. A designee for the agency chief or sheriff is not accepted for this requirement.

C. 24-Hour Patrol Tactics In-Service Course

The applicant's completion of the 24-hour Patrol Tactics In-Service course must be documented in WSCJTC's Acadis database and on the applicant's training transcript. This requirement will auto-populate into the webform when applying for the certificate.

D. Basic Training Courses

A certificate of completion or an agency official training transcript may be submitted to demonstrate completion of the prescribed basic training courses. The agency official transcript must contain the training organization's name, amount of training hours, the date(s) completed, and be on the applicant's employing agency letterhead or indicate that it is an official transcript from the agency. Both the basic homicide and interview and interrogation courses must contain trauma-informed components and include trauma-based interviewing techniques when applicable. The basic homicide course should be at least 24 hours and the interview and interrogation course should be at least 8 hours. Both courses should be offered by a Reputable Training organization that teaches best practices pertaining to the course topic. WSCJTC's Child Abuse Interviewing & Assessment and Sexual Assault Investigations: Victim-Centered Engagement and Resiliency Tactics courses do not fulfill the interview and interrogation requirements.

E. Substituting Work Experience

If an investigator would like to substitute their work experience for the prescribed basic training classes, a letter may be submitted that details the number of investigations they have been involved in and to what level their involvement was. Additionally, if they have any certificates or proof of completion for training on a relevant topic that must be submitted as well. This option only pertains to the basic homicide and interview and interrogation courses; the 24-hour Patrol Tactics In-Service course is required and is not able to be substituted.

F. Honorable Behavior - WAC 139-12-030 (vi)

An affirmation from the applicant (this may also be an Acadis point-of-contact from their employing agency) that the investigator has a history of honorable behavior is submitted during the application process. This is completed in Acadis.

G. Continued Annual Training Course(s)

An attestation from the IIT Lead Commander is submitted to WSCJTC for review on an annual basis. The attestation affirms that the IIT has taken the required annual training for both the IIT qualified lead investigators and the IIT as a unit. The annual training

attestation must include a roster of all IIT members and indicate those that hold the IIT qualified lead investigator certificate status. If someone received their IIT qualified lead investigator certificate for the specific calendar year in question, the IIT Lead Commander or designee may indicate on the roster the certificate date. The required annual training for IIT qualified lead investigators must be offered by a Reputable Training organization that teaches best practices pertaining to the course topic.

H. Recertification Application Materials

A certificate of completion of the required annual training along with a recertification application is required to recertify a lapsed IIT qualified lead investigator certificate. The required annual training must be offered by a Reputable Training organization that teaches best practices pertaining to the course topic.

V. INITIAL CERTIFICATE REVIEW:

Applying for an initial IIT qualified lead investigator certificate is completed online through WSCJTC's Acadis database. An initial IIT qualified lead investigator certificate application is submitted by the investigator's employing agency. Instructions and additional information about this process for the applicant is available on WSCJTC's website.

A. Initial Certificate Review Process

- Once an applicant has submitted the application in Acadis, the LETCSA Program Specialist will complete a preliminary review which entails a document check to ensure that all materials have been submitted and are correct. When the review is complete, the LETCSA Program Specialist will complete the steps to move the application to the next step.
 - a. If any of the materials are incorrect or insufficient, the LETCSA Program Specialist will note the issue in the application comments and move the application to the next step.
- 2. The LETCSA Program Manager will conduct a review of the submitted application and make a recommendation of approval or denial.
 - a. If a mistake was made on the application, it must be denied and resubmitted for approval with the correct documents. The application also may be denied if the investigator is employed by a law enforcement agency that is not on an IIT.
- The Advanced Training Division (ATD) Manager will review the submitted materials and the LETCSA Program Manager's recommendation. They will then make a final determination to approve or deny the application.
- 4. If approved, the investigator will be granted an IIT qualified lead investigator certificate and the LETCSA Program Specialist will complete the final administrative steps to close out the application including sending an electronic certificate.
 - a. An electronic or written decision will be documented and provided to the requesting agency for the denied application if the application was denied for any other reason except for a mistake in the materials. This will come from the

ATD Manager. If a mistake in submitted materials was made, the applicant may resubmit for reconsideration and potential approval.

VI. ANNUAL TRAINING REVIEW:

Attestation of compliance with the annual training requirements for both IIT qualified lead investigators as well as the IIT as a unit is submitted to WSCJTC on the IIT annual training attestation form from the IIT's Lead Commander or designee. The attestation is for the IIT as a whole and includes all member agencies that are participating on the applicable IIT. The annual training attestation is due to WSCJTC LETCSA staff on or by March 15 for the previous calendar year.

Example

Documentation Period

Due Date

January 1 - December 31, 2025

March 15, 2026

If an IIT qualified lead investigator certificate was issued during the relevant calendar year, the IIT qualified lead investigator is not required to complete the annual eight hour continued training until the following calendar year. However, they would still be required to train with the IIT as a unit on an annual basis.

An IIT Lead Commander, or their designee, completes the IIT Annual Training Attestation form and submits a roster of their IIT to WSCJTC. Once the attestation is received by WSCJTC, LETCSA staff begins the review process.

A. Annual Training Review Process

- 1. The LETCSA Program Specialist completes a preliminary review of the submitted attestation to ensure that the correct application materials have been submitted. If anything is missing or needs correcting, they will work with the IIT to get all required materials. The LETCSA Program Specialist will also crosscheck the roster submitted by the IIT with WSCJTC's records of IIT qualified lead investigators as well as IIT member rosters. If any discrepancies are found, the LETCSA Program Specialist will attempt to resolve them with the IIT Lead Commander or designee and the LETCSA Program Manager. Once the LETCSA Program Specialist completes their preliminary review, they will upload the attestation to DocuSign and send for signatures.
- 2. The LETCSA Program Manager will be the first to review the application materials from the LETCSA Program Specialist in DocuSign. They will review the submitted application and make a recommendation of approval or denial. A recommendation of denial would only occur if there was a mistake or discrepancy in the application and the LETCSA Program Specialist was unable to rectify the issue before sending in DocuSign.
- 3. The ATD Manager will conduct the final review of the application to make a determination of approval or denial. If a denial is determined, the IIT qualified lead

investigators who did not complete the training requirements would have their certificate lapse and be required to recertify. If an IIT did not train as a unit, the IIT would be out of compliance in regard to that WAC requirement.

- a. If approved, the LETCSA Program Specialist will notify the IIT Lead Commander or designee that their annual attestation has been processed and send them a written notification of compliance.
- b. If denied, the ATD Manager will notify the IIT Lead Commander in writing of the decision and reasoning.

VII. RECERTIFICATION:

If an IIT qualified lead investigator does not complete their annual training required per WAC 139-12, their certificate would lapse, and they will be required to recertify their qualified lead investigator status. The investigator would have until March 31 of the current calendar year to complete the annual training for the previous year. The IIT qualified lead investigator would still be required to take eight additional annual training hours for the current calendar year.

If the investigator does not submit proof of completion of the annual training, their certificate would default, and they will need to complete the initial IIT qualified lead investigator certificate process again. The training utilized for their previous initial IIT qualified lead investigator certificate would not be valid if they defaulted and were reapplying.

A. IIT Qualified Lead Investigator Recertification Process

The IIT qualified lead investigator that is needing to recertify their certificate will submit the requested materials to the LETCSA email inbox at citcletcsa@citc.wa.gov.

- The LETCSA Program Specialist completes a preliminary review of the submitted recertification application to ensure that the correct application materials have been submitted. If anything is missing or needs correcting, they will work with the applicant to get all required materials. Once the LETCSA Program Specialist completes their preliminary review, they will upload the recertification application to DocuSign and send for signatures.
- 2. The LETCSA Program Manager will be the first to review the application materials from the LETCSA Program Specialist in DocuSign. They will review the submitted application and make a recommendation of approval or denial. A recommendation of denial would only occur if there was a mistake or discrepancy in the application and the LETCSA Program Specialist was unable to rectify the issue before sending in DocuSign.
- 3. The ATD Manager will conduct the final review of the application and make a determination of approval or denial.
 - a. If a denial is determined, the IIT qualified lead investigator would need to either resubmit the recertification or follow the initial IIT qualified lead

- investigator certificate process. A written decision would be provided to the applicant from the ATD Manager.
- b. If approved, the LETCSA Program Specialist will close out the application process and send the applicant an email that their certificate has been reinstated and they are in good standing.

B. IIT Team Training

If a member of an IIT is unable to attend the IIT unit training, whether an IIT qualified lead investigator or other IIT member, the following must occur:

- 1. The IIT Lead Commander, designee, or a representative of the IIT member's employing agency must contact LETCSA staff and inform them of the IIT member's absence from the training and the reason(s) for the absence.
 - a. Examples of excused absences include pre-approved leave, being called out to an investigation/scene, and administrative leave.
- 2. The LETCSA Program Manager will inform the ATD Manager about the request and draft an interoffice communication (IOC) memo to the requestor from the WSCJTC Training Bureau Assistant Director. The IOC will include the following information:
 - a. Details of the absence and request.
 - b. Steps the IIT must take to rectify the IIT member's absence e.g. review the training topics from the annual IIT unit training with the absent IIT member within the next three months.
 - c. A timeline of completion.
 - d. Further guidance regarding any other IIT requirements e.g. including the IOC with the IIT's annual attestation for that calendar year.
- 3. The LETCSA Program Manager will provide the requestor with the IOC. If any guidance was provided to the IIT that WSCJTC will track, the LETCSA Program Manager will document this accordingly.

D. Basic Training Courses

A certificate of completion or an agency official training transcript may be submitted to demonstrate completion of the prescribed basic training courses. The agency official transcript must contain the training organization's name, amount of training hours, the date(s) completed, and be on the applicant's employing agency letterhead or indicate that it is an official transcript from the agency. Both the basic homicide and interview and interrogation courses must contain trauma-informed components and include trauma-based interviewing techniques when applicable. The basic homicide course should be at least 24 hours and the interview and interrogation course should be at least 8 hours. Both courses should be offered by a Reputable Training organization that teaches best practices pertaining to the course topic. WSCJTC's Child Abuse Interviewing & Assessment and Sexual Assault Investigations: Victim-Centered Engagement and Resiliency Tactics courses do not fulfill the interview and interrogation requirements.

E. Substituting Work Experience

If an investigator would like to substitute their work experience for the prescribed basic training classes, a letter may be submitted that details the number of investigations they have been involved in and to what level their involvement was. Additionally, if they have any certificates or proof of completion for training on a relevant topic that must be submitted as well. This option only pertains to the basic homicide and interview and interrogation courses; the 24-hour Patrol Tactics In-Service course is required and is not able to be substituted.

F. Honorable Behavior - WAC 139-12-030 (vi)

An affirmation from the applicant (this may also be an Acadis point-of-contact from their employing agency) that the investigator has a history of honorable behavior is submitted during the application process. This is completed in Acadis.

G. Continued Annual Training Course(s)

An attestation from the IIT Lead Commander is submitted to WSCJTC for review on an annual basis. The attestation affirms that the IIT has taken the required annual training for both the IIT qualified lead investigators and the IIT as a unit. The annual training attestation must include a roster of all IIT members and indicate those that hold the IIT qualified lead investigator certificate status. If someone received their IIT qualified lead investigator certificate for the specific calendar year in question, the IIT Lead

Commander or designee may indicate on the roster the certificate date. The required annual training for IIT qualified lead investigators must be offered by a Reputable Training organization that teaches best practices pertaining to the course topic.

H. Recertification Application Materials

A certificate of completion of the required annual training along with a recertification application is required to recertify a lapsed IIT qualified lead investigator certificate. The required annual training must be offered by a Reputable Training organization that teaches best practices pertaining to the course topic.

V. INITIAL CERTIFICATE REVIEW:

Applying for an initial IIT qualified lead investigator certificate is completed online through WSCJTC's Acadis database. An initial IIT qualified lead investigator certificate application is submitted by the investigator's employing agency. Instructions and additional information about this process for the applicant is available on WSCJTC's website.

A. Initial Certificate Review Process

- Once an applicant has submitted the application in Acadis, the LETCSA Program Specialist will complete a preliminary review which entails a document check to ensure that all materials have been submitted and are correct. When the review is complete, the LETCSA Program Specialist will complete the steps to move the application to the next step.
 - a. If any of the materials are incorrect or insufficient, the LETCSA Program Specialist will note the issue in the application comments and move the application to the next step.
- 2. The LETCSA Program Manager will conduct a review of the submitted application and make a recommendation of approval or denial.
 - a. If a mistake was made on the application, it must be denied and resubmitted for approval with the correct documents. The application also may be denied if the investigator is employed by a law enforcement agency that is not on an IIT.
- The Advanced Training Division (ATD) Manager will review the submitted materials and the LETCSA Program Manager's recommendation. They will then make a final determination to approve or deny the application.
- 4. If approved, the investigator will be granted an IIT qualified lead investigator certificate and the LETCSA Program Specialist will complete the final administrative steps to close out the application including sending an electronic certificate.
 - a. An electronic or written decision will be documented and provided to the requesting agency for the denied application if the application was denied for any other reason except for a mistake in the materials. This will come from the ATD Manager. If a mistake in submitted materials was made, the applicant may resubmit for reconsideration and potential approval.

VI. ANNUAL TRAINING REVIEW:

Attestation of compliance with the annual training requirements for both IIT qualified lead investigators as well as the IIT as a unit is submitted to WSCJTC on the IIT annual training attestation form from the IIT's Lead Commander or designee. The attestation is for the IIT as a whole and includes all member agencies that are participating on the applicable IIT. The annual training attestation is due to WSCJTC LETCSA staff on or by March 15 for the previous calendar year.

Example

Documentation Period Due Date

January 1 - December 31, 2025 March 15, 2026

If an IIT qualified lead investigator certificate was issued during the relevant calendar year, the IIT qualified lead investigator is not required to complete the annual eight hour continued training until the following calendar year. However, they would still be required to train with the IIT as a unit on an annual basis.

An IIT Lead Commander, or their designee, completes the IIT Annual Training Attestation form and submits a roster of their IIT to WSCJTC. Once the attestation is received by WSCJTC, LETCSA staff begins the review process.

A. Annual Training Review Process

- 1. The LETCSA Program Specialist completes a preliminary review of the submitted attestation to ensure that the correct application materials have been submitted. If anything is missing or needs correcting, they will work with the IIT to get all required materials. The LETCSA Program Specialist will also crosscheck the roster submitted by the IIT with WSCJTC's records of IIT qualified lead investigators as well as IIT member rosters. If any discrepancies are found, the LETCSA Program Specialist will attempt to resolve them with the IIT Lead Commander or designee and the LETCSA Program Manager. Once the LETCSA Program Specialist completes their preliminary review, they will upload the attestation to DocuSign and send for signatures.
- 2. The LETCSA Program Manager will be the first to review the application materials from the LETCSA Program Specialist in DocuSign. They will review the submitted application and make a recommendation of approval or denial. A recommendation of denial would only occur if there was a mistake or discrepancy in the application and the LETCSA Program Specialist was unable to rectify the issue before sending in DocuSign.
- 3. The ATD Manager will conduct the final review of the application to make a determination of approval or denial. If a denial is determined, the IIT qualified lead investigators who did not complete the training requirements would have their certificate lapse and be required to recertify. If an IIT did not train as a unit, the IIT would be out of compliance in regard to that WAC requirement.

- a. If approved, the LETCSA Program Specialist will notify the IIT Lead Commander or designee that their annual attestation has been processed and send them a written notification of compliance.
- b. If denied, the ATD Manager will notify the IIT Lead Commander in writing of the decision and reasoning.

VII. RECERTIFICATION:

If an IIT qualified lead investigator does not complete their annual training required per WAC 139-12, their certificate would lapse, and they will be required to recertify their qualified lead investigator status. The investigator would have until March 31 of the current calendar year to complete the annual training for the previous year. The IIT qualified lead investigator would still be required to take eight additional annual training hours for the current calendar year.

If the investigator does not submit proof of completion of the annual training, their certificate would default, and they will need to complete the initial IIT qualified lead investigator certificate process again. The training utilized for their previous initial IIT qualified lead investigator certificate would not be valid if they defaulted and were reapplying.

A. IIT Qualified Lead Investigator Recertification Process

The IIT qualified lead investigator that is needing to recertify their certificate will submit the requested materials to the LETCSA email inbox at citcletcsa@citc.wa.gov.

- The LETCSA Program Specialist completes a preliminary review of the submitted recertification application to ensure that the correct application materials have been submitted. If anything is missing or needs correcting, they will work with the applicant to get all required materials. Once the LETCSA Program Specialist completes their preliminary review, they will upload the recertification application to DocuSign and send for signatures.
- 2. The LETCSA Program Manager will be the first to review the application materials from the LETCSA Program Specialist in DocuSign. They will review the submitted application and make a recommendation of approval or denial. A recommendation of denial would only occur if there was a mistake or discrepancy in the application and the LETCSA Program Specialist was unable to rectify the issue before sending in DocuSign.
- 3. The ATD Manager will conduct the final review of the application and make a determination of approval or denial.
 - a. If a denial is determined, the IIT qualified lead investigator would need to either resubmit the recertification or follow the initial IIT qualified lead investigator certificate process. A written decision would be provided to the applicant from the ATD Manager.

b. If approved, the LETCSA Program Specialist will close out the application process and send the applicant an email that their certificate has been reinstated and they are in good standing.

B. IIT Team Training

If a member of an IIT is unable to attend the IIT unit training, whether an IIT qualified lead investigator or other IIT member, the following must occur:

- 1. The IIT Lead Commander, designee, or a representative of the IIT member's employing agency must contact LETCSA staff and inform them of the IIT member's absence from the training and the reason(s) for the absence.
 - a. Examples of excused absences include pre-approved leave, being called out to an investigation/scene, and administrative leave.
- 2. The LETCSA Program Manager will inform the ATD Manager about the request and draft an interoffice communication (IOC) memo to the requestor from the WSCJTC Training Bureau Assistant Director. The IOC will include the following information:
 - a. Details of the absence and request.
 - b. Steps the IIT must take to rectify the IIT member's absence e.g. review the training topics from the annual IIT unit training with the absent IIT member within the next three months.
 - c. A timeline of completion.
 - d. Further guidance regarding any other IIT requirements e.g. including the IOC with the IIT's annual attestation for that calendar year.
- 3. The LETCSA Program Manager will provide the requestor with the IOC. If any guidance was provided to the IIT that WSCJTC will track, the LETCSA Program Manager will document this accordingly.

Hearings Program Manager Certification Division Washington State Criminal Justice Training Commission

I am writing to express my interest in serving as a panel member for the Tribal Police Officer Certification review process. With nearly three decades of experience in law enforcement—spanning patrol, investigations, and administrative leadership- I bring a deep commitment to procedural fairness, professional standards, and the unique responsibilities of tribal law enforcement.

My career has involved significant oversight of internal investigations, policy development, and personnel actions, as well as participation in disciplinary and administrative hearings. I have consistently worked to uphold due process and ensure fair outcomes in all proceedings. These experiences have given me a thorough understanding of how critical impartial review is, especially when assessing whether proper steps were followed during disciplinary appeals, administrative hearings, or criminal proceedings related to officer conduct.

I also understand that tribal law enforcement operates within a distinctive legal and cultural framework. I respect the sovereignty of tribal nations and the importance of maintaining integrity, trust, and community accountability within tribal policing. I am committed to supporting these values while helping ensure that officers serving in tribal communities are held to the highest standards of fairness and professionalism.

It would be a privilege to contribute to the panel's essential work, helping uphold the integrity of the certification process while honoring the principles of tribal justice systems.

Thank you for your time and consideration. I welcome the opportunity to speak further about how my experience can support the panel's mission and the communities it serves.

Sincerely,

Walter E. Roderick IV

Dear Coordinator Wold,

I had an opportunity to meet with Kimberly Bliss earlier this year to discuss Certification Hearings and the need to have more panel members, especially Sheriffs, to share the load of the obligation that WSCJTC has regarding these hearings. I expressed interest as well as my concern as a new Sheriff relative to time commitments and not wanting to offer to help if I could not follow through. She was patient, explaining (if I am selected) if I cannot make a specific hearing, to simply communicate that. She told me to take my time in considering applying.

Now at the end of my seven months (yay), my schedule has become more manageable, and I still have interest in participating. Please accept this letter, resume, and application for your consideration.

I understand if this consideration needs to be delayed while other matters are addressed.

Thank you for doing this difficult work and for considering my application.

My three references are Sue Rahr (), Patti Cole-Tindall (), and Anne Levinson ().

Respectfully,

Sheriff Susy Johnson

I have 34 years of law enforcement experience. I started as a line-level Deputy Sheriff in 1990 and now I serve Snohomish County as the Sheriff. I retired from the Snohomish County Sheriff's Office after almost 30 years of service, on January 1, 2020. After a few months of retirement, I deeply missed the public service component in my life. Dear Coordinator Wold,

Sheriff Johnson has requested a professional letter of reference as a part of her application process to serve as a panel member for Certification Hearings. As an agency, we recognize the need to support your resource needs for participants who serve in the position of Sheriff, especially since our organization also has a jail with Corrections responsibilities.

I have worked with Sheriff Susanna Johnson for 35 years and know that she is professional, detail-oriented, and committed to transparent accountability and maintaining the standards of our profession.

I would recommend her to participate as a panel member for Certification Hearings and would work to help cover her schedule when such needs occur.

Respectfully,
